Say Lud, I'm on my second mile now and goin' strong. These new Florsheims feel so fine, it's a joy to walk in them. Got the highest mileage rate for the money of any kicks I ever wore. And pipe their class. They got more admiring looks than my diamond pin. I'm not disim' the applesauce when I say I'm mighty glad I bought 'em.

AUSTIN'S
"Everything for Everybody"
WEAR FLORSHEIMS AT ALL TIMES

To Mothers!

Are your nerves strong? Does your work get on your nerves? Do your children set your nerves on edge? Do not become discouraged, relief is in sight. What you need is Dr. Pierce's Favorite Prescription, a medicine adapted to the weaknesses of women, containing no alcohol, made of herbs the Indians knew about years ago. Thousands of homes for fifty years have known the value of Doctor Pierce's medicine and many testimonials to their worth come unsolicited. Try it now! Delays are dangerous.

Overdoing?

Hurry, Worry and Overwork Bring Heavy Strain.

MODERN life throws a heavy burden on our bodily machinery. The eliminative organs, especially the kidneys, are apt to become sluggish. Retention of excess uric acid and other poisonous waste often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning perfectly is often shown by burning or scanty passage of secretions. More and more people are learning to assist their kidneys by the occasional use of Doan's Pills—a stimulant diuretic. Ask your neighbor!
