IN MEMORY OF MRS. ANNE B. THOMPSON

On Sunday morning, March 16, just as the sun was rising in the far east, the calm spirit of my dear and beloved school teacher, Mrs. Annie Belle Thompson, slipped away to that home above not made with human hands. God in his goodness saw that Mrs. Thompson had suffered enough and called her home, we believe, to a home where there will be no suffering, pain, or death, but where all is peace and happiness throughout all eternity.

Mrs. Thompson was a good and

faithful teacher. She was always ready to do all she could for her students. She would always try to give them the best entertainment that she thought would please them best. We children were always glad to see her come up to the school every morning, because she was always smiling and singing. She was glad to see us. Mrs. Thompson was not only loved by her students, but was also loved by all who knew her, and we feel that she is sweetly sleeping in the arms of her dear Saviour today.

Mrs. Thompson was a true and faithful member of the Free Will Baptist church in Micro. She was before her marriage Miss Annie Belle Holland of near Micro.

Oh, the tender love of Mrs. Thompson. What with it can we compare? Always hopeful, always helpful, Helping us our burdens bear.

In our hearts your memory lingers. Softly, tender, fond and true. There is not a day, Mrs. Thompson. That we do not think of you.

Written by her student, Blanche Wiggs.

Carroll's Oriental Cream is a skin beautifier that will not "touch up" or "spot." No "touching up" necessary as the skin retains the delightful soft, seductive beauty under all conditions.

When tongue or breath tells of acid condition, correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

"Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

Children's stomachs sour, and need an anti-acid. Keep their system sweet with Phillips Milk of Magnesia!
