The above comprises the returns, official and unofficial, from thirty-seven counties—27 remain to be heard from. No doubt can possibly exist of the Jackson and Van Buren ticket succeeding by an overwhelming majority—one-half or more of the qualified voters it seems, did not attend the polls.

The returns from Maine, New Hampshire, New York, New Jersey, Pennsylvania and Ohio, although incomplete, conclusively show that Jackson will receive the votes of all these States, and be re-elected by an increased and unprecedented majority.

The Legislature of this State convened at Raleigh yesterday. We will probably be enabled to give in our next paper, the preparatory business of the session.

### Newbern, Nov. 12.

**The Newbern Market.**—Cotton sold in this market on Saturday last, at 11 cents—Turpentine, \$1 90—and Tar, \$1 per barrel. The commencement of a number of new stores, and the consequent competition in business, have produced a favorable effect on our market, and now that Gen. Jackson is re-elected, we may reasonably expect to witness a steady improvement in all our concerns.—*Sent.*

### Fayetteville, Nov. 15.

**Cotton.**—We are happy to have it in our power to inform our country friends, that Cotton has been selling in this market for the last two or three days at \$11, to \$11 20, and is now in brisk demand at the above quoted prices.—*Jour.*

**The Cholera.**—We regret to learn that 40 cases of Cholera have occurred in Charleston and 16 deaths.—*ib.*

**Charles Carroll is no more!**—The Baltimore Patriot, of the 14th, announces the death that morning, at his residence in that city, of the venerable Charles Carroll of Carrollton, the last of the signers of the Declaration of Independence, in the 96th year of his age.

**Superior Court.**—At the Fall Term of the Superior Court for Rutherford county, Peggy Dalton was tried for shooting and murdering her husband. The

cause was taken up on Friday morning, and committed to the jury about 9 o'clock at night. The jury were out until about 7 o'clock on Saturday morning, when they returned a verdict of *Guilty*. The prisoner's counsel, however, asked a new trial, which was granted.

### MARRIED,

In this county, a few days since, Mr. Asa Edmondson to Miss Nancy Porter, daughter of Moody Porter, dec'd.

## SYLVESTER'S,

No. 130 Broadway,  
NEW YORK.

AS *Mammoth* Schemes are decided favorites with SYLVESTER'S Patrons—the "ever and all lucky," takes this early opportunity of announcing that on the 12th of December next another **SPLENDID AFFAIR** will be drawn—the Capitals consisting of

**\$40,000,**  
\$10,000, \$5,000, \$3,160, 20 of \$1,000,  
20 of \$500, 40 of \$300.

Lowest Prize \$12—Tickets \$10—shares in proportion.

The "ever and all lucky" Sylvester need not remind his Southern friends that more prizes are sold at his Office than at any other vender's in the United States. Within the last few months, he has sold to different Patrons, 2 prizes of \$30,000, 2 of \$20,000, 4 of \$10,000, and innumerable others of lesser note.

The *Mammoth* now advertised offers a very favorable opportunity for buying by the package—**BUT LITTLE CAN BE LOST—A FORTUNE MAY BE GAINED**—and Sylvester will allow a discount of 10 per cent. when a package or quantity is taken—a more liberal deduction than can be obtained elsewhere.

All orders addressed to S. J. SYLVESTER, 130 Broadway, New York, are sure to meet with prompt attention.

The *Reporter, Counterfeit Detector, &c.* is published as usual, every Wednesday evening, and is given or sent GRATIS to all who deal with Sylvester.

A Lottery will be drawn in New York every Wednesday, until the 8th December. November, 1832. 13-3

### LAND FOR SALE.

THE Tract of Land commonly called the *Lamon Tract*, lying on the south side of Tar River, in NASH COUNTY, extending from the river to the road at the half-way distance from Tarborough to Raleigh, and also lies on the stage road from Nashville to Raleigh, which situation would be a suitable one for a Tavern and Store. The tract contains by estimation,

**One thousand and eighty-two Acres,** Over half of which is considered very good, and all of it is well timbered, there being but a small portion of it opened. The land adjoins the lands of Marmaduke Ricks and the heirs of Richard Dozier, and is within two or three miles of a good grist and saw mill. A satisfactory title can be given, and accommodating terms will be made for the purchaser.

Any person wishing to examine the land with a view to purchase, are referred to James S. Battle, of Nashville—Jesse Battle, of Nash county, or to the Subscriber, in Edgecombe county, as Agent for the owner.

### Stony Hill Academy.

THIS Institution is located in a high and healthy country, remote from scenes of vice and immorality, in a neighborhood of excellent citizens, with good and convenient buildings, with all inducements to a youth desirous of study, one and a half miles from Mr. H. Sims's, and nine miles from Mr. W. Burt's, in Nash. TERMS, for board and tuition, \$40 per session of five months. The present session closes 22d November and recommences 7th January, 1833. In presenting this notice, the Subscriber acknowledges his gratefulness for the encouragement he has received and begs a continuance of patronage, with a pledge of diligence on his part in advancing his pupils in science as well as exerting himself in striving to imbue their minds with the excellencies of virtue and morality. An experience of five years has taught me to know the advantages resulting from daily infusing in the minds, some moral precept and inculcating the idea, that nothing tends more to make men worthy and excellent in after life, than a close application to study whilst young and the daily practice of virtue. Being a parent myself and the instructor of my own sons, I know the solicitude felt by others for their children, and under these considerations, I promise to act a parent's part. I am apprized of the fact, (that evil communications corrupt good manners,) and fully sensible am I, that all parents when they commit their sons to another, they do it with fear and trembling, lest his minds or morals may be injured by a connexion with idle or profligate youths, who may decoy him from the paths of virtue and lead him to the tipling shop or the card table, from whence he returns with infamy and disgrace—Under these circumstances I know the importance of youths being placed with their instructor where they can be nurtured under a parental eye. In consequence of my affection for my children & believing that all parents have a like affection for theirs, I have determined not to receive any who are too lazy to apply themselves to study, and too profligate and abandoned to submit to a discipline founded in love—such may avoid the mortification of a dismission by remaining where they are. I want youths who can honor themselves as students and myself as their preceptor. To such I am devoted and such I promise to prepare for our University, and instruct others in all the branches that are usually taught in Academies. Persons who intrust their children or wards to my care may expect to be promptly informed of the general conduct and progress of the same. Letters to Ransom's Bridge, P. O. N. C.
