DEMOCRATIC STATE TICKET.

FOR CONGRESSMAN-AT LARGE : RISDEN TYLER BENNETT, of Anson.

FOR SUPREME COURT JUDGE : THOMAS RUFFIN, of Orange. TOR SOLICITOR-4TH DISTRICT : JAMES D. McIVER, of Moore.

FOR SUPERIOR COURT JUDGES : 1st District.-JAMES E. SHEPHERD. 2d District.-FREDERICK PHILLIPS. 2d District. - ALLMAND A. McKOY. 4th District, -JAMES E. MacRAE. 5th District .- JOHN A. GILMER. MA District .- WILLIAM M. SHIPT.

Election Tuesday, November 7, 1882.

MRS. LINCOLN, widow of the late President Lincoln, died in Springfield, Illinois, on Sunday night last.

the euphonious title a contemporary ing on by France to join in a common was performed by one, Jack Bryant, gives the Republican editor of the action; and, if it had taken place, it Charlotte Observer.

candidate for Solicitor, and Frank I. Osborne who is the candidate in the eminent an authority on Egyptian action of the law. No effort should we believe it is, then some of our ex- contrasting his absolute confidence in his heinous crime. Will we never changes have the names wrong.

POOR EGYPT.

The war in Egypt continues. The taken that ancient city. Before it was captured, the native Arab population, who were in sympathy with whom it requires a great stretch of the rebellious Arabi Bey, set fire to | imagination to picture as an enlightand destroyed most of it, also murdering the European inhabitants. especially English and French.

be stated in a very few words. Eng land had a mortgage on Egypt, like coupons be paid, and the traffic on the Canal be not interferred with, she had Turkey, and was running that there is no call for intervention of Government through the Kedive, any kind. But does the present state who was a Turk, and a suppliant tool of Egypt, whence Europeans are esof hers. A large proportion of the is afraid to return to his capital, and Egyptians are Arabs, and when Arabi where the populance is clamoring for Bey, one of the ministers of State and bread at the doors of a haughty an Arab, led a revolt, he enlisted the mutineer, warrant the belief that sympathies of nearly the whole of the Egyptian people. This revolt was | doubt and exposed to no danger ! It detrimental to the interests of Eng- would be interesting to know what land, and finding that the Kedive was Arabi's real opinion is. He certainly powerless to control this "rebel" regrets the panic, which is the ruin powerful argument of the mailed beavy responsibility. He is pre-emihand. Her steel guns soon made nently anti-English, and does not conshort work of the poor defences of ceal his hate for England. He is sure this simple people, and the ancient

toric city of the Nile, is now a little better than a heap of ruins, and in the heart of Egypt, and of driving Arabi Pacha, with a broken and dis- her army back on the sea pirited army is retreating into the interior towards Cairo.

The end of course may now be seen. her pyramids alone point to her departed grandieur.

The Egyptians, like all other op-lature. pressed people fighting against foreign domination, are entitled to sympathy, but they are struggling against the inevitable, and the sooner seen any piece in your paper from they realized this fact, the better for Sneedsboro, I will take pleasure in that distracted people.

THE approaching Congressional Crops are good. Fine oats and Convention will be one not only of corn crops; fine potato crops; cotton paramount importance to the people of this District but upon its action for it has been our ruin. I think it of this District, but upon its action is time for people to quit making so may largely depend the result in the much cotton, and go to raising somewhole State. It therefore becomes thing to eat. When they have to sendoff and have its influence the Democrats to go into that Con- give 1 lbs. of cotton for 1 lb. of bacon vention with a calm determination ton crops has been growing larger to put forward its best man; not only and larger ever since the war, and a man who can sweep the District times has been getting harder and but one who will add strength and harder; supplies higher and higher, that farmers has put a rope around prestage to the whole State ticket. their necks that will be hard to pull This is a time when all secondary off. The more cotton we plant the questions of custom, personal prefer-worse it is for you. I have been Congressman-at-large tendered me by ences, &c., should yield to the commaking all cotton for the last 2 years, and I think in one more year I will have to go to the poor house. If we paign. view we would suggest to the consider-ation of the delegates a name that is a we would have more money and live tower of strength in itself, one of the better. few representatives left of the old Wm. A. Graham order of statesmen a man who would add lustre to the ticket, and who would once more in Congress, announces that he is bring North Carolina to the front in authorized by the Secretary of War Congress as she stood in ante bellum to nominate for appointment as cadet days, when its halls rang with the eloquence of a Macon, or a Mangum, or a Badger. We refer to our honored countyman, Judge Thomas S. ASHE, whom we believe would make the best representative we could pos- Dr. Robert Gibbon to act as a comsibly select. We make this sugges- mittee of examination. Applicants tion without the slightest deragation will present themselves before this to other prominent gentlemen whose committee, in the city of Charlotte, on names have been mentioned in this for their information he states that connection, and while we have never by the regulations the applicant must breathed the subject to Judge Ashe, we believe at the call of the Democrats of his District he will respond as he did to the call of his State in orthography, and arithmetic, and the dark days of 1868. It may be must have a knowledge of English Gleaner. urged that he is from the same county grammar, of descriptive geography, as Judge Bennett, and therefore Anson would have two members in Con- States. gress. We do not take, that view. Judge Bennett was nominated from the State-at-large, and will therefore represent the State-at-large, and his day. This variety has a history that name and the fact of his nomination, is not known by everybody, perhaps.

District Convention. Believing as we have said that Judge Ashe would add strength to mance Gleaner. the whole ticket in the State in sections where no other name mention ed would be known, and on account of his PRE-EMINENT FITNESS POF. THE presenting his name.

CORRESPONDENCE.

OUR PARIS LETTER. [REGULAR CORRESPONDENCE.] PARIS, FRANCE, June 10, 1882.

On a recent occasion M. de Lesseps said to M. Gambetta, "Why do you, who in 1869 were almost the only representative of Liberal ideas in and to make war against the representative of Liberal ideas in Egypt. against Arabi Pasha? Why Arabi is a confrere of yours and vet you attack him without ceasing. In the county government according to the course of the conversation referred to exigency of the occasion. M. de Lesseps insisted on the necesthe recent massacre to the presence system should be substituted and by of these foreign iron-clads. Furtherthe continued payment of the interest on the debt, and declined to believe that Europeans incurred any the seal of their condemnation upon danger by remaining in Egypt. He had allowed his own son to remain Wilmington Star. there during the whole of the crisis and had just despatched a new agent to Egypt with all his family. Alluding to the policy of England, M. de

Losseps is reported to have said,

Pasha with the distrust expressed by strenuous efforts to get their fellowcountrymen out of Egypt with all English fleet has destroyed the forts willing to protect the lives and propand batteries around Alexandia, and erty of Europeans, the massacre of the 11th instant proves that he is unable to carry out his desire. Arabi is the mutinous leader of a mutinous army, ened representative of Liberal views. unless we adopt the standpoint that every revolutionist is an exponent of Specially English and French.

Liberalism and nothing more. The emiment projector of the Suez Canal is of opinion that so long as Egyptian

that there will not be a Turkish land-ing, but he perhaps desires isolated Pharos felt the shock of modern ar action on the part of England to get tillery.

A Nomination. Egypt will be overpowered, and the nomination, subject to the approval Mr. Editor:-I desire to place in government of the land of the of the Democratic Convention which Pharaohs will be dictated at the meets in Wadesboro next month, European courts, like the responsive Maj. W. A. Liles to represent Anson strings at Constantinople are now in the next General Assembly. I had the pleasure of serving under him in made to vibrate to the touches on the the late war, and can testify that he finger-boards at London and Berlin. (was a gallant soldier, a braye man, "Where now is ancient Egypt, the and a kind officer. He is a practical land of science and the nurse of arms ? business man, a sound thinker and a Where are her thousand cities, her good farmer. He has at heart the interest of his old comrades, the Thebes, her Memphis, her Oracle of farming class, and the whole people, Ammon?" Gone glimmering among and I ask the old soldiers who stood the dream of things that were, and together when men's souls were tried to show their appreciation of one of their number by electing Maj. Liles | confined at home by their injuries, to represent Anson in our next Legis- and while Mr. Cooper is still confined AN OLD CONFED.

July, 1882.

Mr. Editor: -As I never have sided. - Statesville Landmark. writing you a 'few lines' if you will give me a little space.

Major C. Dowd, our Representative to the United States Military Academy, from the Sixth district of North Carolina a legally qualified candidate, who must be at West Point not later than the 15th day of June, 1883. He has requested Messrs. A. Burwell and W. A. Barrier and the 31st day of August proximo; and be between 17 and 22 years of age, at least 5 feet high, and free from disease and deformity; must be well versed in reading, in writing, including particularly of our own country, and of the history of the United

Ta-ta? He wonts office. John has been shaky PLACE, we take great pleasure in for some time, it is thought,-Wil.

The Constitution of North Carolina was submitted to a vote of the people in 1876, and with the following result: For ratification, 122,912; for rejection 108,829—majority for the Constitution 14,083. Well, what of it? Much every way. Says the

Raleigh News-Observer "One of these amendments, relating to county Government, repealed the township system and all the pro-France, want- to pick a quarrel with visions of the Canby constitution on the subject and put the whole matter under the control of the Legislature. The purpose of this was to give the Legislature full power to mould

So the Canby-sword system was sity of ordering the European fleet to repealed by a vote of the people. They quit Egyptian waters and ascribed intended clearly that some other Legislative action. So the present more, he expressed absolute faith in county system is not a snap judgment upon the people. The people have already by a large majority set

An Outrage.

The colored people of Cheraw and vicinity have been thrown into fever "The English more than any other of excitement by a shameless assault nation are responsible for the mo- upon a little girl, nine years old, the mentary trouble in which we are en- daughter of Bright Campbell, a re-CHARLES RIDDLEBERGER JONES is gaged. They appeared to want egg- spectable colored man. The deed would, as usual, have been to their crime is too horrible to admit of a advantage. We should have pulled name. It was thought awhile that It is James D. McIver who is our the chestnuts out of the fire. This is he would be lynched. He has been their eternal policy." Without pre- committed to the County Jail, by suming to criticise the opinions of so Trial Justice Prince, to await the 6th District. If this is correct, and affairs as M. de Lesseps. I cannot help be spared to convict this monster of the laudable aspirations of Arabi get rid of these infernal scoundrels, who are continually meditating the European Consuls who are making ruin and destruction of some happy household ?- Cheraw Sun.

The people now have their choice. speed. Even supposing Arabi to be Intelligence, virtue, respectabilityprudence, economy, stability; or, ignorance, rascality, mongrelism-recklessness, as of yore, the fraud that corrodes and the saturnalia that bestializes. It is Bennett, with the former, and Dockery with the latter. It is Ruffin on a platform of principles, or Folk spitting upon the party formulas that rebuke his own

Fellow citizens, it is for you to determine whether the State shall go forward, as the democratic party has started her, or backward, as the republican party was carrying her between 1868 and 1870. We hear your answer in the ready beating of your North Carolina hearts! In November the world will hear it. - Goldsboro

Chas. R. announces himself an independent candidate for Congress, the fulfillment of these two vital "as a Democrat." It is to be said for European requirements is beyond all him that he at least has some experience as an independent candidate, having acquired it in this county about twelve years ago while running for the Legislature against of the country and perhaps of his the Democratic nominees. He ran Arabi, she decided to use the more ambition, and involves him with a then "as a Democrat," was beaten as an independent, and has been apologizing for himself and pleading the baby act from that time to this. About three weeks ago he ascertain ed that the present system of county government is undemocratic, and after cogitating upon the subject awhile, Alexandria, the ancient and his that England can destroy Alexandria, concludes, no doubt with a view to repealing it, that he will go to Congress.—Statesville Landmark.

Ambition in an inordinate degree has seduced the editor of the Charlotte Observer from his party allegiance, and in despair at his failure to secure office from his party he has announced himself an "independent candidate for Congress in the sixth district. Some men are to be pitied more than censured, and we are disposed for charity's sake to thus regard Mr. Jones, because his excessive vanity has really diseased his mind to such an extent that he can hardly be considered responsible.

Chatham Record. Statesville has been unusually quiet since the three personal difficulties Guns, which followed each other in rapid succession on the afternoon and evening of Thursday, 6th inst. Maj. Robbins and Mr. Adams have not been to the house of his brother, Collector N. Cooper, his condition is comfortable and fears of serious consequences from his wounds have sub

The political campaign in North Carolina will be opened in Elizabeth City on Thursday July 20th, by Judge Bennett, the democratic candidate for Congressman at-large, and it should be appreciated by the old First District by a large turn out of our people. An enthusiastic reception here will give Judge Bennett a hearty throughout the State. Let us do it .-E. Jity Economist.
