

Willie recited one stanza of the "Psalm of Life" to the delight of his proud mamma and the plaudits of the company:

"Liza Grape men allry blind,
Weaken maka Liza Blime,
Andy, Parting Lee B. Hindus,
Footbrin Johnny Sands a Time."
—Santa Barbara News.

"In the last few years great strides have been made by lamp and fixture manufacturers to put on the market

simple and inexpensive fixtures designed to be used in offices and places where light is actually wanted for the result. Eye comfort with the minimum current consumption is the goal these people are striving for."

A good New Year present this year is a subscription to the home town paper. Try it on that friend of yours who has moved away. The neighbor would like to have a subscription to a good farm paper, too.
