The North Carolina Elections.

[From the New York Herald.] North Carolina has always claimed to be a Democratic State, and no one is surprised that she has proved it. John D Barnes, The Republican party carried the Wells Daws. State in 1872 only by those extreme and exceptional exertions which are made in Presidential elections. The heavy pressure of the administration am well acquainted with the greater part of having been withdrawn North Caro-the persons whose names are subscribed to the foregoing letter addressed to Messrs lina takes her place among the Con- Culver Bros., and know them to be persons servative States of the South, and is of integrity and respectability.

Witness my hand this 12th day of August party becomes much worse than it 1874. for it, these three men to day stand was in 1872, which is impossible, or, much better, which is improbable. The administration cannot coerce this State again, and it is not likely it can pursuade it; for the victory of the Democracy is decisive. A majority much larger than any one had reason to expect, a Democratic Legislature and seven Democratic Represenatives out of the eight which Collector of Customs at Petesburg, North Carolina sends to Congress, are friends at low prices. facts which should make it impossible to change her political complexion in the next two years. The victors have the situation in their control. They can intrench themselves impregnably if they will only practice honesty and economy, and enforce in 100 Bbls. Flotir. the Government those principles of reform which have almost disappeared from public affairs in the South. Victoria C Woodhull and Jennie This is what the Conservatives must urday. What has Europe done to be use their opportunity. They would strive to make North Carolina everything which South Carolina is not-

The Democratic party at large must not, however, assume too much from this victory. It has not made any new conquests, but has simply recovered its own. The great Republican States of the South, with their enormous negro majorities, renessee-that the civil rights bill is weakening the Republican party in A mcb of white men and negroes the South and that the attempts of ern voters with a new and energetic esting to watch the effect of these Democratic success upon the the third term question, and to see if they may not suggest to the South the inquiry
