COTTON GINS,

Packing Screws, Horse Mills, Chain Bands and Still Repairing.

THE Subscriber begs leave to inform the citizens of this and the adjacent counties, that he is now building between 15 and 20

Cotton Gins,

Of good materials, part of which will be steel saws and the ribs or bars faced with steel—the large Gins will be double framed, two seed boards bearing in the middle, and double cushioned, to answer the purpose of two 40 saw Gins.

Packing Screws,

Of the usual size, and larger than any now in use in the State, and no doubt superior—they will be made in an engine erected for that purpose, which cannot fail to cut the screws more accurately than those which are made by hand or other ordinary means—the thread will be a square or v, or any other to please the purchaser.

Horse Mills,

Will be built at a short notice, on the improved perpendicular plan, or any other desired by the purchaser—the perpendicular Mill may, by removing the Gin, occupy the same place and be propelled by the same gear.

Chain Bands and Wheels,

Of a superior quality, will be furnished those who desire them, which are extremely well calculated for the propelling of both Gins and Mills.

Stills Repaired,

In the best manner—Still Worms and Crane Necks made of a superior composition.

Persons desiring any of the above mentioned articles, either made or repaired, can be supplied low for Cash or on a short credit, by making an early application to the Subscriber, who will gratefully receive and promptly attend to them. **JOHN WILSON.**

The great advantages of this Watering Place in many cases of Dyspepsia, other diseases and debility, having been tested by those who have attended them, to such, it is only necessary to say, that all the Buildings are in excellent repair and condition. The accommodation, in every respect, shall be such as my best efforts can effect, for comfort and convenience to all who may visit the place. To those who have not visited Shocco, it may be necessary to say, that the buildings are sufficiently numerous and conveniently arranged for the accommodation of a large assemblage. In addition to the valuable Medical qualities of the Shocco waters, they are located in a most healthy part of the country, surrounded by a polished society, where the invalid can be restored to health, in an agreeable circle.
