April, 1829.

Shocco Springs, WARREN COUNTY, NORTH-CAROLINA.

ON the first day of June next, the houses at Shocco Springs, nine miles South of Warrenton and three miles from the Northern and Southern main Stage roads, will be opened for the reception of Visitors. The great advantages of this watering place in most cases of disease and debility, have been so often tested by those who have attended it, that to such, it is only necessary to say, that all the buildings are in excellent repair and condition. The accommodations, in every respect, shall be such as my best efforts can effect, for comfort and convenience to all who may visit the place. To those who have not visited Shocco, it may be necessary to say, that the buildings are sufficiently numerous, and conveniently arranged for the accommodation of a large assemblage. The private apartments will afford ample retirement to those who prefer it, and the public Halls are abundantly spacious to receive all who may desire company, and where music and dancing can be enjoyed by such as delight in it.

An arrangement will be made to have divine worship performed at the Spring on the Sabbath day, where such visitors as may choose, can attend preaching without inconvenience.

In addition to the valuable medicinal qualities of the Shocco waters, it is located in a most healthy part of the county, surrounded by a polished society, where the invalid can be restored to health, in an agreeable circle.

My terms for board, &c. will be the same as last year, viz: \$1 per day for each grown person; \$22 50 per month, or \$6 per week...Children and servants *half price*. For horses, \$15 per month, or 60 cents per day.
