**RALEIGH LETTER.**

Continued from first page

of the greatest interests of the State.

Secretary Joseph E. Pogue, of

The first bale of the season was

September will see the presidential

campaign opened in earnest

and General Apathy effectually

rouled.—Atlanta Constitution.

What's in a Name?

Everything is in the name when it

comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago,

ors-at-large Self (Democrat) and

Britt (Republican)

The telegrams, which are self-ex-

planatory, are printed below:

"Asheville, August 31, 1904.

"Hon. F. M. Simmons, Raleigh, N. C.

"W. A. Self agrees to divide time

with Britt, September 5th to 17th,

if you approve. Answer.

"THOMAS S. ROLLINS,  
Chairman."

Raleigh, September 1, 1904.

"Thomas S. Rollins, Chairman Re-

publican State Committee Ashe-

ville, N. C.:

My letter of July 27th, asking for

a joint debate between the candi-

dates for political offices of our

respective parties all along the line

and all over the State, your letter

declining that challenge and my re-

ply thereto of August 20th is my

answer to your telegram concern-

ing debate between Messrs. Self and

Britt. I will not recognize your right,

after declining a joint canvass be-

tween all the candidates, to select

the candidates whom "you will

challenge.

"F. M. SIMMONS,  
Chm. Dem. State Ex. Committee"

A dispatch states that Col. Pear-

sall, of Raleigh, N. C., a member

of the Democratic executive com-

mittee of the State, arrived at Rose

mount at noon and took luncheon

with Judge Parker. After a brief

conversation with the judge he re-

turned to New York.

More than twenty-five able-bodied

men were sitting in idleness yester-

day on Wilmington street. Not a

single one of these who could not

have been at work, if he had want-

ed to. Fodder is burning up with

nobody to pull it. In some places

cotton needs picking, hay is ripe,

and if not saved will be ruined.

Farmers are anxious to pay good

wages in order to have this work

done, and yet here are scores of

hands with nothing to do, and no

visible means of support. This thing

is the curse and blight of this city,

and ought, at any cost to be broken

up. The police force ought to know

everybody in the city, and when

they see a loafer applying his trade

day after day, he ought to arrest

him, carry him before the mayor

and let him choose between going

to work on somebody's farm or be-

ing sent to the roads.

A few examples of this sort

would break up that gang, for every

good man in the city would stand

squarely by the mayor and all con-

cerned.

No use to listen at what one of

these loafers say about wanting

work and offering to do it. The

very fact that they are not at work

and live in habitual idleness is proof

positive that they do not want to

work.

**Fearful Odds Against Him**

Bedridden, alone and destitute.

Such, in brief, was the condition of

an old soldier by name of J. J. Hav-

ens, Versailles, O. For years he

was troubled with kidney disease

and neither doctors nor medicines

gave him relief. At length he

tried Electric Bitters. It put him

on his feet in short order and now

he testifies: "I'm on the road to

complete recovery." Best on earth

for Liver and Kidney troubles and

all forms of Stomach and Bowel

Complaints. Only 50c. Guaranteed

gists.

**KIDNEY DISEASES CAUSE ONE-THIRD OF**

**THE TOTAL DEATHS.**

When the Kidneys fail to perform their functions properly by not straining out the poison-

ous waste matter from the blood as it passes through them, the poisons are carried by the

circulation to every part of the body, deranging the different organs. This causes heart

trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

**FOLEY'S KIDNEY CURE**

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the

whole system, and the diseases that have

resulted from disordered Kidneys disappear,

because the cause has been removed. Com-

mence taking FOLEY'S KIDNEY CURE

at the first sign of danger. Do not risk

having Bright's Disease or Diabetes.

**CURED OF BRIGHT'S DISEASE.**

Mr. Robert G. Brien, Elmora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity

of telling what magnificent results I have had from using FOLEY'S KIDNEY

CURE after having tried other advertised medicines and several physicians. Before I began

it I had to get up from 15 to 20 times each night to relieve my bladder. I was all bloated up

with dropsy and my eyesight was so impaired that I could scarcely see one of my family

across the room. In fact, I was so badly used up that I had given up hope of living when I

was urged by a friend to try FOLEY'S KIDNEY CURE. One great bottle worked won-

ders, and before I had taken the third bottle the superfluous flesh had gone, as well as all

other symptoms of kidney trouble. My friends were surprised that I was cured, so they

all thought I was going to die. Every few days some one comes from miles away to learn

the name of the wonderful medicine that cured me of Bright's Disease, and not one that

has tried it has failed to be benefited.
