Mr. S. H. Hobbs, of Clinton, the organizer and lecturer of the Cotton Growers' Association of this State, was here Saturday. Mr. Hobbs is anxious to see some cotton warehouses built in this County. It seems that our farmers and business men are very slow to plan for the storage of their cotton. Such a move would doubtless mean much for our farmers, as it would enable them to store their cotton when prices were too low to sell at a profit.

Indian Graveyard.

Here and there over the country can still be seen Indian graveyards. On a high hill near the creek on the farm of Mr. Ashley Wallace, who lives six miles west of here, is one of these relics of former days. Two men from Smithfield were there this week and brought back some bones which can be seen at Riddick and Dickison's office. A jawbone with the teeth was found there a few years ago.

Juniors for Prohibition.

The Wilson Lodge, Jr., O. U. A. M., to a man—and there are one hundred and sixty of them—have expressed their determination to do everything in their power to drive liquor from the borders of North Carolina.

In the State there are seven thousand and six hundred members of this noble order—and it is safe to say they will follow the example set by the Wilson Juniors.—Wilson Industrial Advocate.

Not a drop of Alcohol

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alteratives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. Follow his advice.

We publish our formulas
We banish alcohol
from our medicines.
We urge you to
consult your
doctor.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia. We wish you would ask your doctor about correcting your constipation by taking laxative doses of Ayer's Pills.

CURES COUGHS AND COLDS.

Hyomei Gives Relief in 10 Minutes--Cures Over Night.

Everybody knows, or ought to know, that Hyomei is recognized among scientists as the specific for Catarrh, Asthma, Bronchitis and Hay Fever, but there are a great many people who do not know that Hyomei will cure a cough or a cold in less than 24 hours.

But every one should know that the soothing, balmy and antiseptic air of Hyomei when breathed over the raw and inflamed membrane of the nose and throat will instantly allay the inflammation, and will effect a prompt cure.

Complete Hyomei outfit, including inhaler, costs only \$1.00 at Hood Bros., extra bottles, if afterward needed will cost but 50 cents.

Joseph M. Harbaugh, Hel-dredge, Neb., writes: "I have used your Hyomei in my family for two years or more, and find it one of the best remedies we ever used for a cold or sore throat. We find that it gives quick relief in cases of catarrh."

to prove the advantage of having a bank account. The fact that a great majority of business men have one shows that a bank account is well worth having.

THE BANK OF SMITHFIELD
