GOLDEN NUGGETS FOR GILLOW PEOPLE

FROM THE CAPITOL OF OUR STATE.

Various Items of Interest Discussed By Our Special Correspondent at Raleigh.

RALEIGH, N. C., Oct. 28.

It is a good thing, generally speaking, that the Lord did not make us all alike.

But it probably is not a good thing for the Fair that all of us could not appreciate and enjoy the excellencies of the State Fair alike. The principal complaint made by a large portion of the Fair visitors, (mostly out-of-town people) was of the inferiority of the Midway or the Pike, this year.

The complainants had good ground for criticism along this line—for the "Pike" of 1904 was chiefly composed of lunch stands and restaurants and little ball and ring tossing 'games.'

Constantly making their way along the Pike were a number of "concessionaires" who sold whips—apparently regular horse whips and raw hides, some of them—and a large proportion of the "young gentlemen" who invested their little pieces of money in merchandise amused themselves by striking girls and women on their almost bare shoulders, with such force as to bring great welts and even the blood in a number of cases that were called to this writer's attention.

The ladies who were not "whipped" in this manner suffered almost as badly as those who were, for they stood in mortal fear of receiving the blows every minute at the hands of some of the rowdies who were using them so barbarously and promiscuously.

This is one feature of "amusement" that the Fair authorities should most certainly cut out of the Fair in 1905.

The excellent "side-shows" that are common to most Fairs, and which have been here largely for a number of years in the past, were not here this week.

The few that are here can be counted on the fingers of one hand, and not all of them are worth the dime required to enter them.

The entire list of Pike attractions which were expected to come here from the big Maryland Fair at Hagerstown gave us the go-by this time.

There was much complaint because of this fact on the part of thousands of visitors—country people, chiefly, who came to the Fair largely for the express purpose of being amused and entertained by these "fakirs."

The writer is not referring to any so-called "immoral" or indecent show. No one clampions their cause, that we know of—least of all this paper. The class of Pike attractions referred to above are most of them at least, not of this character.

What is said now in this connection is related in the manner of a kindly criticism; for the State Fair has no better friends than the Evening Times.

The Fair, proper, was a success. The exhibits are large, varied and most meritorious—that would reflect great credit on the greatest State in the American Union.

The racing events (with liberal purses) compare most favorably with those of any preceding Fair, and have been a source of enjoyment to a majority of all who have visited the exposition.

The Fair management have this year provided one of the best of "free exhibitions"—the Bicketts. Their trapeze evolutions and daring l-aps especially being first-class work. We do not recall having seen anything better on the State Fair grounds in the years past.

OUR CANDIDATES STUMPING COUNTY

Hon. J. H. Small With the County Canvass at Goose Nest Last Friday.

The County Canvass begun last Friday at Goose Nest when the County Candidates and Hon. John H. Small addressed the people.

There was a very large crowd out to hear them discuss the political matters. All the speakers were enthusiastically received and their speeches thoroughly enjoyed.

Hon. John H. Small spoke at some length and discussed national politics. He was heartily received by the people of Goose Nest, and made them an excellent speech.

Saturday the candidates were at Hamilton, where they met a very fair sized crowd which gave them undivided attention.

Tuesday the candidates were at Poplar Point where they were met by a large crowd for that place. Their speeches strengthened the present county administration considerably.

While none of the candidates claim to be orators, they are good earnest speakers, and won the confidence of the people wherever they go.

Wednesday, Hassells was visited by the speakers and a large crowd was present. Mr. R. W. Salsbury had prepared a barbecue and those present were royally entertained.

Tuesday was spent at Gold Point, that hot bed of democracy. Hon. J. H. W. Stubbs, who had been away on a 20-days' campaign in Dare, Tyrell and Washington counties, joined the boys at Gold Point and added a great deal to the enthusiasm. As is always the case, the boys were treated royally at Gold Point.

Today the candidates are at Cross Roads. Tomorrow a big day is booked for Robersonville.

Big Day in Griffin
Last Tuesday about seventy-five to one hundred citizens met for the perfection of plans for the grand rally on Nov. 3. Mr. Benj. Manning, in his smooth and forcible way, called the meeting to order and told them that on Nov. 3rd we intended to write another page to the illustrious history of Griffin Township—a page that even our grand children will be proud of; for on that day we are to be honored by his excellency, the Governor of North Carolina—Charles Brantley Aycock.

Mr. Manning called to the chair as Chairman, Sylvester Pelle, and Ephraim Peele as Secretary. After accepting the Chairmanship, Mr. Peele declared the house ready for business and that the appointment of the Committee of Arrangements was the first in order. The following named gentlemen were unanimously selected: Mr. S. R. Hardison, Chm., H. T. Robertson, Jr., John E. Lilly and G. W. Griffin.

To The Public
This is to notify all persons in Martin county that the nomination of myself for coroner by the Republican Convention on Thursday of last week was unheard of imposition. I have never sought any favors from any party, more especially the Republican and Populist.

I was not consulted in regard to the nomination. Had I have been I would have emphatically refused to have my name presented to the convention, as I now refuse to let my name go before the voters of this county as a nominee of that party.

I am a Democrat and intend always to be one.

Very respectfully,
JOHN A. CASTLE.

DARDENS

Mrs. C. C. Bundy was a visitor in Dardens last afternoon.

There will be a union meeting at Corinth church next Sunday. Miss Bessie Riggsby was a visitor in Dardens Monday afternoon.

Mr. Z. V. Fagan made a business trip to Washington Thursday. Miss Dare Hassell spent Monday with her cousin, Mrs. Mittie Fagan.

Mr. J. A. Getsinger spent Sunday with his parents near Jamesville. The family of Mr. J. B. Riggsby anticipate moving to Norfolk in the near future.

Mrs. C. C. Fagan, who has been confined to her home for a month with lagrippe, continues very ill. Mrs. Lizzie Sallenger is rapidly growing worse. She has been suffering for several months with dropsy.

Mrs. Dora Sallenger, of Norfolk, is visiting in the home of Mr. A. B. Waters. She is a very attractive young widow.

Mr. R. C. Fagan, who went to California for his health last Spring is anticipating returning soon, as he is growing worse.

Mrs. Bettie Jones and sister, Mrs. Spruill, of Roper, are visiting in the home of their brother, Mr. Brown, of near Jamesville.

Miss Carrie Moore, one of our most beautiful young ladies, attended Sunday School at Roanoke Grove Sunday afternoon.

If it rumored that we are to have a marriage near here in a few weeks. We hope to hear of several more before the season is over.

Pill Pleasure

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what pill pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but pleasantly give tone and strength to the tissues and organs of the stomach, liver and bowels. Sold by Anderson, Crawford & Co.

DO YOU NEED A MEDICINE?
IT COSTS YOU NOTHING TO INVESTIGATE.

There is no one who does not need a Liver Medicine occasionally. The symptoms of Liver Complaint are well known to every one, such as constipation, dyspepsia, loss of appetite, sleeplessness, headache, a tired feeling and many others of a similar nature. Thousands die annually by not heeding the warnings of nature.

Many acquire some chronic disease from which they never recover. Many of these could be spared for years of usefulness, by keeping in the home some reliable remedy.

We believe that we can convince any fair-minded person that there is no better remedy for the Liver known, than Dr. Thacher's Liver and Blood Syrup.

The formula is known, consisting of: Buchu, Hydrangea, Mandrake, Yellow Dock, Dandelion, Sarsaparilla, Gentian, Senna and Iodine of Potassium. You know just what you are taking. How many other formulas of a liver medicine are published? Ask your druggist about this. It is already prepared and can be taken immediately.

The strength is extracted in the most skillful manner, certainly superior to any powdered preparation known. (We also manufacture a Liver Medicine in powdered form, with which any druggist can supply you, but this, like all other dry Liver Medicines requires preparation.)

Dr. Thacher's Liver and Blood Syrup is pleasant to take, does not lose its strength, as Liver Medicine in dry form, and will keep in any climate.

Your doctor, however skillful, could prescribe nothing better.

There is no opportunity for a doctor to make a mistake in writing a prescription, or a druggist to make a mistake in compounding the same, (besides a doctor's bill and the cost of the medicine.) You can be absolutely sure of the proper proportion being in every dose.

Dr. Thacher's Liver and Blood Syrup has been used with the greatest confidence and success in thousands of homes for 33 years, and is prepared by a pharmacist of 25 years' experience, in a laboratory equipped with the most modern appliances for the most perfect safety.

If you do not understand your case, write today for a Free sample bottle and "Dr. Thacher's Health Book." Give symptoms for advice. We simply ask that you try it at our expense. We insist that you will do.

FOR SALE BY ALL DRUGGISTS.
