OUR BEST WISHES FOR YOU

With the passing of the old year- with its joys and its sorrows, its good and its ill fortunes-we are moved to "strike a balance," and we find that the good has largely predominated. For this we are largely indebted to the support and encouragement of our patrons and friends.

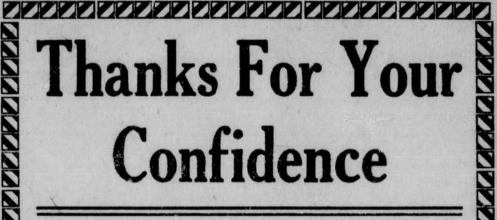

To all who have in any way contributed toward the material or moral support of our business we tender the assurance of grateful hearts.

Trusting that the coming years may hold for you much that is good and as little as possible that is evil, we shall ever remain,

Smithfield, N. C.

In reviewing the events of the past twelve months, during which time we have been the people as applicants for your material and moral support, we have been forcibly impressed with the fact that all permanent success must rest upon a basis of confidence.

That we have won your confidence we are proud to know, and for it we are grateful. For your unstinted patronage and support we can only thank you and assure you that in the years to come we will redouble our efforts to merit the same.

With the earnest hope that fortune may smile upon each and every one of you, we beg to subscribe ourselves,
