LOCAL NEWS

Court three weeks off. County Commissioners will meet Monday.

Heavy storms are predicted by Hicks for next week. His forecasts for February were very accurate.

If you wish to have anything published in The Enterprise be sure you send it in not later than Wednesday evening.

The brick for the tobacco warehouses are being put on the lots. Actual work has been delayed on account of the very inclement weather.

You had better take advantage of the \$2,500 cash prize offer now. There is no telling how soon it will be taken out. Send us your subscription now.

Several of our young ladies and gentlemen enjoyed a delightful evening at a "Social Gathering", at the home of Miss Lizzie Quartermas last Tuesday evening.

Mr. Geo. R. Dixon, of Rocky Mount, Practical Tin, Copper, and Sheet Iron Worker, will engage in the fine business in the town the first of May. See his advertisement in this issue.

The printing office building has been moved from the corner of Main and Smithwick streets back on Smithwick street where we will be glad to have our friends and patrons call to see us.

The material for the new bank building is arriving and we expect soon to see the walls underway. It is stated that the new building will be in keeping with those of other towns used for the same purpose.

Mr. Arthur Warren Harrison, a first year student from Plymouth, N. C., son of Mr. J. W. Harrison, Esq., died Wednesday, of last week, about midnight at the University Infirmary. His remains were taken home the next day. E. D. Sullenger, representing the Phi. Society accompanied his body.

Dr. Harrell, Supt. Health of this county visited the small-pox section in Robersonville township Tuesday, and reports that there are six cases confined to one family. He states that with the assistance of those living in the infected district there is no reason for the disease spreading.

Stops the Cough and Works off the Cold. Laxative Bromo Quinine Tablets cure a cold in one day. No Cure No Pay. Price 25 cents.

Mr. Eli Gurganus has torn down the old wood sheds in front of the stores occupied by Messrs. Keith & Godwin and J. W. Watts and has put up an iron frame for awnings to these stores as well as his new store. He contemplates paving the sidewalk in front of these stores in the near future. This is a step in the right direction and it is hoped that the other property owners will follow suit.

THE LAST HEARD OF IT.

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," says F. D. Reynolds, Mansfield, O. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles and it is a certain cure. Very pleasant to take. The little ones like it.

Gen. Toon's Work and Funeral.

The funeral of Gen. Toon, Superintendent of Public Instruction, last Friday, was largely attended by the State officials, local military companies, representatives of Masonic and other orders, despite the particularly bad weather. While Gen. Toon had been dangerously ill for two or three months, he had improved so rapidly late that his complete recovery was expected, and he had stated his intention to go to his office this week. When he suddenly expired last Wednesday (from heart failure) the sad event was as surprising as deplorable. He had exceeded the expectations of his best friends in the successful performance of his new duties and had lived to complete the unexpired term of three years yet remaining in his record would have been an especially fine one. The interment was in Oakwood Cemetery, this city. His death leaves only two surviving ex-Brigadier General of the Confederacy in North Carolina, General Wm. B. Cox and General W. P. Roberts—all of them "in their twenties" when commissioned as such, General Toon being twenty four years of age, only.

SAVED HER CHILD'S LIFE.

"In three weeks our chubby little boy was changed by Pneumonia almost to a skeleton," writes Mrs. W. Atkins, of Pleasant City, O. "A terribly cough set in, that, in spite of good doctor's treatment for several weeks, grew worse every day. We then used Dr. King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know it's the only sure cure for Coughs, Colds and all Lung diseases. All druggists guarantee satisfaction. 50¢ a bottle. Trial bottles free.

Personal

Mr. J. Paul Simpson spent Sunday in Mildred.

The Editor is out again and feeling very much better.

Miss Hattie Thrower returned from Mildred Monday.

Atty. H. W. Stubbs is in Raleigh attending Supreme Court.

Mrs. H. H. Pope is visiting her mother Mrs. Belle Ellison.

Mr. Dennis Bigg left Tuesday morning for High Point, N. C.

Mr. Geo. R. Dixon, of Rocky Mount, was in town Tuesday on business.

Atty. Wheeler Martin was in Tarboro last Monday on professional business.

Mr. E. F. Huffines, of Rocky Mount, is located in town in the insurance business.

Mrs. Bessie Taylor, of Anderson, S. C. is the guest of her daughter Mrs. W. A. Hudgens.

Mrs. J. E. Smithwick, of Jamesville, R. J. Nelson, of Everetts and Long, of Hamilton, were in town last Monday in attendance at the meeting of the Sanitary Board.

Mrs. Mitchell, who has been visiting her father, Mr. John Melson left for her home in New Haven, Conn., Wednesday morning.

Mrs. Mitte Barnhill, of Parmelee, sister of Mrs. W. C. Manning and Mrs. W. S. Harris, passed through town Wednesday on her way to visit her father, Mr. Noah Roberson, on Smithwick Creek.

"I hobbled into Mr. Blackmon's drug store one evening," says Welsey Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to directions and in one week I was cured, and have not since been troubled with rheumatism."—Sold by N. S. Pele & Co.

The Sanitary Board Meets. The Sanitary Board of Martin County, met at the Court House last Monday and the Superintendent of Health was ordered to put the following resolutions in force and effect:

1. "All persons residing in the infected towns or districts of Martin County, who have not been previously successfully vaccinated, or who have not had small-pox or this eruptive disease called small-pox, shall be vaccinated within ten days after the publication of this notice. Any person residing in such district failing to be vaccinated within the date designated shall be immediately vaccinated by the public vaccinator, and upon refusal to submit to such vaccination, said person shall be arrested and tried and punished for a misdemeanor. Immediately upon the appearance of small-pox in any portion of this county not now infected the above rules shall apply. The local health officer is hereby empowered to determine the bounds of such infected districts.

2. "All persons affected with small-pox or with this prevailing eruption shall be either conveyed to the county small-pox hospital or strictly quarantined at home, and the members of each and every household in which said disease is quarantined are requested to remain on their premises unless they have written permission from the County Superintendent of Health or his authorized substitute to leave the same. Any person violating this rule will be promptly arrested and punished. No infected person, or one who has been exposed, shall be given permission to leave the premises until his person has been disinfected, and he has put on clean clothes and the house has been fumigated.

3. "All premises in which there has occurred and may occur cases of small-pox or this eruption now prevailing, including the wearing apparel of the inmates, shall be thoroughly fumigated and disinfected. That an officer shall be appointed to do this under the authority and supervision of the County Superintendent of Health.

N. B. "The authority for the adoption of the above rules and regulations and for the enforcement of the same by a fine not exceeding fifty dollars or imprisonment not exceeding thirty days is conferred upon the County Sanitary Committee by section 5 of chapter 214 of the Laws of 1893, and notice is hereby given that any violations will be promptly and rigidly punished."

W. H. HARRELL, M. D. Supt. Health Martin County.

CLERK'S WISE SUGGESTION

"I have lately been much troubled with dyspepsia, belching and sour stomach," writes M. S. Mead, leading pharmacist of Attleboro, Mass. "I could eat hardly anything without suffering several hours. My clerk suggested I try Kodol Dyspepsia Cure which I did with most happy results. I have had no more trouble and when one can go to eating mince pie, cheese, candy and nuts after such a time, their digestion must be pretty good. I endorse Kodol Dyspepsia Cure heartily." You don't have to diet. Eat all the good food you want but don't overload the stomach. Kodol Dyspepsia Cure digests your food.

SOCIETY GOSSIP.

Owing to the bad weather the Book Club did not have its regular meeting last Friday evening. It will meet this Friday evening, however, at the home of Mrs. W. H. Harrell, on Simmons Ave. All members are most cordially invited to attend.

"Oh listen to the Band." That is just what will be able to do in a short while. Messrs. Crawford, Harris, Moore and Huffines are going to work in the right way to give us some fine music. It will add much to the social life of the town and fill a long felt want.

Did the bad weather last long enough to make staying at home a habit, thereby rendering the keeping of the remaining days of Lent an easier matter?

Mrs. Jno. L. Hassell left for Plymouth Thursday morning. She will be away a week or ten days.

Prof. and Mrs. W. A. Hudgens will move to the home of Mr. W. A. Ellison in New Town, Saturday.

Miss Anna Pope has been confined to the house for a few days with "La Grippe."

Mrs. H. J. Herrick and Miss Mayo Lamb expect to leave Saturday for a visit to Baltimore and New York.

The Theodore Hassell Chapter of the U. D. C. met at the home of Mrs. C. W. Keith on Smithwick St. last Saturday evening. The day for meeting has been changed from Friday to Saturday for the convenience of some of the members.

Mrs. C. M. Lanier has been quite sick with "Grippe" but is now convalescent.

If vaccination is made compulsory wide bands of gold made into bracelets may become the "fad" this summer. It will be an excellent way to hide the unsightly scars.

Fright on boys! Keep it up and you may be a U. S. Senator yet—even though you may have to go to S. C. in order to have that special characteristic appreciated.

Most every girl in the United States is envying Miss Alice Rosevelt. Think of being smiled upon by a real live Prince and having him present you with a diamond bracelet! The grapes are sour girls.

What will the newspapers do when the "glory hath departed" and Prince Henry is gone? Why it will just take them days and days and they will take whole columns of space to smile complacently and tell every body how cleverly and successfully every thing was managed.

Fry McDuffie's "No. 16" for La-Grippe or Influenza. It is guaranteed to cure or your money will be refunded. PRICE \$1.00.

McDuffie's Turpentine & Nutton Suet Lung Plaster is a certain cure for whooping cough, easy and comfortable, works while you sleep. 25 CENTS.

Shooting Affair.

Last Saturday morning about eleven o'clock Clifton Bland, a veteran fisherman on the river here, shot across main street at William Cherry, another fisherman, with a shot gun, the shot missing Cherry and going through the glass front of S. L. Godard's store.

Bland and Cherry fought Friday night over some quarrel they had had for several days, Cherry getting the best of the fight. Bland went home making threats that he would shoot Cherry, and told his father-in-law, Mr. Aaron Roberson that he was going to shoot Cherry. Mr. Roberson promptly informed Cherry of the threats. When the shooting occurred Cherry was standing in front of S. L. Godard's store and saloon just across the street where Bland was sitting with his gun awaiting his opportunity to get his man. As Bland raised the double barreled shot gun to his face to shoot Cherry happened to look that way and see it and jumped away behind a post and into the store. The full load of shot went through the glass front and into the inside wall of the store, harming no one, and causing little other damage than the broken glass. Bland gave a bond of \$200 for his appearance at March Superior Court, but was afterward put in jail under a peace warrant sworn out by Cherry.

Since writing the above Bland has been turned loose under bond to keep the peace for six months.

PROF. JOYNER APPOINTED.

Governor Aycock has appointed Prof. J. Y. Joyner, of the State Normal and Industrial College, to succeed the late Gen. T. F. Toon as Superintendent of Public Instruction. The appointment is a good one and the people of the State accept it.—Commonwealth.

MORE WAREHOUSES FOR WILLIAMSTON.

A Steam Plant Sure.

Natural Advantages—Everybody in High Spirits. Information has been received at this office that a private concern is making preparations to erect two Tobacco Warehouses the same size as those to be built by the Tobacco Warehouse Company.

With four warehouses and a large steam plant Williamston will open her first season under excellent advantages.

The steam plant is a certainty. Mr. E. L. Morgan, of Spring Hope, will have his plant here in readiness to do business by the opening day.

From every indication Williamston promises to be one of the leading markets of the State in a few years. Our home people not only think this, but it is almost the universal opinion of tobacco men the State over.

The natural advantages of this market's location is a great factor in this problem. It is conceded that when a town has a water route its freight rates are always cheaper than those of towns who are not blessed with them.

With good buyers, a steam plant, or plants, sufficient to take care of the tobacco bought on this market, and then as cheap freight rates as any other tobacco market possesses, Williamston can and will pay as much for tobacco on this market as any market in the State.

THE HOME GOLD CURE.

An Inexpensive Treatment by which Drunkards are Being Cured Daily in Suffer of Themselves

NO NOXIOUS DOSES. NO WEAKENING OF THE NERVES. A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT. It is now generally known and understood that Drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by perical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inmates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made to partake men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe to-day that they discontinued drinking of their own free will. DO NOT WAIT. Don't be deluded by apparit and misleading "improvements." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice from skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. C991 EDWIN H. GILES & CO., 2329 and 2333 Market St., Philadelphia.
