**Swept Over Niagara.**

This terrible calamity often happens because a careless boatman ignores the river's warnings-growing ripples and faster current-Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape fatal maladies—Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see Backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one \$1 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at Hood Bros.

**THE COST OF PENSIONS.**

Increase in Amount Last Year  
Though Veterans Are Fewer.

During the 60th Congress 6597 special pension acts were passed by Congress, according to a statement just compiled by Senator McCumber, chairman of the Senate committee on pensions. While many of these acts were to increase pensions already received by veterans, the result of the legislation has been to increase the annual payments by about \$1,000,000.

Since 1861 there have been granted by special acts 26,324 original pensions, all of which have an annual face value of about \$5,250,000. As many of these pensioners were formerly on the rolls at a lower rate this figure does not represent the total increase of the pension rolls on account of special legislation.

Since the close of the civil war in 1865 there has been paid in pensions the sum of \$3,654,653,365, and the cost of maintaining pension agencies and administration of the pension bureau has been \$112,872,477. In 1902 there were 999,446 pensioners on the roll at an expense of \$137,504,267. Since that time the number of pensioners has decreased to 951,687, but owing to the passage of the McCumber age law and the Sulloway widows' law, the appropriations to pay pensions increased to \$153,093,062 for the last year. It is estimated that 60,000 pensioners died during the last year. It is estimated that within 10 years the pension roll will not carry over \$75,000,000 or \$80,000,000 unless additional legislation should be enacted.—Springfield Republican.

**Woman Dies Aged 112.**

New York, April 4.—The death of Mrs. Fanny Friedman, at the age of 112 years, was reported to the health board here today. She was born in Hungary, January 3, 1797, and had been ill only a few days. It was her boast that she never had a doctor in her life, and one was not called in until Friday. Five children, 54 grand-children and 18 great-grandchildren survive her.

"Are your daughter's singing lessons worth the price you are paying for them?" Oh, yes! I have just bought the house next door for £700; a month ago they wanted a thousand for it!"—Comic Cuts.

**STOMACH AGONY.**  
Abolish The Cause, and Misery and Distress of Indigestion will Vanish.

Can indigestion be cured? Hundreds of thousands of people who suffer from belching of gas; billiousness, sour stomach, fullness, nausea, shortness of breath, bad taste in mouth, foul breath, nervousness and other distressing symptoms, are asking themselves that question daily. And if these same doubting dyspeptics could only read the thousands of sincere letters from people who once suffered as badly as they do now, but who have been quickly and permanently cured by the use of Mi-o-na, the mighty dyspepsia remedy that cures by removing the cause, they would go to Hood Bros. this very day and get a large box of Mi-o-na tablets.

The price of Mi-o-na tablets is only 50 cents, and Hood Bros. guarantee them to cure indigestion, or money back.

Thin or lean or scrawny people will find in Mi-o-na a maker of flesh and blood because it causes the stomach to extract more nutritious matter from the food.

### It's Always Bad

The Best of Backs Are Bad When They Ache, and Smithfield People Know It.

A bad back is always bad. Bad at night when bedtime comes, just as bad in the morning. Ever try Doan's Kidney Pills for it? Know they cure backache—cure every kidney ailment? If you don't, some Smithfield people do.

Read a case of it:

Mrs. Fred Sasser, Second St., Smithfield, N. C., says: "I willingly recommend Doan's Kidney Pills as I used them and received the most beneficial results. Dull, nagging backaches caused me considerable suffering and often when I first arose in the morning, I was so lame and sore that I could hardly get about to perform my work. I was restless and was caused much annoyance by the too frequent passages of the kidney secretions. A short use of Doan's Kidney Pills banished my backache and dispensed of the kidney difficulty."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
