**Statement
By
Mr. Abdalla**

We have been asked and urged by our many customers and friends to give them a real sale that they might get goods at a reasonable price in the latest styles, patterns and quality. At their insistence I visited the northern markets for fifteen days in order to fill our store with reliable merchandise to offer them. Just rest assured that merchandise purchased at this store will come up as represented. We are not selling

out, but this sale is just put on as a money-saver for our friends and customers. Friends, the new goods are here and marked in plain figures—at a low price, so come and see for yourself.
