

**TWO ARE RECOMMENDED.**

Alonzo Barber For Register of Deeds and Eli S. Turlington For Sheriff.

To the Democratic voters of Johnston County:

We, whose names will appear at the close of this article, desire to say a few things in behalf of our esteemed friend and neighbor, Mr. Alonzo Barber, whose name will be presented to the Democratic Convention on the third of August for Register of Deeds. We have known him from childhood and feel safe in saying, there is not a man in Johnston County that has a better record than he and as far as his qualifications for the duties of the office are concerned, they cannot be excelled, for we have no idea there is a man in Johnston County more competent than he. One other point we feel like the voters of Johnston County should not overlook: Many years ago, he was afflicted with rheumatism, which left him unable to do much manual labor, with a large family dependant upon him for support. Mr. Barber has never had the advantages that most of the men that the people of Johnston County have placed in this paying office. He is a poor man and has been deprived of the advantages that most of those that have and are now seeking the same place. He has practically had to right his way to the front. Voters of Johnston County, when the 3rd day of August comes and you are to choose a man for Register of Deeds, we think you would do well, to consider this matter well before you make up your minds, whom you will support. Democrats, let's nominate Alonzo Barber for Register of Deeds and Eli S. Turlington for Sheriff and the people of Western Johnston will be satisfied.

G. W. JOHNSON,  
J. D. MORGAN,  
J. WILLIS CREECH.

**Just To Remind You.**

To the Voters of Grand Old Johnston—Greeting:

We see in the columns of The Herald a communication now and then asking that the office seek the man, and not the man seek the office. But if we are any judge of things in these fast times, there are numbers seeking, and having friends to seek for them. We would be glad if influential men would remember some twenty-five years back, when some men were forced on the voters of Johnston County and a Republican received more than a thousand majority over one of the best men in the county. Some do not like to hear of the past. To the delegates of the convention to meet August 3rd: Bestir yourselves in the upper story and be sure to nominate Alonzo Barber for Register of Deeds and Albert Noble for Clerk of the Court, if you want harmony and success.

J. H. BROADWELL,  
Selma, July 25.

**Grimes For Sheriff.**

We have but a week now before we go into convention to make up the Democratic ticket to be placed before the voters of Johnston County. Democratic victory at the polls depends on the ticket we put forth. I desire to endorse all that has been said of Mr. W. F. Grimes, of Bentonsville township, for sheriff, and to say with all due respect of the other aspirants that his name on the ticket means more strength than any other man we could place there. His past record as a Democrat; his well balanced temperament and his upright character fits him to make the strongest campaign that is possible for a man to make. Besides he comes from a part of the County that is now and has been for 20 years past, without representation by any office of note. His nomination would bring back many Democrats who have grown lukewarm and indifferent because of a repetition of the same old ticket. He is worthy and efficient and would make an ideal sheriff, equal to the Honorable J. T. Ellington.

H. V. ROSE.

Ashley Horne for the Legislature.

To the Editor:

I heartily endorse the piece that appeared in the columns of The Herald in regard to the candidacy of Mr. Horne. There could not be a better man found in Johnston County to represent us in the Legislature than Mr. Horne. He is a man of deep thought and broad mind and of wide experience, a man who knows the needs of the people in all pursuits of life, a man whose advice would be sought for in the halls of the Legislature. The only difficulty would be in securing his consent. Also I advocate re-nomination of W. S. Stevens for Clerk, and Sam T. Honeycutt for Register. There is a great deal said about rotation in office, I favor rotation as much as any man when we have an incompetent man in office that fails to come up to the standard, but when we have such men as Stevens and Honeycutt we had better give them at least one more term. If we are going to give all the worthy men in the County one or two terms in office it would never get round. He is too short. Give us Horne for the Legislature, Stevens for Clerk, Honeycutt for Register, and we will have a ticket that can't be defeated.

**Hales For Register.**

To the Editor:

I wish to do all I can for the Democratic party in the coming election, and, in order to do this, I think we should put forth the best men we have, and I send you the name of N. B. Hales for Register of Deeds. I personally know him to be fully qualified for the position and a man of up to date make up, one who will know the people of Johnston County every time he sees them. We can not make a better selection in the County.

PERCY W. BARBER,  
Clayton, July 25.

**N. B. Hales For Register.**

To the Editor:

For Register of Deeds of Johnston County, I am sure, we cannot select a better man than N. B. Hales. He is eminently qualified to fill the position; possessing fine business qualities, and will be one of the strongest men we could put on our ticket. He will know his constituents every time they go in his office. Let us nominate N. B. Hales for Register of Deeds and we will make no mistake.

J. W. CORBETT,  
Middlesex, R. F. D.

**For Register Of Deeds.**

To the Editor:

As our Grand Old Democratic Convention is soon to assemble in Smithfield to nominate officers for the next two years; I think it needful for us to put forth the best men we have. For Register of Deeds, I wish to say that we could not select a better man than N. B. Hales. I have known him all his life, and he is a gentleman of the highest order, one that will know the people every time he meets them. Give us N. B. Hales for Register of Deeds.

I. D. MANNING,  
Selma, R. F. D. No. 2.

**Grimes For Sheriff.**

Editor Herald:

I wish to endorse through the columns of your paper the candidacy of W. F. Grimes, of Bentonsville Township, for the office of Sheriff of Johnston County. I have known him from boyhood and know him to be a good man and well qualified to perform any and all duties pertaining to the office of Sheriff. He has always been a straight Democrat and a hard worker for Democracy. He has always been successful and strict to business, always making a success. His father and mother both dying when he was quite young, he went to work and succeeded in getting an education. He has been successful as a teacher, as a merchant and as a farmer, and he has served as a deputy sheriff in his township for several years and has made many friends. If the Democrats of the County will meet in Convention on the 3rd day of August and nominate him he will add many votes to the ticket. So let me urge every Democrat to go to the Convention and let's nominate him and he will surely be elected by a large majority and make a sheriff that everybody in Johnston County will be proud of.

R. I. OGBURN,  
Willow Springs, N. C. R. No. 1.

**An Open Letter.**

To the Democracy of Johnston County:

At the time I first announced my candidacy for the nomination for the office of Register of Deeds, I intended to call on my friends throughout the County and personally solicit their support. I have been unable to do so because of the fact that my work was needed in my crop, and also I could not spare my stock from the plow. My farmer friends will appreciate the situation and pardon me for having stayed at home when I say that "I as well as they, have had to battle with old 'General Green'."

I, therefore, take this method of calling upon my friends and supporters to come to the convention on August 3rd and stand by me. I can easily be nominated if they will attend the convention. I regret that circumstances have been such as to prevent my seeing you. Take this card for a visit and meet me in Smithfield on the 3rd. Every vote and every word spoken in my behalf will be greatly appreciated.

Yours in Democracy,  
ALONZO BARBER,  
Elevation Township.

**For Treasurer.**

Mr. Editor:

I see in your paper the name of Mr. Chas. N. Parker has been announced for Treasurer of Johnston County. I heartily endorse every word that has been said about Mr. Parker, and also recommend him as being the right man for the office. Let's all nominate him on the 3rd day of August and old Johnston will have as good a man for Treasurer as it has ever had.

**ANNOUNCEMENT.**

Candidate For Sheriff.

I hereby announce myself a candidate for sheriff of Johnston County, subject to the nomination by the Democratic Convention.

WM. D. AVERA,  
Smithfield, N. C. July 21, '10.

**Richardson For Sheriff.**

To the Editor:

I noticed in last week's Herald a number of endorsements of C. W. Richardson for the next Sheriff of Johnston County, and this suits my way of seeing things exactly. Mr. Richardson has had some experience with the "Rads" of Johnston County, and if you good Democrats of the other townships will join Beulah and nominate him for the next sheriff, the Republicans will fare just as they have always done when he was in the fight.

Mr. Richardson has not only been active in Johnston County politics, but is a substantial business man as well, and will fill the office of Sheriff as creditably as the present sheriff and his famous predecessor. Yours for Democratic success,  
W. N. BARDEN,  
Micro, N. C. July 25th, 1910.

**Banner's Modest Claim.**

Mr. Editor:

Banner township is so modest in her claims upon the Democracy of the County that some of the townships seem to think that she has no rights. I said some of the townships, may be, I should have said one of the townships. Those who have kept up with the claims of this one township know that it has two candidates for sheriff, one for Treasurer, one for Representative to the Legislature, one for Coroner, one for County Commissioner, and may be one for the Senate, etc.

Now, we have our candidate for office, and he is so modest that he has scarcely let it be known. This man is candidate for Sheriff. His name is Eli S. Turlington.

Give us Turlington for Sheriff and he will help roll up a big majority for the party.

E. L. HALL,  
Benson, N. C.

**W. L. Stancil for Treasurer.**

To the Editor:

I wish to recommend to the voters of Johnston County assembled in Smithfield August 3, 1910, W. L. Stancil for Treasurer. He is a brilliant young man highly competent to fill the office with credit to himself and the County. He is a self made man having taught school in my neighborhood a good while having taken a course of bookkeeping in King's Business College, now has a position with J. I. Barnes & Bro., Clayton, N. C. Mr. Stancil is a cripple man, has to walk on crutches. He is a man that has a lot of energy and perseverance and would give his entire time to the duties of the office. Mr. Stancil is a very worthy man for the office and would make an ideal treasurer. I hope the Democrats of Johnston County will consider his condition and nominate him and I am sure he will give entire satisfaction.

W. B. EASON,  
Wilson's Mills, N. C., R. F. D. 2.

**W. L. Stancil For Treasurer.**

Mr. Editor:

Please give me space in your paper to add my endorsement to Mr. W. L. Stancil for treasurer. I have known Mr. Stancil since early boyhood, and have always found him strictly reliable. He is worthy and capable, and is well thought of by those who know him best.

JOHN T. TALTON,  
Clayton, N. C., July 26.

**Richardson For Sheriff.**

Mr. Editor:

Please allow me a small space in your valuable paper. I want to endorse what has been said through the columns of this paper to the Democratic voters concerning the nomination of Clarence W. Richardson for Sheriff. I have known him for several years. Have found him to be a straight-forward gentleman. He is clever, energetic, smart, and competent and worthy of holding any office in the county. He was reared on the farm and knows the farmers' needs. He is a plain, every day the same, man. Is sociable and polite to all. And although having been honored as Senator and Representative, he has never seemed to feel himself above his fellowmen in the least. Should we elect him to the office of sheriff, he would accept the office feeling that he was chosen to be the servant of the people. At all times ready to perform the duties of the office impartially. Every Democrat! Go to the convention and nominate Clarence Richardson for sheriff! He will help us win the victory and will lead the ticket.

**Stancil Endorsed.**

To the Editor:

Will you allow me space in your columns to add my endorsement to what has already been published in regard to W. Lester Stancil for county treasurer? A man that I feel sure would give the county his best service. He is loved wherever known. He has been badly afflicted since early childhood. But when he knew he could not make a living otherwise he set about getting an education with but very little (if any) capital, except a dead mother's early teaching and prayers and the advice of an afflicted father to buoy him up in his battle to prepare himself for usefulness, and how well he has succeeded is attested by the fact that wherever he is known he is esteemed for the clean, manly life that he lives and his helpfulness to those with whom he comes in contact so when our county convention meets on August 3rd, let's nominate him for county treasurer, for he is fully competent and would be a faithful public servant.

JOHN W. KEEN,  
Four Oaks, N. C., July 26.

**He Wants Edmundson.**

Editors Herald:

Please allow me space in your paper to recommend a man for Register of Deeds who is in every respect qualified to fill the office with credit to himself, his party and his county. A man who is a successful farmer and business man, a man who if nominated will be elected and fill the office up to the high standard of the present incumbent. The man of whom I have reference is Mr. Ed S. Edmundson, of Pleasant Grove Township.

**Endorsing Wiggs.**

We wish to ask the Democratic Convention to nominate Wiggs for treasurer for the following reasons:

First—He has already proven himself to be in every way fitted for the office.

Second—Six years ago he led the ticket in the county.

Third—His only way of making a living is to work it out on the farm and having been a cripple in both hands and one foot from infancy, making it hard for him, having never had the advantage of a father or any one to help him to prepare for bookkeeping or anything that others have had the advantage of, being poor and not able to prepare himself only as he could work it out.

Fourth—He is now 53 years of age and will not likely ever be before the people again, while others though are cripple, are young and have the advantage of an education and a position to make a living without going to the farm to work it out and will stand a good chance in the future to obtain an office, while owing to Mr. Wiggs' age he will not.

We would respectfully ask the people to consider the above, and let's nominate him.
