**Women's Woes**  
Smithfield Women are Finding Relief at Last  
It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.  
Mrs. W. L. Stevens, Third St., Smithfield, N. C., says: "I have no hesitancy in recommending Doan's Kidney Pills as I know them to be worthy of the highest praise. I suffered from backache and dull pains across my loins for a long time. This trouble made me very restless at night and as a result for the loss of sleep, I arose in the morning feeling tired and without strength or energy to commence the days duties. The contents of one box of Doan's Kidney Pills brought me entire relief and since using them I am able to sleep well at night, arising in the morning refreshed. Doan's Kidney Pills proved so beneficial to me that I would advise others afflicted in a similar manner to use them."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name--Doan's and take no other.
