

**Wine of Cardui Cured Her.**

218 South Prior Street, ATLANTA, GA., March 21, 1904.

I suffered for four months with extreme nervousness and lassitude. I had a sinking feeling in my stomach which no medicine seemed to relieve, and losing my appetite. I became weak and lost my vitality. In three weeks I lost fourteen pounds of flesh and felt that I must find speedy relief to regain my health. Having heard Wine of Cardui praised by a several of my friends, I sent for a bottle and was certainly very pleased with the results. Within three days my appetite returned and my stomach troubled me no more. I could digest my food without difficulty and the nervousness gradually diminished. Nature performed her functions without difficulty and I am once more a happy and well woman.

**Now For The Winter Courses**

It is only slightly over a month when the Winter Course in Agriculture and Dairying will be opened at the A. & M. College. These courses are intended only for farmers. There are no entrance examinations. There is no tuition. Everything is free to the farmers of the State, except board, room and fuel. The total cost for these for the ten weeks is but thirty dollars. If you wish to study your work; understand the soil and how to fertilize and improve it; how to breed and feed animals; how to make butter; how to judge farm animals and farm crops; and to study the various details for practical work on the farm; you ought to spend ten weeks at the Farmers College. You can readily get away from home during the winter months and meeting with other farmers and talking with them about our farm problems immense good will come to you and to the agriculture of the State. You had better arrange early for this course. Talk with a friend or two and see if you all can't come.

If you have any questions write Professor C. W. Burkett, West Raleigh, N. C. and receive full particulars. Let's all off to the Winter Course.

**No More Sufferin**

If you are troubled with indigestion get a bottle of Kodol Dyspepsia Cure and see how quickly it will cure you. Geo. A. Thomson, of Spencer, Ia., says: "Have had Dyspepsia for twenty years. My case was almost hopeless. Kodol Dyspepsia cure was recommended and I used a few bottles of it and it is the only thing that has relieved me. Would not be without it. Have doctored with legal physicians and also at Chicago, and even went to Norway with hopes of getting some relief, but Kodol Dyspepsia Cure is the only remedy that has done me any good and I heartily recommend it. Every person suffering with Indigestion or Dyspepsia should use it." Sold by Anderson Crawford & Co.

**The Cause of Many Sudden Deaths.**

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
