#### FRIDAY, MARCH 11, 1904.

The aldermen of Greenville have declared the dispensary victorious.

#### Pine Tobacco

The tobacco board of Greeeville have sent a 300 pound box of fine tobacco with the North Carolina exhibit at the St Louis exposition We venture the prediction that no finer tobacco will be on exhibition than that from Pitt county.-Greenville Reflector.

This reminds us of a stattobacco men that 'the finest tobacco sold at Greenville was can well accept this as true when we recall the fact that the Martin county leaf received first prize at the Paris exposition.

John H Small could not be accused of being small in but two waysin name and in stature.

of North Carolina, who is well Russy Mike's Diary. known in Norfolk, and who has been identified as the leader of the project for the establishment of an inland waterway between Norfolk a fire which recently burned out in painting their church.

the top floors of the Elsmere Hotel

They used only 32 gallons of the Long fire, and, instead of looking out for made was less than \$1.20 per gailon. his own interests, began to notify paint, and got a big donation besides. the numerous sleepers on the floor in which the fire was located. By his efforts all were saved. He then went to his own room and dragged a heavy trunk down several flights of stairs.'

\* The Senate Committee on Privileges and Elections in investigating the rights of matic content of the work. During the Senator elect Smoot of Utah somber fantasie his teeth were set, his to a seat in the United States face almost rigid, his gray eyes burned Senate, has brought out the with the composer's inspiration, and his body straightened out as be leaned Senate, has brought out the fact that no material change has been made, in the mode of living in Utah since the manifesto in 1890. Instead of finding only 3 or 4 per cent living in polygamy as stated by president Smith it is found that 23 1-4 per cent, of the adult mormon population was living in polygamy in 1890.

Lets get together on the artes a well. Williamston with the composer's inspiration, and his body straightened out as he leaned somewhat away from the keyboard. When he struck the ponderous chords of terror there was a vehemence almost diabolical in the sudden swoop of his feathy made one shiver. His nostrils became distended, and his breath came distended, and hi

artes'a well. Williamston needs all the improvements it can get. The three greatest needs of our town at present are: good attractive streets are: good attractive streets and an artesian well. We name them in the order that we bileive they are most needed. It is just as natural for a prospector to select a town with good attractive streets in preterence to one with unsightly muddy streets, as it is for you to select the dry places in going home in preference to

#### Sighing For Spring.

By B. S. COWING.

Most sadly I'm sighing for the brigh spring days, When the birds will be singing their sweetest of lays,

When the trees shall wake from long winter sleep, and the great storms of winter

shall sweep. 'm sighing for the days when no stor

will disturb the birds:

When the ice no longer shall cover t

And the raid-drops mingle with every

I'm sighing for the days when the field shall be green, and no storm-cloud of winter in the

North will be seen Then the roses shall bloom to the child ren's delight. nd the dogwood be clothed in it's

tel of white. 'm signing for the days when the rais will not fall,

Not more than once in a week, if at all For showers instead of the long rainy

When lightning flashes will their beauty display.

I'm sighing for the dust instead of the Which literally covers the field and the

road, When the bright s low the soil,

And ever return us the fruits of our toil 'm sighing for the days when no North wind shall greet

Our homes with showers of snow or sleet; When the cold winter winds shall no longer be felt, And no ice shall be found for the warn

sun to melt. But give me the days that are sultry an

ment made sometime ago by when I can work to the music of the

When the robin shall carol his merries raised in Martin county. We And the wren shall try to tear open his throat.

#### It Saved His Leg

P. A. Danforth, of LaGrange Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica The following paragraph tak- Salve wholly cured it in five days.

#### When You Shut Off Steam

Even the fast express trains don't keep agoin' after the steam is shut off. Neither does your business "Congressman John H. Small, after the advertising is shut off .-

#### A Wonderful Saving

The largest Methodist Church in Geor and Beaufort, N. C., was a hero in gia, calculated to use over one hundred gallons of the usual kind of mixed paint

in Washington, D. C. Mr. Small man & Martinez Paint mixed with 24 gal was one of the first to discover the lons of linseed oil. Actual cost of pain

EYERY CHURCH will be given a lineral quanity whenever they paint, Many houses are well four gallons of L. & M. and three gallons

of tinseed oil mlxed therewith. Wears and covers like gold. These celebrated Paints are sold by S.

List Playing Chopin.

As Liszt played his dem neanor changed

ers often concluding that they must they were brought before Judges Hook and Crook and often got off "by Hook and Crook." It not infrequently hap-pened that a writtof habeas corpus was issued, and as often the sheric's re-turn had not the indorsement "hie est corpus"—that is, "here is the body"— and the offender went scot free, which action the public regarded as "hocus pocus."

-A fine lot of nice white envewalking through mud and lopes at 4 cents a package, (25 in a pack) at the Enterprise Book Store.

Why can't the tobacco men of Williamston and Martin County have an exhibit at the Louisana Purchase Exposition? It ought to be done.
