Signed by 31 Sheriffs of Ky.

[In Greenup county, where Metcalfe had a majority of 150 votes, "the Jackson party carried their senator and members of the Legislature, and Mr. Dunlap, the sheriff of that county who held the election, says, that he has a list of 113 decided Jackson men who voted for Metcalfe, but supported the balance of the Jackson ticket."]

Tarborough,

FRIDAY, SEPTEMBER 12, 1828.

(COMMUNICATED.)

Rev. Wm. Bellamy, Nash Co.

Mr. BELLAMY, Sir,

The General Conference of May last Resolved, that on certain conditions, those Reformers who have been expelled the Church, should be restored to their former standing. Which implies that if these conditions are not complied with, they shall not be restored. The plain inference is, that those who have not been expelled, and who are guilty of the same things, must either comply with these conditions or expect to share the same fate. Since therefore the 4th volume of the "Mutual Rights" is now completed, I take the liberty of informing you, that I conceive that the General Conference has made it my duty, to request you to dissolve the "Union Society," of which you are a member, so far as you are concerned, and to cease to patronise the "Mutual Rights." Also, you are hereby notified that if you will not comply with these conditions, that you may prepare for trial before a Committee; as also, for having "inveighed against the Government of the Church," and for expressions that you have indulged. The time of the trial you will be informed of hereafter.

Respectfully yours,

WM. COMPTON.

August 14, 1828.

Rev. Wm. Bellamy, Nash County, N.C.

Mr. BELLAMY,—you are hereby notified that the Committee on your case will meet at Shady Grove M. House on Saturday, October the 4th, before whom you are requested to appear for trial, if you think proper.

WM. COMPTON, Assistant Preacher in Roanoke Circuit, August 30, 1828.

"Get thee behind me, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve." Luke iv. 8.

WM. BELLAMY, Elder in the Methodist Episcopal Church.

A SMALL Mistake.—The Sheriff and Clerk of Calloway county, Kentucky, have both certified that an "unintentional" error occurred in the returns of the recent election in that county. Mr. Barry received 518 votes instead of 418—consequently Metcalfe's majority is reduced to 609 votes, and the total Jackson majority increased to 478.

The Burr Conspiracy.—We have not copied any of the numerous articles which have recently appeared in the Administration papers, endeavoring to connect Gen. Jackson with the contemplated projects of Aaron Burr. We cannot refrain, however, from giving the following from the last Richmond Enquirer, which in our opinion satisfactorily explains all that has been said or written upon this subject:

The following certificate from Willis Alston, Esq. who was in 1806-7, a member of Congress from North-Carolina, presents a

new fact in this transaction, to clear Gen. Jackson of all treasonable connexion, &c.

"I hereby certify, that in a conversation with Mr. Jefferson, then President of the U. States, respecting the movement of Colonel Burr in the West, I observed that the rumor of the day was, that Gen. Andrew Jackson had joined Burr. Not so, or, not true, said Mr. Jefferson, for I this day received a letter from him (General Jackson,) informing me that he had seen Burr, and that Burr said his enterprise was sanctioned by the government, and he, Jackson, had been tendered a high command by Burr, and asked of Mr. Jefferson the views of the government, tendering his services, if wanted, to make a descent upon Mexico, as stated by Burr; but if Burr was not authorised by the government to carry on his enterprise as stated, then he, Jackson, was ready to arrest him.

"WILLIS ALSTON.

"Chamber of the H. of Representatives, Feb. 11, 1823.

In confirmation of the above, we give the following extract from President Jefferson's instructions to Gen. Wilkinson to arrest Col. Burr, dated Jan. 3, 1807:

"If every thing from that place (Louisville) be successfully arrested, there is nothing from below that is to be feared. Be assured that Tennessee and particularly Gen. Jackson are faithful."

Signs of the Times.—The publication of the Milton (N. C.) Gazette has been discontinued for want of patronage.

Counterfeits.—We caution the public against receiving Ten Dollars United States notes, payable at the branch at Mobile; we have seen several of them in the course of the last week, that are counterfeit—they are tolerably well executed, the paper is rather coarse and white, a part of the engraving is not well executed, they are not endorsed.—Greensboro' P.

Counterfeiters.—A gang of counterfeiters was broken up at Jamestown, Guilford county, week before last; and most of those believed to be concerned, were bound over to court. There was found on them a quantity of counterfeit United States \$10 bills, made payable at the branch in Mobile, to C. Houston, or order, but (unlike the genuine bills) not endorsed on the back by him. It is believed some of these spurious bills are in circulation, and the public would do well to be on their guard against taking them. The man whose house these rogues made their head-quarters, was also apprehended, on suspicion of conniving at their villany.

Two men were lately apprehended in this county, for passing counterfeit Virginia \$5 bills, and brought to the jail in this place, to await their trial at October Superior Court.—Salisbury Car.

From England.—Liverpool papers to the 22d July have been received at New-York. The extracts given are not very interesting. Markets remained steady. Parliament was to be prorogued on the 25th—it was expected that nothing would be done in regard

to the new Customs bill. The Russians are progressing slowly towards Constantinople, without much resistance.
