William Jennings Bryan in the Commoner says: Every man is responsible for his influence, be it small or great. Every democrat who votes for Parker votes to defeat Roosevelt. Every democrat who does not vote for Parker contributes toward the election of Roosevelt. On every question on which Judge Parker's position is open to criticism, President Roosevelt's position is worse; where they differ, as they do on many important questions, Parker is right and Roosevelt is wrong.

We extend our thanks to the people of Griffins for their kind invitation to be with them next Thursday, and assure them, if nothing happens, that we will be present.

In another column of this issue will be found an article of resolutions adopted by the voters of Griffins, in which they extend an invitation through us to the entire county to be present on that day.

Governor Charles Brantley Aycock will be at Griffins and all that attend will be treated to one of his great speeches.

The people of Griffins know how to entertain and those that are fortunate enough to be present on November 3rd are sure of a hearty welcome and a sufficiency of good things to eat.

Big Averages
At Thursday's sale at the Roanoke Warehouse, Mr. B. T. Wynn of Everetts, sold 2780 for \$590.80, an average of 18 cents a pound. One barn of this tobacco was tips, weighing 762, for which he received \$133.87. Out of the other he sold 114 lbs. for \$50 per hundred. This is just a reminder of what the Roanoke can do on good tobacco.

Two of our young gallants, Messrs. W. A. Anderson and R. W. Clary, will celebrate their birthdays next Wednesday. They are not the same ages, however, the former will be 65 and the latter 62. Of course they will celebrate the occasion on the merry-go-round and at the circus.

THE SECRET OF SUCCESS

Forty Million bottles of August Flower sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unflinching success in the cure of indigestion and dyspepsia—the two greatest enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders—that it has proved itself the best of all liver regulators? August Flower has a matchless record of over thirty-five years in curing the ailing millions of these distressing complaints—a success that is becoming wider in its scope every day, at home and abroad, as the fame of August Flower spreads. Trial bottles, 25c; regular size, 75c. For sale by S. R. Biggs.

Our Paragraph Column

It certainly is a pity to spoil these fine October days by working in 'em.

Gen. Kuropatkin reported that Kuroki's army was lost, and he is very sorry that the Jap didn't stay lost.

The wholesalers have even gone so far as to mark down the price of ginger. And still the campaign lags.

A Kansas politician has quit politics and opened up a saloon. His friends say he is thoroughly reformed.

New Yorkers have at last found that wood alcohol has some redeeming qualities. It kills or cures in very short order.

Ohio has seen so many train loads of "dough" going into the Indiana campaign that she is trying to get into the "doubtful" column.

If the politicians would only give us their "private" opinions instead of their public ones, the campaign would be ten-fold more interesting.

A religious sect down in Florida claims that the inside of the earth is inhabited. We would like to know very much what the temperature is.

It has just leaked out why Carrie Nation's stay in Texas was so short. Carrie butted into a seltzer syphon in action. It was one too many for Carrie.

There is some advantage in being a small state. Little Delaware has a man who keeps her at the high tide of prosperity by dabbling in politics.

The Episcopal Convention in Boston after wrangling over the divorce question for several days seems to have decided to leave the matter to the courts.

Temperance orators have been appalling us with the enormous consumption of liquor—now it has been discovered that eighty-five per cent of it is only prune juice.

A baseball umpire has abandoned that profession for politics and has captured a nomination for state senator. He seems to prefer mud thrown at him rather than baseball bats.

It was rumored some time ago that the Emperor of Japan was about to recall Field Marshall Oyama. The Russians are praying fervently that he will not change his mind.

Poor Tom Watson is having a hard time. Down in Georgia they think he is as bad as republicans—in some other parts of the country they think he is no better than a democrat.

The dispatches from the seat of war state that the undertakers in and around Mukden are rapidly getting into the millionaire class, and the season may not be more than half over.

Well, we really can't blame old Dr. Elliott for supporting his former pupil Teddy even if it is a bitter dose. Poor Harvard would go in mourning for a month if "Ted" should get a licking.

It has just been ascertained that seventy-two per cent of the earnings of Chinaman in New York City is spent in gambling. Who accused the poor Chinaman of sending his money back home.

Gen. Chaffee has issued an order prohibiting army officers from accepting gifts. This is done toward aiding Gen. Corbin in his fight for bachelorhood in the Army. The word "gift" being interpreted to mean brides also.

Judge Parker claims the Philippines cost us \$600,000,000—Secretary Taft asserts that they cost us only \$189,000,000. This matter must be referred to the Hon. Carroll D. Wright. Carroll D is an expert on averages.

Hon. Luke Wright, Governor of the Philippines, thinks "we" ought to govern the Philippine Archipelago for at least a score of years longer. Gov. Lukey is drawing \$20,000 per annum while Uncle Sam is holding on to that "think."

Ring's Dyspepsia Tablets cure indigestion, dyspepsia and strengthen the stomach. S. H. Ellison & Co.

Jas. Taylor, of Kendallville, Ind., was seriously diseased with kidney and bladder trouble for 20 years. He tested every known remedy without much benefit, until he used Pineules. This new discovery cured him, and Mr. Taylor advises all persons suffering from kidney of bladder troubles to get a bottle of Pineules at once. S. H. Ellison & Co.

Bee's Honey and Tar is different from all other remedies offered for the relief of cough, lung and bronchial troubles. It contains antiseptic properties that destroy the germs, and solvent properties that cut the phlegm, allowing it to be thrown off, moves the bowels gently. Cures Croup, Whooping Cough, and Colds in one night. Sold by S. H. Ellison & Co.

You cannot cure piles by external application. Any remedy to be effective must be applied inside, right at the seat of the trouble. Manzan is put up in a collapsible tube, with a nozzle, so that it reaches inside and applies the remedy where it is most needed. Manzan strengthens the blood vessels and nerves so that piles are impossible. Manzan relieves the pain almost instantly, heals, soothes, cools and cures. Sold by S. H. Ellison & Co.

A new theory that is proving successful in the cure of Coughs, Lung and Bronchial affections is offered in Bee's Laxative Honey and Tar. HALT! Are you aware of that which your WATCH is doing in the course of one year (365 days)
The balance wheel of your watch makes 157,080,000 revolutions.
THINK OF IT!!
In that time the oil gums, produces friction and wears the delicate bearings, destroying their high finish and perfect fit; thereby ruining an accurate time-keeper, an ordinary watch should be oiled daily. Your watch should be properly cleaned and oiled once a year. Let me examine it. An honest opinion from me cost you nothing. Come around and examine my stock; I handle Watches of all makes and grades, and at a small percentage, too. I sell
