

Colonization Society.—The design of this Institution seems to be gaining rapidly and extensively, the favorable opinion of our countrymen: an act making an annual appropriation of \$1000, to aid the Society has, we have seen, passed both houses of the Legislature of Maryland. In the Senate of Pennsylvania on Friday week, a bill was reported making an appropriation of \$2000, for the same purpose, but we are not yet informed of its fate. A public meeting has lately been called in Lexington, Ky. to organize a Society, auxiliary to the parent Institution. We have observed, also, with pleasure, an account of the annual meeting of the Berkeley county Auxiliary Colonization Society, held at Martinburg, Va. on the 22d Feb. at which Dr. Thos. Davis delivered a very able and interesting address. There is reason to hope that the great and benevolent cause of this Society will shortly receive the countenance of the whole American people, in their individual capacities, at least. What sanction it may be expedient for this Society to ask of the Government of the United States or for the Government to give, is a separate question upon which public opinion is likely to be more divided, and respecting which, we believe, even the patrons of the Colony are not of unanimous opinion.—*Nat. Int.*

Newspapers.—A weekly newspaper has recently been established in the city of New-York, under the title of "*Freedom's Journal*," which is intended for "People of Color." The Editors and Proprietors are the Messrs. Cornish & Russworm, persons of respectable character, and competent talents for the undertaking. Their paper is handsomely printed, the materials well selected, and their editorial remarks sensible and judicious.

Seduction.—A case of seduction was lately tried in the Court of Common Pleas of New-York, in which Miss Wilhelmina Cooper recovered a verdict for the sum of \$600, against her betrayer, Master Gulian Rutan, *an infant*.

[The young lady was the only witness in this case. The Counsel for defendant in summing up, stated that she was the most candid witness he had ever seen, and was certainly entitled to more praise from her candor in testifying, than for her discretion of conduct. The facts appeared to be these: the *infant* was and is still an apprentice, and is penniless; he visited the young lady from September 1825, to March following—she came from the country, was learning a trade, and boarded with her brother-in-law—she occupied a room and bed-room—defendant's addresses were paid in the evening, and continued until toward morning, as late as 12 and 1 o'clock and after—other young gentlemen visited her during the same period, and when he did not—she had a female child in August last, and is nineteen years of age. The Counsel for Plaintiff "trusted the jury would find such a verdict as would make it for the interest of the defendant to come

forward and marry this female, and so far retrieve her character."]

Louisiana.—The complimentary resolution from the Senate, inviting Gen. Jackson in the name of the Legislature to grace the celebration of the 8th January next, in the City of New-Orleans, has excited considerable interest in the H. of R. It was treated as a political test-question; the friends of the Administration were called upon in the papers to defeat it, accordingly both sides rallied in great numbers. A proposition of Mr. Morris to extend the invitation to some of the other General Officers who served with Jackson in the campaign, and thus to fritter away the force of the compliment, was rejected by a large majority. And the original resolution was carried by a majority of two to one, viz: 23 to 14. We are informed by a letter of the 12th ult. from a gentleman of excellent opportunities to obtain information, that there is little doubt of Louisiana's going for Jackson.—*Rich. Enq.*

Illinois.—The Legislature of Illinois has passed a resolution, by a vote of 19 to 11, recommending Andrew Jackson as the successor of John Quincy Adams. And, as Illinois now has a general ticket law, the whole State at the next election, will ratify and confirm the resolution of the Legislature.

Vermont.—At a recent election by the legislature of Vermont, Mr. Seymore was a candidate for re-election to the National Senate, and Mr. Van Ness was a candidate for election. The Vermont Sentinel of the 16th inst. contains an address of four columns on the subject to the public, by Mr. Van Ness, in which he accuses the administration of using influence against his election, and declares his determination to support Gen. Jackson against Mr. Adams. The following is an extract.

"It is certainly true, that I have heretofore been in favor of Mr. Adams, and that I am now opposed to his re-election. This change has been produced by a full conviction of the interference of the administration, in various ways, in the late Senatorial election in this State."

Religious Notice.

To the Members of the Methodist Episcopal Church in N. Carolina:

WHEREAS our Itinerant Preachers, having assumed to themselves the exclusive privilege of making rules for the government of our Church, and in the exercise of that authority, have in various instances, encroached upon our religious and civil rights; and have (by their general conduct) evinced to us, the necessity of a general representation of the Local Preachers and Lay-members of our Church as a security for those rights—some of us, actuated by the purest principles, have formed ourselves into Union Societies and passed resolutions; among which are the following, passed at Whitaker's Chapel, in Halifax county, March 3d, 1827—viz:

Resolved, 1st, That in the estimation of this Society, the friends of Reformation in the Methodist Episcopal Church in this State, ought to be represented at the Convention to be held in Baltimore, on the 15th of November, 1827.

2nd, That the members of our Church in this State favorable to Reform, be requested to meet at some convenient place in each County, on the second Monday in June next, and elect two Delegates for each County, to meet at Bradford's Chapel, in Halifax County, on the second Monday in September, for the purpose of choosing Delegates for the General Convention to be held in Baltimore as aforesaid.

3rd, That these resolutions be signed by the President and Secretary of this Society, and that they be published in the Mutual Rights in Baltimore, the Tarborough Free Press, and Raleigh Star—and in the two last, six weeks successively.

JAMES HUNTER, Pres. pro tem.
WM. E. BELLAMY, Sec'y.

The Raleigh Star will insert the above for six weeks, and forward the account to this Office.

AT a Regular Communication of Joseph Warren Lodge, held at the Lodge Room in the town of Stantonsburg, on the 7th instant, the following resolutions were unanimously adopted:

Resolved, That the members of this Society feel deep regret at the death of Brother BENJAMIN B. HUNTER, a member of Morning Star Lodge, whereby society has been deprived of a useful citizen, and the Fraternity of a Brother of great literary acquirements and Masonic zeal.

Resolved, That as a testimonial of respect which the members of this Lodge entertain for the memory of the deceased, they will wear the usual Masonic mourning for the space of thirty days—and that we will attend his funeral on the 14th instant.
