OF THE

GREAT MAJESTIC MALLEABLE AND CHARCOAL IRON RANGE

At Our Store, Beginning Monday, November 23rd, 1908

**FREE!**  
\$7.50  
**SET OF WARE**

With every Majestic Range sold during this Cooking Exhibition we will give, absolutely FREE, one handsome set of ware as shown. This ware is worth \$7.50 if it is worth a cent. It is the best that can be bought. We don't add \$7.50 to the price of the Range and tell you are getting the ware free, but sell all Majestic Ranges at the regular price. You get the ware free. Remember, this is for exhibition week only. Ware will not be given after this week. This ware is on exhibition at our store, and must be seen to be appreciated.

Come in any day during the week. Make our store your headquarters. Have coffee and biscuits with us.

Come, if you intend to buy or not; the information gained will serve you in the future.

**Facts About The Great Majestic Range**

It is the only range in the world made of Malleable and Charcoal Iron.

It has, beyond any question of a doubt, the largest and best reservoir.

It uses about half the fuel used on other ranges, and does better work by far.

The Majestic All Copper Nickered Reservoir heats the water quicker and hotter than any other. It is the only reservoir with a removable frame.

The Charcoal Iron Body of the Great Majestic Range lasts three times as long as a steel body.

Being made of non breakable material, there is practically no expense for repairing the Majestic.

As for baking, it is perfection; not only for a few months, but for all time to come.

A GREAT MAJESTIC RANGE lasts three times as long as a cheap range, but it don't cost three times as much.

PROOF—We don't ask you to take our word for any of the above statements, but if you will call at our store, a man from the factory, where Majestic Ranges are made, will prove to your satisfaction that these are absolute facts, and will show you many more reasons why the Great Majestic Range is absolutely the best that money can buy.

**Supplemental Libraries.**

Again I call attention to the fact that under the law Johnston County schools are entitled to three supplemental libraries provided that they are applied for before November 30th, 1908. These \$15.00 libraries are to enlarge the \$30 libraries already established. Let some of the schools that have libraries notify me at once that they have raised or that they will raise the five dollars necessary. These may go to districts already having supplemental libraries. Let us not lose what belongs to the county. No district will refuse a five dollar library that costs the people in the district only five dollars.

**County Teachers' Association.**

After consulting a number of teachers the time for holding the County Teachers' Association will be Saturday, December 13, 1908. By thus deferring the meeting two weeks all will have better time to prepare on the North Carolina History.

**Colored Teachers' Meetings.**

For the purpose of distributing school registers, North Carolina Day Exercises, school bulletins and blanks, I hereby call the following meetings for the colored teachers:

Clayton (colored school) Wednesday Nov. 25, 1908 at 2 p. m.  
Kenly (colored school) Friday Nov. 27, 1908 at 2 p. m.

Woods, Stoves, Wells and Repairs.

Allow me kindly to call attention to the necessity of providing well for the schools. The above items should be looked after in the beginning of the school year. Cold, uncomfortable houses make children dread school. Broken out lights may give them colds. Truly committees get poor pay for their services, but these duties are laid upon them.

As the school is for the benefit of all the children the committee have the co-operation—not the blame, but the help of the whole community. The school is the common interest of the community.

J. P. CANADAY.

**Is This a Square Deal?**

Hood Bros. the Druggist will give you your money back if Mi-o-na does not cure Dyspepsia.

That's the squarest kind of a square deal as every fair minded man knows.

But Hood Bros. can afford to make this offer because he knows that Mi-o-na tablets are a worthy stomach remedy, and that the makers will back up the generous offer.

And so we say to all readers of THE SMITHFIELD HERALD suffering or ailing with any stomach trouble, try Mi-o-na. It has such a mighty and powerful influence on the stomach that it immediately refreshes and relieves, then invigorates and cures.

It strengthens the stomach, walks out the stomach in a perfect condition that it can digest food without pain or other distressing symptoms. It cures by removing the cause and restores the stomach to its normal condition. 90 times in a hundred.

A large box of Mi-o-na tablets only costs 50 cents, and relief will come in 24 hours.

Mi-o-na tablets are truly great for anyone that has stomach trouble. I can not praise them too highly for what they have done for me.—Mrs. W. D. Bennett, Bucksport, Me.

**A Little Child Laughed.**

A little child laughed—and the sun came out.  
A little child laughed—glory echoed his shout,  
The birds caught the wonder and carried it far  
In the song that they sang to the clouds and the star.

A little child laughed—and the shadows and mist  
By the beams of love's beautiful sunshine were kissed.  
A little child laughed—and our burden and care  
Fell away as our sorrows fall away after prayer.
