Clear Mystery of Woman Found Lying on Highway; Two Men Arrested On Bootlegging Charge

CLAYTON, Oct. 8.—The mystery of the finding of a woman on the highway near here was cleared today.

Nellie May Johnson, found lying beside the road, went to jail Saturday with Carrie Morris and Ruth Morris and Ruth Smith as the latter two testified that she had left the automobile in which all were riding with Rupert Wall and Ray Johnson because of jealousy.

Magistrate L. T. Ross held the quintette for Recorder's court, and their trial has been set for Tuesday. Unable to give bond, they went to jail in seemingly happy spirits.

Picked Up By Men. These women said they live in Raleigh, are married and have children. They said there was liquor in the car when they were picked up in the Raleigh by Rupert Wall and Ray Johnson.

They Buy Liquor. The two women on the witness stand today said that a pint of liquor was secured from each of the two men arrested today.

The influences of liquor dulled the consciousness of the women, but they were satisfied that Nellie May Johnson had gotten out of the car of her own accord.

While the three women say they are married, their husbands did not appear at the trial today. Nor did anybody offer to give bond for them.

Some of the women claim to have children in Raleigh. They are around 20 years of age. Arrest of the party created a sensation here. The reputation of "The Bend of the River" has been

John A. Narron, Chairman of County Board Elections, Quotes Statutes Relating To Qualification of Voters

Registration books in all voting precincts in Johnston county opened on Saturday, October 6, for registration of voters from 9 a. m. Saturday, October 6, to Saturday, October 27, at sunset. In all precincts, persons duly registered for a preceding state and national election need not re-register.

In all precincts, voters who have come of age since last election, or who have moved into the precinct since the last election, or who have not registered before in the precinct, must register if they are to vote.

The registrar of every voting precinct in Johnston county is required to be at the voting place of the precinct from 9 a. m. till sunset every Saturday of this month. Voters are requested to report to the chairman of the County Board of Elections any registrar who fails to attend the voting place at any times required. At other times during the registration period, voters may register by seeing the registrar at his place of business or home.

It is lawful for the registrar to visit any person qualified to register who is too ill to go to registrar, and register such person in his home or other place.

The fact that voter is registered for a city or town election in North Carolina does not necessarily mean that he is registered for a state and national election, as in some cases different registration books are used for city and town elections.

Mr. John A. Narron, chairman of the County Board of Elections, states that the following is a verbatim copy of the Statutes relating to qualification of voters in North Carolina, Johnston county, as defined by the Legislature of this state and amended by the Legislature of 1927.

Art. 5. Qualification of Voters.

"Sec. 24 (C. S. 5936) Persons Excluded from Electoral Franchise. The following classes of persons shall not be allowed to register or vote in this state, to-wit: First, persons under twenty-one years of age; second, idiots and lunatics; third, persons who have been convicted or confessed their guilt in open court, upon indictment, of any crime the punishment of which is now, or may hereafter be, imprisonment in the State's Prison, unless such person shall have been restored to citizenship by law."

"Sec. 25 (C. S. 5937). Qualification of Electors. Subject to the exceptions contained in the preceding section, every person who has been naturalized, and who shall have resided in the State of North Carolina for one year and in the precinct, ward, or other election district in which he offers to vote, four months next preceding the election shall, if otherwise qualified as prescribed in this chapter, be a qualified elector in the precinct, ward or other election district, to vote in the same county shall not operate to deprive any person of the right to vote in the precinct, ward, or other election district from which he has removed until four months after such removal. No person who has been convicted, or who has confessed his guilt in open court upon indictment, of any crime the punishment of which now is, or may hereafter be, imprisonment in the State's Prison, shall be permitted to vote, unless the said person shall be first restored to citizenship in the manner prescribed by law."

Sec. 26 (C. S. 5937-a.) Nothing in any of the laws of North Carolina shall be construed as to prevent the registration and voting of women twenty-one years of age and having the other qualifications for registration and voting as provided for men. For the purpose of the registration and voting of women, the residence of a married woman living with her husband shall be where her husband resides.

Missions School Comes To Close At Johns Hopkins

Rev. L. Bunn Olive of China, Conducts Closing Service of Consecration; Stereopticon Lecture on China

The School of Missions at the Baptist church closed last Friday night with a stereopticon lecture on China and a consecration service of rare power conducted by Rev. L. Bunn Olive of China. A large number of photographs which he had taken in China were thrown on the screen with an eloquent lecture giving his first-hand knowledge of Chinese life and of the gospel work with which he has been connected. A large number went forward under a tender appeal to consecrate their lives to go anywhere and to do whatever Christian service God indicates as His will. The public addresses each evening during the week by Mr. Olive and by Mrs. M. L. Braun, also of China, were the leading features of the sessions. Nothing was more enjoyed than the soliloquy of Mrs. Braun, who has a remarkable control of voice.

The school of missions was considered altogether a success to an unusual degree. Classes were taught each evening by Mr. Olive and Mrs. Braun, Mrs. Stokes and Mrs. Victor Ogburn, and by Mr. and Mrs. S. L. Morgan. Four or five textbooks on Missions were covered during the week. Mr. Olive teaching a group of men in the recently organized Brotherhood "Today's Supreme Challenge to America." Attendance on the several classes was from 75 to 100 each night. Mrs. Braun, who has had during her stay in the home-land considerable experience in schools of missions, some of them in larger churches, pronounced the attendance and interest the best she has seen anywhere. Nearly all those in the class work took credit. The classes were made up of all the grades of the W. M. U., the children and young people being in the majority, though the classes of adult men and women were very gratifying. On two evenings a period was given to an informal social, with refreshments served to a large number. Those who took part feel that a distinct gain in missionary interest for the entire church is the principal net result.

It is expected that a similar school of missions will be given an annual event in the life of the local Methodist church October 14 at eleven o'clock in the morning. The public is cordially invited to attend this concert.

Sacred Concert.

Kenly, Oct. 8.—A sacred concert by the Methodist Orphanage Singing class will be given at the local Methodist church October 14 at eleven o'clock in the morning. The public is cordially invited to attend this concert.

Funeral Held at Home In Raleigh Yesterday Afternoon

Mr. Parker Suffers Double Bereavement

News was received in this city Sunday morning of the death of Miss Josephine Parker, daughter of Mr. and Mrs. V. O. Parker, of Raleigh, which occurred Saturday night in Johns Hopkins Hospital, Baltimore, where she was taken for treatment following a strange illness that baffled the physicians. About three weeks ago Miss Parker suffered what seemed to be a ruptured blood vessel in her neck, or at the base of the brain. There was no paralysis and her mind was clear, and her suffering was intense. After going to the Baltimore hospital, she underwent two operations, and she was thought to be out of danger until a very short time before her death.

Mrs. Parker was at the bedside of her daughter when the end came, and Mr. Parker who was notified of the change in his daughter's condition, left Raleigh Saturday but did not reach Baltimore before her death.

For Clayton the punting of Uzzle and the running of Ellis were the outstanding features although Jeffry's made several nice gains through the local line.

Smithfield made several costly fumbles that kept the scoring down.
