The Ansonian

W. C. BIVENS.

Editor and Proprietor. H. S. PINKSTON, Assistant Manager.

Entered as second-class matter July rses, at the postoffice at Wadeshoro, N C. under the Act of Congress of March 3, 1879.

TUESDAY, JUNE 25, 1907

We are today printing an article from the pen of Mr. J. T. Ellington relative to the candidacy time spent. of Mr. Ashley Horne for governor of the state. Mr. Horne is a practical business man of much native ability and, withal, a man who's private life is clean. He the reasons why these methods are We are sorry to note the serious would make North Carolina a better than many of those now illness of Mr. J. R. Dunn. Mr. good governor.

Is another column, "Voter" has a very sensible article on the whiskey situation in Anson county. also doing at this time. Though the writer never had the advantages of a good education and has spent his long life on his farm some distance from Wadesboro, he has written a good article and expressed himself well. It is worth your time to read what he has to say about the question. He is speaking from the experience of M., E. L. and J. B. Efird, three a long and useful life in his community

Says the Lumberton Robesonian: 'To give some idea of what is being done in this community in some lines, Lumberton received during the month of May, 28 solid tentions as to all the articles menmuch so, that we are convinced to the Charlotte business. that there is "something doing" along that line.

THERE has been quite a little talk recently in regard to THE ANSONIAN's publishing of the Mayor's docket. Much objection, we understand, is made to the making known of what transpires in that matter how good the man, every esboro. time he gets under the influence; of strong drink, he detracts so much from his common stock of honor. And the man who has no read, more respect for himself than to J. D. Mercer, disorderally conduct get drunk and allow himself to be at depot; \$3 and cost arrested for disturbing the public peace, deserves not that he should duct; 82 and cost. realed nor condoned.

REPERING to THE ASSOCIAN'S comment on a certain frivolous | cost. | W. H. Brown, drunk; discharged case tried in the Superior Court on payment of cost. here last week, The Charlotta Observer has this to say:

so because it is so popular but it may be said with respect and propriety that they are sometimes The little fellow was dangerously funny. The Ansonian of Wadesboro, however, evidently doesn't we anything humorous in the fact that "a case involving property to the amount of not more than \$10." recently consumed five days in out of danger. Anson Superior Court. Our contemporary in fact seems to take the matter quite seriously."

were not railing because it is conducted by Mr T. L. Huntley agent at Harrisburg was notified cheap and common nor for the last Wednesday and took charge on and, accompanied by sectionmaster, reason that it is popular. Let the Thursday morning. These gentle- search was instituted for the object parties concerned fight it out on the stables, and will improve the 1 o'clock the body of Miss Ella hearts and purses too are broken, livery and feed business, so long as they pay their way. But don't you think that the young "legal light" whose shingle yet glistens in its pristine freshness, deserves some consideration nesday and the remains were laid from those who would monoplize to rest in the cemetery at Bethel the court's entire time! Ought he church, Rev. J. H. Moore connot be compensated somewhat in consideration of the fact that his cases, and consequently his fees, are waiting on this account! Study the question in is deeper aspects and then express yourself.

Big Fire at Charlotte.

(Charlotte Observer.) The George A. Howell coarse yarn mill, at No. 206 East Fifth street was burned to the ground last night. The loss was estimated at from \$20,000 to \$25,000 and was fully covered by insurance. The fire is believed to have been cess and if you are run down and of incendiary origin, matches having been discovered in the cotton Thursday by Mr. Howell. Rocky River Springs and you will who went years ago. Rates reation for the medical course next So certain was he of the fact that feel like another person. Rates sonable. Address W. H. Bivens, year. plant, that he yesterday took out ens, Rocky River Springs, N. C. additional insurance on his main time and profits will be heavy, refund the money.

Farmer's Institutes at Morven and Polkton.

for Anson county will be held at Morven and Polkton, Tuesday and Wednesday, July 23 and 24, 1907. There will be two or three speakers present from the State Department of Agriculture in addition to the local speakers.

These institutes are for a free and informal discussion of everyday farm problems and no farmer can attend and take part in these discussions without receiving more than enough benefit to pay for the people went on a straw ride to Flat

meeting to lay down hard and fast pleasant trip. ing methods will be discussed and lop Thompson. done and that dozens of farmers hope, however, to see him out in this part of the State are not again soon.

Do not forget the date of this meeting-Morven, Tuesday, July 23, Polkton, Wednesday, July 24, 1907, and see that your neighbors know of it and attend.

Anson Boys to the Front.
