For Clerk and Register.

As I have seen a name appear in the columns of The Herald for clerk of the superior court, the man needs no introduction, he is young, amiable, and well qualified. That man is Albert M. Noble, of Smithfield.

And also I would like to say that I heartily endorse the candidacy of Mr. Alonzo Barber for the nomination of Register of Deeds. He is a good Democrat and is thoroughly qualified for the position. We need a ticket composed of the best, and if the two men mentioned above be nominated, that part of the ticket will be clear.

WALTON J. ALFORD. Smithfield, No. 1, July 12, 1910.

Candidate For Surveyor.

I wish to state to my friends that I will be in the convention for re-nomination for surveyor.

I appreciate what they have done for me in the past, and if they see fit to give me the nomination I promise to serve the people and the party as heretofore. If defeated for nomination there will be no hard feeling toward anyone. I will be a Democrat and work to elect the ticket.

Yours to serve as ever, T. R. FULGHUM.

Announcement.

I wish to announce to the Democratic voters of Johnston County that I am a candidate subject to the action of the Democratic County Convention at Smithfield, on August 3rd, for the office of treasurer.

If nominated and elected I will faithfully perform all the duties of the office to the best of my ability. Respectfully submitted, W. L. STANCLIF. Clayton, N. C. July 11th, 1910.

For Treasurer.

I wish to endorse the nomination of a man for the above position that we have all time for four years and has proved to be the man fitted for the position, a worthy man, a man that was ready to wait on any one who called at his office, knowing no man politically, in his office he was accommodating and courteous to all. A cripple in both hands and one foot and as you all know a self-made man, having nothing to start with and no father to help, or encourage, his father having been killed in the war when he was 7 years old. He had to work out his education by dry days work and above all his only way of making a living. Therefore we would especially encourage the farmer in every way possible. This man is Alex Wiggs, of Pine Level. Let us nominate him and we will be proud of it for he is, and always has, been a Democrat. Though some of his people and neighbors have strayed, yet he still clings to the party.

A. M. BARNES. Archer, R. F. D. No. 1.

Noble for Clerk.

On August 3rd, the Democrats of Johnston County will meet in Smithfield to nominate candidates for the Legislature and County offices.

For Clerk of the Court, Mr. A. M. Noble, of Smithfield, has announced himself as a candidate, and I believe that the Democrats of Johnston County cannot find a man better qualified to fill this important office than Mr. Noble.

It is for the following reasons as well as many others why I believe that the Democrats should nominate Mr. Noble to succeed Mr. Stevens as Clerk of the Court.

Mr. Noble believes in rotation of office and I believe that is one of the best informed in Pleasant Grove township, a Republican stronghold, tell us he will surely, if nominated, carry the township and add many votes to the whole ticket; his nomination will create enthusiasm and bring out the full Democratic strength in this neck of the county. He is fully competent to conduct the business of the office satisfactorily to all. Give us Mr. Edmundson for Register of Deeds and there will be no such word as failure in the coming election. We believe he is the man and ask the Democrats to nominate him on August 3rd.

Respectfully, F. T. BOOKER.

Edmundson for Register of Deeds.

Mr. Editor: Of all the gentlemen suggested for Register of Deeds, all most excellent men, this scribe is fully convinced from all the surroundings that Mr. E. S. Edmundson is the surest and safest to nominate. For with his nomination victory is assured from the start. He is sound to the core, competent, courteous to the most humble, and always has been, he is one of the most popular young men in all this section; if he has any enemy no whisper of it has ever come to the ears of the people. He will add more votes and add more strength to the ticket than any other man that has been suggested. The best informed in Pleasant Grove township, a Republican stronghold, tell us he will surely, if nominated, carry the township and add many votes to the whole ticket; his nomination will create enthusiasm and bring out the full Democratic strength in this neck of the county. He is fully competent to conduct the business of the office satisfactorily to all. Give us Mr. Edmundson for Register of Deeds and there will be no such word as failure in the coming election. We believe he is the man and ask the Democrats to nominate him on August 3rd.

Respectfully, F. T. BOOKER.

Announcement.

I hereby announce myself a candidate for the office of Clerk of the Superior Court of Johnston county, subject to the Democratic Convention.

I am in favor of rotation in office. If it is an honor to hold a public office, let others share the honor; if it is a burden let others share the burden.

I am strongly in favor of putting the public officers on salaries commensurate with the responsibilities and labor devolving upon them.

Very Respectfully, A. M. NOBLE.

Announcement.

I take this method of announcing to the voters of Johnston county that I am a candidate for the nomination of sheriff subject to the action of the Democratic Convention.

ELI S. TURLINGTON.

Ashley Horne For the House.

To the Editors: The nomination in Wake of that noble and honorable gentleman of the old school, and in Durham of its proud old war-horse of Democracy, both gentlemen and Democrats of the highest type—men of affairs—to represent their respective counties in the next General Assembly, I take the privilege of suggesting to the voters of Johnston County a man for one of our Legislators, a man equally equipped and qualified as the gentlemen above referred to. I have in mind Hon. Ashley Horne, of Clayton, a business man, a farmer, a banker, a mill man, a soldier in time of war, a general in time of peace; a man of mature years, broad and varied experience, deep thought and safer judgment; a man whose counsel and judgment would be sought by the leaders in the Legislature, and a man who would co-operate with Battle, Carr, and other Democratic captains to keep the "old ship of state" in her true course. I think it would be specially fitting to send Col. Horne to the Legislature of 1911 to be in company with Battle, Carr and others in making that session of the legislature memorable in history.

Johnston ought to follow the lead of Wake and Durham, and by honoring one of her most honorable and worthy sons, honor herself and our beloved state.

F. H. BROOKS. July 13, 1910.

Grimes For Sheriff.

Mr. Editor: Through the columns of your paper I wish to speak to the Democrats of Johnston County in regard to our candidate for sheriff. It is a pleasure to me to have the opportunity to recommend a man of spotless character and fully competent of any official business in the sheriff's office. I have known him from boyhood and he is a man that the county will be proud of. So let us meet in Smithfield on the day of convention and nominate W. F. Grimes and he will be elected by a large majority.

Weak Throat—Weak Lungs

Cold after cold; cough after cough! Troubled with this taking-cold habit? Better break it up. We have great confidence in Ayer's Cherry Pectoral for this work. No medicine like it for weak throats and weak lungs. Ask your doctor for his opinion. He knows all about it. His approval is valuable. Follow his advice at all times. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Always keep a good laxative in the house. Take a dose when your cold first comes on. What is the best laxative for this? Ayer's Pills. Ask your doctor his opinion. Let him decide.
