The Oldest and Largest PIANO HOUSE in The County

We have been in business for Seventeen years, and if we had not have pleased our customers we could not have met with the success we have. Don't let anybody put off a Piano or Organ on you until you see ours, and get our prices. A few reasons why we can sell you the best Piano for less money than anyone else:

FIRST---We bought a large lot before the price advanced

SECOND---We do our work ourselves

THIRD---We do not hire people to peddle the country for us

FOURTH---We buy goods in large lots and pay spot cash for them, and we always try to please our customers

Here is What a Few of Our Customers Say About Our Pianos:
