

guns of the fort, from which they were greeted with a salute in the shape of two bomb shells, which killed fourteen, and dispersed the remainder."

From Jamaica.—By our papers to August 5th, we learn that the act of Apprenticeship went into effect August 1st, without the least commotion. It was passed off as a holiday and the negroes seemed to enjoy themselves much.

From Trinidad.—The schooner Joshua Breerwood, from Trinidad brings dates to August 8th, stating the restoration of quiet among the slave population throughout the island, with the exception of a few gangs on certain estates who are still absent.

Letters received at Trinidad from Colombia, state that the town of Santa Martha (province of Terra Firma) has been totally sunk by an earthquake.

Latest from the West Indies.—By private advices from Barbadoes to Aug. 20th, we learn, to quote the letter of our correspondent, that "there have been serious disturbances in Demarara, Trinidad, and, I may say, in every other island. G—arrived yesterday; and when he left, on the 14th, the negroes on the west coast were almost in a state of open rebellion, inasmuch that the Governor had been obliged to go down with a grenadier company of 60 men."

NASH COUNTY.
Superior Court of Law, Fall Term, 1834.

The Grand Jurors for the County aforesaid, having finished the business for which they were assembled, before returning to their respective homes, beg leave respectfully to express their entire confidence in the integrity, patriotism and wisdom of the present distinguished Chief Magistrate of the Nation, **ANDREW JACKSON.**—That they decidedly approve his Administration of the General Government, particularly, his having checked the pernicious and unjust system of extravagant and extensive appropriations of public money for purposes of Internal Improvements—his opposition to the U. States Bank, and his removal of the Government Deposites from said Bank.

The Dragoons.—Extract from a letter written by a captain of Dragoons to his friend in Philadelphia, dated Fort Gibson, 4th August, 1834.

"I have recently returned to this place after a very long, fatiguing and perilous march with my company to and from the boundary line between this country and the Republic of Mexico. It was not the trip I contemplated when I last wrote you, but one on which I was very unexpectedly sent with my company only, the duty consisted in escorting the caravan of traders from the frontiers of Missouri to the extreme boundary of our country on their journey to Santa Fe, in Mexico. I have not time to state all our privations, fatigues &c. in detail—I will therefore simply say that we met the two dreaded enemies of the traders, the Camanches and the Pawnee Mahaws. With the first we were on the very eve of a fight, both parties having formed the line, and the word of command "charge," being on my very tongue's end, when the Indians fired their guns in the air, some dismounted from their horses, and others threw their bows and arrows on the ground; while they begged for peace, and assured us of their friendship. This was while we were with the traders who had about 100 wagons of merchandize along. Af-

ter we had parted with the caravan and were returning, we met the Pawnees. We had prepared for battle. But the Indians ran up and offered their hands—we had a council, and smoked the pipe of peace with them. Subsequently we met the Kansas, and the little Osages, whom we knew to be friendly, for we had with us one of the latter tribe as a guide. In their company we marched several days, our encampments at night not being more than 400 yards apart. We were absent 63 days, our last flour having been issued the day before we got here; sugar had given out long before. Our horses on reaching here were quite broke down. The rest of our regiment is absent in a different direction, on very hard service. So you will perceive that we 'bold dragoons' have not an easy time of it."

The Cotton Crop.—But a short time since, and from every section of the country, the most cheering accounts reached us in relation to the cotton crops. Within the last two or three weeks, however, things to the South of us, have assumed a different aspect: Alabama in particular, (we learn from private letters) is suffering severely from various causes. An unprecedented drought in some parts, and the worm and caterpillar in others, are making, and have already made, an almost total destruction.

In our own neighborhood, we are happy to state, that in very few instances have such misfortunes befallen us, on the contrary, the crops are generally good.

RAN AWAY from the Subscriber, about four weeks ago, a mulatto fellow by the name of
MILES,
He is tolerable well built, full round face, when interrogated generally frowns and looks down—his father belongs to Major Whitmel K. Bullock, and he has some relation at Charles Wilkinson, Esq's. He is about 21 or 22 years old. It is probable he may attempt to pass as a free fellow, being quite intelligent. I will give the above reward to any person who will deliver him to me, or secure him in jail so that I can get him again, and pay all reasonable expenses.

NEW STORE
IN HALIFAX.

William H. Wills,
HAVING retired from the situation which he has occupied for a few years past, has determined on locating himself

In the Town of Halifax,
Where he has made arrangements for entering into the Mercantile business, and for this purpose has obtained the house formerly occupied by Mr. A. A. B. Stith, on the square of Messrs. Ferralls, and the first house on Main street, together with the House adjoining. His Store will be opened early the ensuing Fall with

A General and well selected Stock of GOODS.

If several years acquaintance with the business in one of the most extensive mercantile houses in the State could ensure his success, he feels confident he should meet it, but he is perfectly aware that nothing but attention to the concern will obtain the patronage of the public, and this attention he is determined to render. He hopes therefore that all persons who may favor him with all or any part of their custom, will never become dissatisfied or disappointed. He expects to make arrangements so that all Commission Business may be done by him with facility.

A further communication will be given to the public immediately upon his return from the North, whether he is upon the eve of going to purchase Goods.

VALUABLE LAND & MILLS, FOR SALE.

HAVING determined to remove to the West, I offer for sale all my Lands in the

COUNTY OF NASH, (viz:)
THE TRACT whereon I now live, lying on the north side of Swift Creek, and within one and a half miles of Hilliardston, immediately on the road from Mearns's meeting house to Warrenton. This Tract contains

900 or 1,000 ACRES,
And is not inferior to any in this neighborhood, in point of quality of land and improvements, it having thereon a very commodious **DWELLING HOUSE**, 62 feet long, 32 feet wide, with 5 rooms below and a passage running across the house 10 feet wide, and two pair of stairs—the inside work of a part of this house is inferior to none in this section—4 chimneys, with an excellent cellar, 32 by 18, the balance of the house is closely bricked underneath, with all other necessary out houses, amongst which is an excellent **KITCHEN**, 28 by 18, built of brick, with 2 chimneys. There is attached to the dwelling an excellent well of pure water, with 20 steps of the door, and never failing spring within 150 yards of the house. As to the soil I believe this is one of the most healthy elements in this county.

In addition to the improvements already named, there is attached to the plantation,
A never-failing MILL,
On Swift Creek, within 1/2 of a mile of the dwelling house, with 3 pair of runners, bolting cloths, cotton Gin, all in good order and nearly new, with an excellent constant custom.

As I presume no person will purchase without viewing the premises, I deem it unnecessary to mention all the advantages attending this desirable situation. It will be sold in a body, or may be divided so as to suit purchasers. Persons living in a sickly country would do well to purchase this place.
I ALSO OFFER FOR SALE,
That valuable Tract of LAND,
Lying on Peachtree Creek, 1 1/2 miles from Nashville, (Nash county.) This Tract contains
504 ACRES,
And is inferior to none in that neighborhood for farming. It has thereon a small framed **Dwelling House**, **Cribs**, **negro houses**, &c with an excellent **Saw and Grist MILL**, and bolting cloths. This place is well watered and healthy. Persons wishing to purchase will please view the premises.
