AGED WOMAN PASSES OVER.

A Good Christian Whose Whole Life Was Acts of Kindnesses.

On July 1st at 9 p. m., Catharine Elizabeth Edwards' soul was transported on the shore of the land of the beautiful Elysian. Mother Earth had just put on her night robe, when the summons came. Nothing broke the stillness of the hour, but the ticking of the clock on the mantel; a very slight breeze had sprung up and was rustling the leaves on the trees. Everything was so tranquil when her spirit was transported across the stream—not even a ripple of the water was discernible; so quietly and peacefully did her boat pass over.

This writer has seen her when fortune did not smile on her, as it did in her later years. She was at all times the same. I never in all my life saw her angry or speak evil of anyone. Her whole life was acts of kindness. She joined the Methodist church when quite young and was ever attentive to her duties.

Rev. Mr. Daniel, her pastor officiated at her funeral, and delivered a most excellent sermon. She was laid to rest in the family burying ground beside her daughter, Mrs. Kate Massey, who preceded her 6 months. Pass, as we all familiarly called her, was 61 years, one month and one day old. She leaves a husband, W. T. Edwards; three sons, W. A., J. H. and W. S. Edwards, and four daughters, Mrs. W. M. Yelvington, Mrs. W. J. Massey, Mrs. Geo. P. Massey and Mrs. A. F. Holt, Princeton, N. C.

A Good Citizen Dead.

Mr. William Alfred Traylor died at his home, four miles west of Smithfield on Sunday evening, July 17, 1910.

He had been in bad health for some time, having had the grippe about Christmas, from which he had not fully recovered. He was taken seriously sick about a month before his death. Everything was done for him that skilled physicians could do, but he had served out his probation here.

Mr. Traylor was born in Montague County, Texas, 49 years ago. He came to this county about seven years ago and was married to Miss Phebe M. Rand the following year. She with two small children is left to fight the battle of life.

Mr. Traylor was an upright and honorable man, and made many friends during his short stay among us.

A Good Woman Gone to Her Reward.

Died, on July 3rd, Miss Bettie Gay, age about 70 years. She was a strict member of the M. E. church and had been a member a number of years. She was a good woman, having lived with Capt. W. P. Raiford's family fifty-two years. She was noted for her thrift and economy. Her funeral was preached by the pastor, Rev. Mr. Daniel. She was laid to rest in the Snipes burying ground.

Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good. What's changed? the pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 60c. at Hood Bros.

RESOLUTIONS OF RESPECT.

Passed By Corinth Local F. E. and C. U. of A.

Whereas, our beloved brother, W. A. Traylor, was on the 17th day of July, 1910, by the decree of an over-ruling Providence called from his earthly sufferings to a home where pain and sorrow are unknown and where the weary find rest, be it therefore,

Resolved, That in the death of Brother Traylor the members of this Lodge fully recognize that they have lost one of their number who was at all times imbued with the pure principles of the order and whose life and conduct suffer no reproach to be on his character, either as an F. E. and C. U. of a fellow-citizen or husband and father.

Resolved, That the sincere and heartfelt sympathies of the members of this Lodge be and are hereby extended to the bereaved widow and family of our deceased brother, whose loss we, with them, deeply mourn.

Resolved, That as a token of love and esteem for our deceased brother that these resolutions be recorded on the Minute Book of the Lodge, a copy be sent to The Smithfield Herald for publication and a copy be sent to the bereaved family.

MCLAMB'S STORE ITEMS.

The people of this section are nearly through with their crops.

A good many of the people of this section attended church at Oak Forest Sunday.

Mr. Willis E. McLamb attended church at Savannah Hill Sunday.

Mr. J. V. Barefoot filled his regular appointment at Oak Grove Sunday.

Messrs. P. B. Johnson, A. T. Ryals and Preston Woodall passed through our section Sunday on an automobile.

The picnic at Oak Grove has been changed from Saturday, July 30th, to Saturday, August 13th.

Mr. Lonnie F. McLamb and Mr. Joseph E. McLamb attended church at Calvary Sunday.

Rev. J. W. Smith preached an able and instructive sermon at Trinity Sunday.

Mr. Elijah Wood's little boy, who is about four years old, went with his uncle hunting. He got lost and came about two miles through the woods, creeks and branches. Mr. Erastus Dunn found the child in his cotton patch late the same evening and started to him, but the child was scared and ran from him. Then Mr. Dunn saw that it was lost, so he ran it down and caught the child. He did not know the child and could not find any one that knew it. So he carried the child to Mr. W. P. Parker's, then Mr. Parker phoned to Benson and sent the news to several parts of the country. Mr. J. A. Phillips came and got the child that night, but the child would not eat nor speak until just before Mr. Phillips got there.

Mr. J. R. Holley and Miss Ellen Morgan, Prof. Luther J. Kinsey and Miss Libby Adams attended church at New Zealand last Sunday.

Work 24 Hours a Day.

The busiest little thing ever made are Dr. King's New Life Pills. Every pill is a sugar-coated globule of health, that changes weakness into strength, languor into energy brain fog into mental power; curing Constipation, Headache, Chills, Dyspepsia, Malaria. 25c at Hood Bros.

Sheep raising is on the increase in New Mexico, which now ranks third among the States as a wool producer. Dry farming has become a very profitable thing there and 150,000 people live in such places.

Teething children have more or less diarrhoea, which can be controlled by giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. All that is necessary is to give the prescribed dose after each operation of the bowels more than natural and then castor oil to cleanse the system. It is safe and sure. Sold by Hood Bros.

Lord Strathcona has added one more to the already long list of his donations to public institutions by giving £10,000 for the founding of a chair of agriculture at Aberdeen University.

SUCCESSFUL MUSIC SCHOOL.

Prof. E. M. Cullom Colored at Meadow Hill, July 23rd.

On July 23, 1910, Prof. E. M. Cullom gave a vocal and instrumental entertainment at Meadow Hill school house at the close of the most successful music school ever taught in this section. A large and appreciative audience was there to hear the splendid music made by the class.

About 11 o'clock the class was called to order and after a few remarks made by Prof. Cullom the exercises opened by everybody singing that sweet old song, How Firm a Foundation. Then prayer by J. S. Lawhon, after which the morning services began in earnest. For an hour or more the audience was held spell bound by the interesting program which consisted of singing by the class, duets, solos, etc. Miss Blanche Cullom and Miss Berna Warren presided at the organs. Mr. Craven Lee was violinist.

About 12 o'clock Mr. John W. Wood was called for and after making a few remarks about other things announced that it was time for dinner, so this closed work until everybody on the ground had eaten and enjoyed a good dinner.

After every one had talked and had a good time for about two hours, we were again called back to the house, when the programme of afternoon was taken up. The most interesting feature of the programme was the singing of the very small children. It is strange to see how Prof. Cullom can train the little fellows in so short a time. He is simply master of his work. Messrs. H. M. Johnson, D. J. Wood, L. Eldridge, T. J. Mashburn and J. S. Lawhon made short talks encouraging and endorsing the good work that Prof. Cullom is doing. We have had two sessions taught by him and on last Saturday in a few minutes another contract was secured for another session next summer.

Prof. Cullom and sister, Miss Blanche, are doing more to create a thirst for music than any one we know. To know them is to like them; to be with them makes one feel better for having been in their presence. They left here for Blackman's Grove church where they opened a school Monday. It is expected that they will have a very successful school there also, this term closes August 4th. A large crowd is looked for. Those who miss it will lose a treat. They will go immediately after the close at Blackman's Grove to Antioch church, from there to Goshen in Sampson county, from there to Mill Creek in this county. This shows how eager people are for their services. We recommend them to all who want a first class instructor. May the good Lord bless them. Music hath charms.
