GOES TO EDENTON Marvin Sasser, formerly with Hudson-Belk company, left last Friday for Edenton where he will open up an up-to-date ladies' ready wear and millinery store. Mr. Sasser was with the Hudson-Belk company for eight years. How a girl hates to have all her friends admire the man she admires!

Economical Transportation

CHEVROLET

Bigger and Better

See the New Chevrolet now on display!

Today, Chevrolet presents the crowning triumph of sixteen years' continuous progress—a great new automobile so impressive in appearance, performance and staunchness that it marks the opening of a new era of luxurious transportation at low cost.

Built on a 107-inch wheelbase—4 inches longer than before—the Bigger and Better Chevrolet is impressively large, low and comfortable. The Fisher Bodies are finished in new Duco colors and offer rich upholstery and handsome appointments. Its improved valve-in-head engine has numerous impressive features such as alloy "invar" pistons, hydro-laminated camshaft gears, mushroom type valve tappets, AC oil filter and AC air cleaner. The chassis also has been redesigned. As a result, the new Chevrolet provides delightful smoothness throughout the entire speed range—a wide margin of power for hills—click-of-the-heel acceleration—the ability to maintain 50, 55 and 60 miles an hour without the slightest case of fopping or fatigue—the safety of four-wheel brakes—the steering ease that can only result from a ball bearing worm and gear steering mechanism—and comfort over all roads at all speeds due to semi-elliptic shock absorber springs—84% of the wheelbase.

Come in—see the car—and learn how Chevrolet has again electrified America by creating a bigger and better motor car and offering it at prices so low as to be actually amazing!

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.

Improved valve-in-head motor. New stronger frame 4' longer; wheelbase 107". Thermostat control cooling system. New alloy "invar" pistons. New instrument panel, indirectly lighted. New two-port exhaust. New ball bearing worm and gear steering. Semi-elliptic shock absorber springs; 84% of wheelbase.

Safety gasoline tank at rear. Larger balloon tires 30" x 4.50". New streamline bodies by Fisher. Aluminite pressure lubrication. New Duco colors. Theft-proof steering and ignition lock. AC oil filter. AC air cleaner. Sidelap plate dry disc clutch. New crankcase breathing system. Heavy one-piece full-crown fenders. Vacuum tank fuel supply.

Improved Delco-Remy Distributor ignition. Combination tail and stop light. Large 17" steering wheel, spark and throttle levers located at top. Fisher "VV" one-piece windshield on closed models. Automatic windshield wipers on closed models. Semi-floating rear axle. and 4-Wheel Brakes
