

The following appears as an advertisement in the Petersburg Intelligencer:

Notice.—The Bertie Union Meeting (N. C.) convened at Conaritse Church, 18th Nov. 1826, do seriously warn the Baptist community against the base obtrusions of *John Cleaveland*, who travels about as a preacher of that denomination. We are sufficiently assured that he was married last winter in Warren county, Miss. that he left his wife with false professions, wishes now to pass as an unmarried man, and his conduct in this county has appeared at once derogatory to the character of a Christian and a chaste man. His appearance is bulky and healthy; and his manner, when attempting to preach, boisterous—his style is neither grammatical nor argumentative. By order of the meeting.

The *Nashville Bank*, (Tenn.) suspended specie payment on the 18th ultimo—preparatory, it is said, to winding up its concerns.

Philadelphia Indictments.—Between one and two hundred indictments have been found at a late District Court of the United States in Philadelphia, against individuals, some of whom have hitherto held respectable stations in society.

Melancholy Casualty.—Mr. Winslow King, a fine promising young man of about 20 years of age, a son of Samuel King, Esq. of Iredele county, left this town on Wednesday night last with a heavy loaded waggon, in company with a black man as driver. The following morning, near McDaniel's, 7 miles from town, on the Morganton road, in descending a hill, Mr. King driving, the horses took fright, ran off, and on reaching the sand at the bottom of the hill, the saddle horse fell and precipitated Mr. King directly in the track of the waggon, the wheels of which passed over his breast and put an end to his life. His remains were brought to town on Friday and interred in the burial ground.—*Fayetteville Jour.*

Steam Boat Accident.—The Steam-Boat *Henrietta*, in descending the river on the 13th instant, ran upon a snag a few miles below this place, and immediately sunk. Nothing was lost, as the water was low and the freight was cotton. The Boat has been raised and will be brought to this place for repair.—*ib.*

The late Hurricane.—The statement we published a few weeks since, of the effects of a most unprecedented Hurricane which passed through the country a few miles above this, has been copied into most of the papers throughout the Union;—some of which appear rather skeptical of its truth. We can assure such, that "the one half has not been told." We purposely omitted giving the details of the awful ravages of the storm, as they were verbally related to us by numbers who witnessed them fearing the public would view them

as bordering too much on the marvellous. We were told of a large fourhorse wagon being carried up, and torn into (perhaps) a hundred fragments—the *tire* being twisted off into half a dozen pieces; that such was the fury of the wind, it wrung geese's necks off, &c. &c. We could fill a column with details, equally marvellous as the above, which were vouched to us by gentlemen of credibility.

Hayti.—Advices from Port au Prince to the 4th Nov. mention that 1500 troops had marched from Port au Prince in consequence of a revolt at Cape Francois. Boyer was preparing an emission of copper and paper money to the amount of six millions.

The Boston Gazette publishes extracts of letters from Hayti, from respectable sources, which furnish a melancholy and deplorable picture of the political and commercial affairs of that Island.

A Jamaica paper of the 19th ult. says: "A revolution has taken place in St. Domingo, in consequence of the coercive measures resorted to for the purpose of enforcing the free laborers to cultivate the soil for their maintenance, and towards the support of the government.

Religion!—How great watchfulness they need, who desire to be real Christians!—considering what a state the world is in, may not each of them well say:

Into a world of Ruffians sent,
I walk on hostile ground;
Wild human bears on slaughter bent,
And raving wolves surround.

MARRIED,

On Thursday evening last, by David Williams, Esq. Mr. *Thomas Taylor*, to Miss *Elizabeth Edwards*, all of this county.

In Halifax county, on Tuesday evening, the 19th inst. by S. M. Nickels, Esq. Mr. *Benjamin Bryant* to Miss *Priscilla B. Young*, all of said county.

In Bertie county, on Tuesday 19th inst. Mr. *Langley Granberry* to Miss *Harriet Mills*.

In Nash county, on Tuesday evening the 12th inst. *Edmund P. Finch*, of Oxford, to Miss *Ana D. Culpepper*.

On Tuesday evening, the 19th inst. by Lawrence Battle, Esq. Mr. *Samuel Arrington* to Miss *Eliza Nicholson*, all of Nash county.

DIED,

In this county, on Thursday, 30th ult. aged 26 years, Mrs. *Temperance Alsobrook*, consort of Mr. Wm. Alsobrook. For five or six weeks previous to her decease, altho' enjoying perfect health, Mrs. A. was so firmly persuaded she would shortly die, that she had her funeral habiliments prepared; and nought could divert her attention from the melancholy reflection. She died in childhood, leaving two helpless children to the care of a disconsolate husband.—*Com'd.*

Tarborough Academy.

THE Semi-annual Examination of the Students of this Institution, commenced on Wednesday, the 20th inst. and closed on Friday, the 22d.

The Trustees were highly gratified to see so numerous and respectable an assemblage of Ladies and Gentlemen attending the Examination, thereby shewing the deep interest the Public feel in the prosperity of this School.

The Trustees have just cause to be well satisfied with the unremitting exertions of the Superintendants of the Academy, as also with the progress of the Students, since their Examination in June last. It is already known to the Patrons of this School, that no distinctions are made between the members of the several classes, at the winter Examination. This is only done at the June Examination.

The Trustees hazard nothing in saying this Academy is equal to any in North-Carolina, and recommend it to public patronage. It remains under the superintendance of the same Ladies, and Gentleman, who have contributed so much to entitle it to the public approbation.

The Exercises of this Institution will be resumed again on Monday, the 1st January next.

Clerks of the Superior Courts.

AND other Gentlemen holding Subscriptions to the *New Map of North-Carolina*, are requested to return the same by the 1st of January next. They will be so good as to present them, in the mean time, to such persons as will be likely to patronize the work, who have not had an opportunity of doing so already. The price to non-subscribers will be \$10. Very few, however, more than those subscribed for will be printed. To remove any objection that may be urged against subscribing, the Publisher wishes it to be understood, that none of the Subscribers will be held bound, if the Map is not correctly drawn, finished in the best manner, and of the best materials.

From the returns already received, the Publisher is warranted in believing, that a subscription of not less than one thousand names will be obtained in North-Carolina, among whom are, His Excellency the Governor, all the Officers of the State Government residing at the metropolis, the Members of both Houses of the Legislature, a liberal proportion of the Professional Gentlemen, a large number of that most respectable class of citizens, the Farmers, and generally the Merchants and Traders of our Towns, to whom a correct Map of the State is particularly desirable.

The Publisher takes this opportunity to acknowledge his obligations for the polite attention which has been uniformly paid to his applications for assistance in the prosecution of his work, and especially to those gentlemen who have interested themselves in procuring the surveys of the several counties. Any information calculated to benefit the work will still be thankfully received.
