**Bob Padgett Murdered.**

Found Floating Down the River.

Last Saturday morning between ten and eleven o'clock, the body of a white man was seen floating down the river by those on the wharf. Mad. White, colored, and Joseph Fryer soon had the body tied up below the old mill. The coroner was notified and when he arrived it was found that the drowned man was Bob Padgett, who was well known around here. He was employed by Dr. J. E. Smithwick on his farm, a mile or two from Jamesville.

The coroner's jury rendered a verdict that he came to his death by a blow on his left temple. He was buried in a rough coffin on the river bank.

He was last seen Wednesday night, September 23rd, about eight o'clock; he was going toward the river.

Padgett came to Williamston the first of last week to attend court as he had entered suit to obtain a divorce from his wife.

As yet no clue has been found as to the murderers.

Dr. Smithwick came up Monday and was very indignant, and justly so, at finding Padgett buried on the river bank. He had the body removed to Jamesville and given a decent burial.

**A Narrow Escape**

One day this week the little son of J. D. Ward had a very narrow escape from serious injury. The little fellow was playing in the yard, when a cow that had gotten into the yard caught him on her horns and threw him against the fence. The little fellow was badly bruised but no bones were broken.

This same cow knows how to get into nearly every yard in town, and has numerous times gotten into the yard of the writer's damaging trees and shrubs.

Such cows should not be allowed to run at large.

Jack Daniel, of Greenville, the new negro barber, who opened a barber shop on Smithwick street, in the office formerly occupied by Dr. Biggs, was arrested Monday by Deputy T. J. Latham. The offence for which Daniel was arrested was carrying concealed weapons and wife beating. He was bonded for appearance at Pitt County court for the 21st of last month but had skipped out. Mr. Latham took him to Greenville Tuesday.

**A FRIEND TO YOUNG MEN.**

If ever the title, "A Friend to Struggling Young Men," was justly merited by any institution, then it certainly belongs to the Ga.-Ala. Business College, at Macon, Ga. Official reports show it to have qualified for and placed in good positions over 6,000 young men and women—more than half of whom it aided financially; and the good work still goes on, 500 free scholarships having been set aside to be given away this year. Our ambitious and worthy young friends anxious for success in life, should write at once to the college for particulars.

Foot ball season is at hand.

**Ten Thousand Churches**

in the United States have used the Longman & Martinez Pure Paints. Every Church will be given a liberal quantity whenever they paint.

Don't pay \$1.50 a gallon for Linseed oil (worth 60 cents) which you do when you buy thin paint in a can with a paint label on it. 8 and 6 makes 14, therefore when you want fourteen gallons of paint, buy only eight gallons of L. & M., and mix six gallons of pure linseed oil with it.

You need only four gallons of L. & M. Paint, and three gallons of Oil mixed therewith to paint a good sized house.

Houses painted with these paints never grow shabby, even after 18 years.

These celebrated paints are sold by S. R. Biggs.
