## TO THE FLAPPERS

Blessings on thee, little dame,  
Bareback girl with knees the same;  
With thy rolled-down silken hose  
And thy short, transparent clothes;  
With thy red lips, reddened more,  
Smear'd with lipstick from the store;  
With thy makeup on thy face  
And thy bobbed hair's jaunty grace;  
From my heart I wish thee joy,  
Glad that I was born a boy.

Fish Fry at Holt Lake

A delightful fish fry and weiner roast at Holt Lake Friday afternoon marked the close of a lively contest conducted by the Baraca class of the Baptist Sunday school here recently. About the first of April this class was divided into two teams with Mr. N. L. Perkins as captain of one and Mr. N. E. Humphrey as captain of the other in a contest for new members. The losing side was to entertain the winners at the close of the contest. Mr. Perkins' team lost and, true to the promise, this team entertained the winners. The members of the Dorcas class were invited guests and all arrived at the lake about six o'clock Friday afternoon for a fish fry and weiner roast which proved a very enjoyable occasion to every one present. Judge F. H. Brooks is teacher of this class.

About seventy-five were present on this pleasant occasion.

# The Second and Final Week of Our 60th Anniversary Celebration

Will End at 9 P. M. Saturday Night, May 23

During all of this week we shall dispense bargains to all comers, the like of which they have not seen before.

In spite of three days of rain the **Celebration** has been the biggest trade event in our history.

Word of mouth advertising is responsible for the universal response to the offerings in our **Celebration**. Word of mouth advertising is the best sort—it is the original form of advertising and all subsequent developments have only striven to equal the strong appeal of the original method.

You cannot buy that kind of advertising with money. Only by actual performance can it be secured. On the other hand word of mouth advertising cannot be avoided when ever the performance, good or bad, deserves it.

So we are ready to have you judge the wonder of innumerable bargains we offer this week by what you are told of our merchandise by your friend or neighbor who has attended the **Celebration**.

The men are just as happy over their purchases as the ladies for there are a dozen items a man will be glad about.

There are a hundred to rejoice the heart of any woman.

The stores open at 8:30 and close at 6.
