KEEP SWEET.

Archer, N. C.

Life Saved at Death's Door.

"I never felt so near my grave," writes W. R. Patterson, of Wellington, Tex., "as when a frightful cough and lung trouble pulled me down to 100 pounds, in spite of doctor's treatment for two years. My father, mother and two sisters died of consumption, and that I am alive to-day is due solely to Dr. King's New Discovery, which completely cured me. Now I weigh 187 pounds and have been well and strong for years." Quick, safe, sure, it's the best remedy on earth for coughs, colds, la-grippe, asthma, croup, and all throat and lung troubles. 50c and \$1.00. Trial bottle free. Guaranteed by Hood Bros.

In Memoriam.

The sweet, gentle spirit of Joshua Daniel Finlayson passed from earth, and in the sadness and grief that filled our hearts, words failed to express in any measure the full weight of our loss. At first we were mute and faith itself seemed absent, though amid it all, we felt we could only look up to God, who never makes a mistake. Never has it been my pleasure to know a character more lovely, and the death of our dear, beloved father, it seems to me, deserves more than ordinary notice. Just as Jesus, whom he loved and served, arose at early morning, so my dear father's spirit was borne up to his realm in the fresh, early hour of the day—born with a new day was the spirit life up into

Heaven. Never on earth has there ever come into my mind a sadder thought than to be throughout Eternity, separated from those whom my heart holds dear, but thanks be to God who has made it possible for us all to meet again and enjoy forever a family reunion, where there is no pain, nor death, neither sorrow nor crying; and our voices so often blended together here in song, may join forever in the glad Angelic Chorus; and we shall be able to look back and say, it did not matter if the day was long, if the night hours were full of pain, and the way was rugged and thorns often pierced the feet; it is all over now and God hath given the victory through our Lord, Jesus Christ.

In the twilight hour we miss thee, papa,
When the shadows begin to fall,
And we listen for thy footsteps
In the yard and in the hall.

Where, O where, shall we not miss thee
At every turn and every place;
Seems we think about thee ever,
And in memory see thy face.

The wintry winds may blow about us,
The stars bedeck the heavens at night,
The springtime give new birth to flowers,
And summer's suns shine just as bright.

But O, the thought that thou hast vanished,
Hushed thy voice and pale thy brow,
Gives to life a deeper meaning;
Can we bear it, tell us how?

Falls Victim to Thieves.

S. W. Bends, of Coal City, Ala., has a justifiable grievance. Two thieves stole his health for twelve years. They were a liver and kidney trouble. Then Dr. King's New Life Pills throttled them. He's well now. Unrivaled for Constipation, Malaria, Headache, Dyspepsia, 25c. at Hood Bros.

Herbert Franklin Woodard.

I will try to write of the death of little Herbert Woodard. He was the son of Mr. and Mrs. Robert Woodard. He was born July 10, 1910, and died January 24, 1911, making his stay on earth 6 months and 21 days. He was taken with pneumonia and suffered greatly through his sickness. All was done for the babe that could be by kind parents, friends, relatives and physician, but none could stay the hand of death. The little babe will be missed by its dear parents as it was a bright, loving little child. And was loved by all who knew him. But realizing that God knows best we feel that it was his will to take it home to rest with him. We know the child's sweet face will be missed but the Lord's will must be done. Dear parents, you have a hope that you will meet your babe in a meeting place where you will shed no more tears for loved ones but join with them in for-ever singing God's praise:

He took his flight one lonely night,
To moulder in the clay;
But Christ had only loaned him
For a little while to stay.

A vacant place is in their home,
Which never can be filled;
But Christ called him home to glory,
According to His will.

A FRIEND.

WRETCHED STOMACH.

Rid it of Gas, Sourness and Fermentation in Five Minutes, with Mi-o-na Stomach Tablets. Hood Bros. Sell Them and Guarantee Them.

You eat food to keep yourself alive. When you put food into a healthy stomach it is the duty of that stomach to extract from the food all of its nutritious matter. This nutritious matter is passed along to the blood, and in turn is carried to and supplies life to every part of the body. If your stomach is upset it does not extract enough nourishment to supply the wants of the body, and naturally disease develops wherever the body is weakest.

Stomach trouble or indigestion causes dizziness, biliousness, nervousness, weak eyes, sick headaches, sleeplessness, nightmare, waterbrash, belching of sour food, foul breath, constipation, and even loss of energy and memory.

For any stomach trouble, no matter how bad, Hood Bros. sell and guarantee Mi-o-na stomach tablets to give quick relief and permanent cure, or money back.

A large box costs but 50 cents at Hood Bros., and druggists everywhere. They are small and easily swallowed, and used regularly they will surely cure indigestion.

Miss Crosier Fuller has returned home after an extended visit to relatives in Zebulon.

Mrs. W. D. Hales is visiting relatives in Wendell this week.

Mr. and Mrs. Ruffin Fuller, accompanied by Miss Monnie Hales, made a flying trip to Emit Friday afternoon.

Owing to inclemency of the weather, the box party at Hales' school house was not very largely attended.

Messrs. Coy Fuller and Fred Hales made a business trip to Middlesex last Thursday.

Misses Mamie and Monnie Hales spent last Thursday with Miss Crosier Fuller.

On January 29th, the death angel visited the home of Mr. I. D. Manning and took from him his devoted wife. Mrs. Manning had been in poor health for nearly a year and all that kind physician and loving friends could do could not stay the icy hand of death. She was a consistent member and worker in Watkins' Chapel Methodist church, and a devoted wife and mother. She leaves a husband, six children and a host of relatives and friends to mourn their loss, but we feel that our loss is her eternal gain. May the good Lord, who knoweth best, comfort the bereaved ones.

For nearly forty years this great remedy has been depended upon for relief and cure in cases of chronic Indigestion, Dyspepsia, Stomach Trouble, Nervousness, Rheumatism, Catarrh, Female Troubles and Blood Poison, and it has never yet failed.

As a Tonic, Alterative, Blood Purifier or Nerveine it always gives perfect satisfaction, and in "troublesome" conditions in both men and women it is absolutely without an equal. Nervous Prostration and Insomnia yield to it readily.

Mrs. Joe Person's Remedy is scientifically compounded from strictly vegetable ingredients of great medicinal properties, and is absolutely harmless. It positively contains no opiate or narcotic of any kind, no Iodide of Potassium or other mineral—nothing that will injure in any way.

Sufferers from any of the above afflictions are urged to try this great Remedy. Do not despair because you have tried other remedies and found no relief. Do not lose hope because doctors have given you no benefit. Mrs. Joe Person's Remedy holds out to you health, and life, and happiness. If you will but accept it.

We make no extravagant claims of "quick cures," or that "one bottle will cure you." In chronic cases referred to it may take several bottles to effect a permanent cure—but this Remedy will cure you if you just give it a chance.

Write to us for testimonials from living witnesses—people who were afflicted just as you may be—people who were just as hopeless and discouraged as you are, but who are now in perfect health, and glad to tell all suffering mortals how Mrs. Joe Person's Remedy cured them. These testimonials are of recent date, and you can write to the authors for full information. But don't delay beginning treatment—start now and you will soon be cured.

In cases of external trouble, inflammation, ulceration or itching humor, our Wash should be used in connection with the Remedy.

For sale by druggists, or unopened direct on receipt of price, \$1.00 per bottle; 6 bottles for \$5.00; 1 dozen by Express prepaid for \$10.00, by
