PROPOSALS,

For publishing WEEKLY in the City of Raleigh an Agricultural Newspaper, under the name and style of the

Farmer's and Planter's Half Sheet.

Our motto is, "Agriculture is the great art which every proprietor of land ought to practise; every statesman to patronise, and every individual of the human family to consider as the chief employment of his species." Dr. Johnson.

THIS Agricultural paper, will be modelled after one conducted in France with eminent success, by the Count Lasteyrie, (Lafayette's son-in-law) and another in England by an association of gentlemen, styled "The Farmer's Weekly Visitor." They are both Half Sheets. The object of so curtailing the dimensions, is to prevent that ennui and fatigue, always produced by too great a bulk of intellectual matter. We will not say a word in regard to the great necessity of improving our agriculture, that is admitted; but it is of great importance, that improvements now confined to particular neighborhoods, should be more generally known, and we propose, as it were through a speaking trumpet, to proclaim them through all the land. In addition we hope to publish a paper into the columns of which, the agricultural citizen, heated and vexed in the dust and whirlwind of the great high road of "general politics," may turn as to a parterre, gay with flowers and adorned with refreshing fountains. Not one word of politics shall enter the columns of our EXCLUSIVELY AGRICULTURAL Journal.

There are a few other papers of an Agricultural type, published in the United States, but they are too local in their nature and do not sufficiently discuss those "matters and things," which appertain to our farming and planting interests. The Editor himself, has been a practical cultivator of all the staples of the South, and he has the promised co-operation of many of the most wealthy and extensive Planters and Farmers of the South. From them he will receive communications of great value, detailing the "modus operandi" of their management.

The "Half Sheet" will be issued as soon as a specified number of subscribers are obtained. Postmasters and others to whom subscription lists are, and will be sent, will be allowed the usual commissions upon collections.

The terms of the "Half Sheet" will be ONE DOLLAR ALWAYS in advance.

The Editor at present resides in an adjacent State, but will be in Raleigh about the first of January proximo. OLIVER RICHARDS.

GASH OR COTTON.

IN order that I may pay my creditors, as well as to receive pay from my debtors, I will now give fair notice, that all persons indebted to me either by note or account, will please to make settlement by the 1st of January next. Baled or seeded Cotton will be taken in payment at the cash prices until that time, after which nothing will be received but cash, and it must come as soon as a legal process will bring it. And I hope those who will not avail themselves of this notice, will not attach any blame to me for the consequences, as a hint to the wise is enough.
