Nashville Male Academy.

THE Trustees of the *Nashville Male Academy*, take pleasure in informing the Public, that they have at length succeeded in employing the Rev. Mr. JOHN ARMSTRONG, as Principal in this Institution. This gentleman produces the most satisfactory testimonials of his pre-eminent qualifications as a Gentleman, a *Divine*, and a Teacher. He is a graduate of distinction in the Columbian College, D. C. from which, besides his Diploma, he brings the most flattering testimonials of character and acquirements, from the Rev. Doctor Staughton, President of the College, and the Rev. O. B. Brown, President of the Board of Trustees—besides the highest recommendations from the Rev. E. Baptist, of Virginia, and very many other distinguished names equally satisfactory. Mr. Armstrong has taught the present year in the *Cartersville Academy*, Va.—Dr. Wharton, and Dr. James, and others of that place and vicinity, afford the most ample testimonials of his success as a Teacher. To all of which the Trustees would superadd that in an interview with Mr. Armstrong, and an examination of his credentials and method of teaching, they are abundantly satisfied, and can with pleasure and confidence recommend him to the public.

The School will go into operation on the 8th day of January next. The price of tuition will be, for *Reading, Writing, Arithmetic, &c.* \$8 00—for *English Grammar, Geography, History, &c.* \$10 00—for *Latin, Greek, French, Astronomy, Natural and Moral Philosophy, Mathematics, &c.* all the higher branches of *Arts and Sciences*, \$12 00 per session, payable in advance.

The Trustees have obtained from *Chapel-Hill* the system of studies taught there, and the course of studies in this Academy, will be precisely such as to prepare Students from this School, to enter with ease the Freshman, Sophomore, Junior, or even Senior Class of our University.

The Trustees are well aware of the inconveniences that a young man labors under who enters College, having pursued a course of studies different from that taught at the University; and they are determined to have an eye to it.

BOARD can be had in respectable families in town, at \$37 50 per session.

The character of Nashville is so well established for health, that it is deemed unnecessary to say any thing here. There are several *never failing springs* of excellent water near the Academy.

The Trustees are convinced that no Academy ever commenced under more favorable auspices. Indeed, if a distinguished Teacher, healthiness of situation, cheapness of terms, and vigilance in the Guardians of the School, can recommend it to a generous public, then we are assured that this Institution will be very liberally encouraged.

By order of the Board,
H. BLOUNT, Sec'y.

The editor of the *Washington (N.C.) Herald* is requested to insert the above advertisement once a week until 8th January next, and forward his account to Nashville.

Hyde Park Academy.
(PRIVATE.)

THE EXERCISES for young gentlemen, at Hyde Park Academy, preparatory to their admission into any of our Universities or Colleges, and even farther, if desired, will commence again on the 2d Monday in January. Desirous of conducting the Institution on principles of regularity and harmony, and with a view, no less, to the improvement of those who may be committed to my care, than to my own interest, the number of Students will be limited; and therefore, the first applicants will be received.

In the course of the Spring and Summer, it is expected that a *periodical School* for instruction in Fencing, Drawing, Music, and Painting, will be put into operation under the direction of M. De Granville, formerly a Colonel of Cavalry in service of the Emperor Napoleon. An opportunity will thus be afforded to young gentlemen, of acquiring some knowledge of those elegant accomplishments. In consequence of the heavy advance in the price of Provisions, a small additional charge will be made for Board and Tuition; but such, as not to meet with the disapprobation of those who are aware of the uncommon pressure in this part of the country. The charges however, must in every instance be paid in advance.

If diligence, promptitude, and a faithful discharge of his duties, can entitle the undersigned to a share of the public patronage, he hopes to receive it; otherwise, he does not expect it.

POSTSCRIPT.—Knowing from experience, that in the sale and survey of Lands, much injustice is frequently done, by trusting to admeasurements with the common Scale and Divider, I offer my services to the Public as a calculator of the Area of Right Lined Figures, on principles which shall be incontestably and mathematically true. Every thing necessary, will be, to obtain an experienced Surveyor to take the Field Notes, and forward them to me at Hyde Park, N. C. All errors of ignorance, oversight, or design, shall be detected; and the calculation and an elegant Plat of the Land made out, and immediately returned. The charge for my services shall be moderate, and always in proportion to the labour performed, and the value of the property.

Tarborough Academy.

THE Semi-annual Examination of the Students of this Institution, commenced on Wednesday, the 20th inst. and closed on Friday, the 22d.

The Trustees were highly gratified to see so numerous and respectable an assemblage of Ladies and Gentlemen attending the Examination, thereby shewing the deep interest the Public feel in the prosperity of this School.

The Trustees have just cause to be well satisfied with the unremitting exertions of the Superintendants of the Academy, as also with the progress of the Students, since their Examination in June last. It is already known to the Patrons of this School, that no distinctions are made between the members of the several classes, at the winter Examination. This is only done at the June Examination.

The Trustees hazard nothing in saying this Academy is equal to any in North-Carolina, and recommend it to public patronage. It remains under the superintendance of the same Ladies, and Gentleman, who have contributed so much to entitle it to the public approbation.

The Exercises of this Institution will be resumed again on Monday, the 1st January next.

ROBT JOYNER, Sec'y.

Tarboro', 23d Dec. 1826. 18-2

Shocco Female Academy.

MRS. LUCAS respectfully informs her friends and the public, that the Exercises of her School will recommence on the first Monday in February next. The Examination of her Pupils, which closed on the 17th of November, afforded satisfactory evidence to all present, of the progress they had made.

During the present year an Academy has been built, which will enable her to board a greater number of Students, than hitherto, who will have the advantage of her constant attention. The retired and pleasant situation of the Shocco Seminary, its salubrious air and good water, and the facility which it presents to Parents for communication with their children, (being near the Stage road) offers inducements and advantages of which few places can boast.

Mrs. LUCAS stands pledged by her former success and the approbation of friends, to devote herself assiduously to the instruction and morals of her pupils. Having associated with her, an able Female Assistant, the following branches of useful Education will be attended to, viz: Spelling, Reading, Writing, Arithmetic, Grammar, Geography, Astronomy, Philosophy, Rhetoric, Chemistry, Logic, History, Mythology, and Botany.
