WADESBORO, N. C., MARCH 3, 1908.

Editorial Comment

whole, and is not content to live WE don't know the editor of the moment. This is one reason why Lincoln News, but the following famous men's sons, as a rule, do mill of the Cherokee Lumber Co. from his editorial column ought little in comparison with their near Garland last Monday by the to cause his worst enemy to have fathers; they are satisfied with the falling of some heavy timbers. some respect for his honesty:

"The News is heartily in favor them forward." of prohibition. In making this statement we may as well go a step further and say that we are boys in the country, and town not, and never have been, a total too, are doing little that will abstainer. The writer has always count in the future. So many taken a drink whenever he wanted are simply living out their lives as one and could get it and doesn't care a rap who knows it. He frequenetly goes for months with- ers of wood and drawers of water." out tasting whiskey and on the They work very well during the other hand some times sits down day, doing what some one else has with congenial friends and imbibes planned, and spend their nights a quart with the greatest complacency. Hours thus spent are very delightful, but we are free the morning there is no energy to to confess that 'there is a differ- do the day's work and they must ence in the morning.' Constituted resort to some kind of "dope" to as we are, being 'hale fellow well wind themselves up, like a clock. weeks ago to go to Oklahoma. met, ready always to weep with those that weep and rejoice with those that rejoice,' to be dry with from time to time until finally those that are dry and to drink you find your once promising boy, with those that are wet, we feel worn down to the stump of what that personally, prohibition is the a man ought to be. A prey to all thing for us. We also believe kinds of contagion and a weakling similarly constituted. If whiskey for life, Suppose he spent his is easy get-at-able they will drink nights reading some useful books | tar near Greensboro a few days | let's get together and enjoy a few it, and if not get at able they and papers and fitting himself to do ago, some gasoline was poured into days talking over the old times won't go to any great trouble to a higher grade of work; how get it. We are all better off without it, so let's let 'er go."

THE Statesville Landmark strikes a key to which a great many minds in North Carolina will readily vibrate in the following:

"Just why a tough who breaks down the door of a freshman in college and maltreats him is entitled to any more consideration than the drunkes brute who forces his way into a private house and maltreats the inmates, nobody can the life of a deceased person. In explain. The public has stood for as about one month came an obituary hand is laid on the criminal classes in the colleges The Landmark for one in enough to fill one column of sweetheart, Miss Willie Jenkins, State support from the institutions supmark's opinion that they are going to

13th, 1869, daughter of William T. and Carry N. Smith, and died October 80th, them to issue through a series of 1907. On October 13th, 1886, she was then resumes an open position and ed faith in Christ and ever since been a others, ex parte, the undersigned comfaithful member of the Methodist missioner will a safety device prevents the firing Church. Oh how we miss her! Though of another catridge unless the our hearts are buried in grief, we have full assurance that she is at rest, By the use of this noiseless where she so longed to be. Though of Wadesboro, sell to the highest bidder God has taken her from her suffering for cash, at 12 M, the lands described weapon skirmishers could work here to live with Him I know her loving in the petition in the above entitled

> Purest, fondest, gentlest mother. Art thou gone from our embrace, Can we never behold another Smile of love like thy dear face

Of thy voice so heavenly, Never more receive the counsel We could get alone from thee? Patient mother ever ready All our griefs with us to share,

Never of thy burdens thinking While thou couldest another's bear. DAUGHTER BELLE.

Pat (to farmer): I sav, boss, do way they're doin' business over delicious Georgia Cane Syrup, pure Friend-Whyt

cows and make them eat shavings then he's been swearin' th' wit---but milk had the taste of an uess on th' town directory.-Ex. Don't cough your head off when you Tarlton & Hanna

can get a guaranteed remedy in Bees ald.

"As soon as a man begins to love his work, then will he also begin to make progress."

Fins, writes accordingly of west and to take, is a gentle laxative, thus expelling the phlegm from the system. For coughs, colds, croup, whooping to hire or harbor one Henry Polk, my ach, liver and bowels working just right." If these pills disappoint you on trial, money will be refunded at Parsons begin to make progress."

Fins, writes accordingly formed any person to take, is a gentle laxative, thus to hire or harbor one Henry Polk, my grandson who is 14 years of age and has trial, money will be refunded at Parsons begin to make progress."
