I took CARDUI for several months and was very much gratified with the results. I began to do my own work again, which I had not been able to do for a long time past. My color, which had been pale and sallow, became natural, and my complexion cleared up. I gained in weight and was pleased to have an improved appetite. When I finished my last bottle of CARDUI I was feeling better than I had in years. Now I am strong and well. At all drug stores. NC-184. Take CARDUI VEGETABLE TONIC
