A Good Investment

During this season of the year, when crops are being harvested, and when collections are being made, there is much money in circulation which should be carefully invested.

Our Paid Up Certificates

offer a splendid opportunity for profitable, safe, tax-free investment. These certificates are issued in amounts of \$100.00 and upwards. They are secured by first mortgages on homes, carefully approved, and much under the actual value of the property pledged as security. We guarantee not less than 5 per cent interest on these certificates, check for which is sent every three months. Money invested in these certificates is not taxable, and, should you need your money for other purposes, it is quickly available.

CAN YOU BEAT IT?

These certificates have other valuable features, which make them even better than above indicated, which we will be glad to explain to you.
