## Good News for One of Martin's Sons.

We publish below an article from the Fayetteville Observer, and in it we pleasantly note that one of Martin's young sons, being only twenty-three years old, has been greatly honored by being elected Vice President of the National Bank of Fayetteville, N. C., a very strong institution, with a paid in capital of \$100,000. We are always glad to see our young men doing well.  
"At a meeting of the directors of the National Bank of Fayetteville held yesterday afternoon the following officers were elected: W. A. Vanstary, president; E. H. Williamson, John Elliott, R. G. Harrison, vice-presidents; Ralph Jessup cashier; A. B. McMillan, assistant cashier; T. M. Shaw, teller.  
"Mr. Cooper resigns to devote his whole time to the Southern Life Insurance Company, the success of which has been so greatly promoted by his efforts and business qualities which made him so valuable as cashier of the bank. The above officers are men of the finest business standing in the community, and the interests of the bank are in good hands."

## Williamston vs. Hamilton.

The first game of the season was between Williamston and Hamilton which took place on the latter's diamond last Friday evening, the score being 21 to 11 in favor of Williamston. The line up was:  
WILLIAMSTON. HAMILTON.  
C. Critcher, P. Lawrence, P.  
Moore, C. p. Peele.  
Godwin, D. 1b Gurganus L.  
Simpson, D. s. s. Grimes, W.  
Martin, W. 2b Long, E.  
Teel, V. 3b Matthews.  
Taylor, F. r. f. Moore, B.  
Watts, W. c. f. Slade, B.  
Guganus, S. 1. f. Sherrod, W.  
The features of the game were the beautiful catch of Willie Watts in centre field and the heroic and manly slide of Frank Taylor, with closed eyes and a firm determination to score his run. Perhaps Frank thought he was on rollers. Lawrence as receiver and Long as "tagger" on second did some very fine work.

## Williamston Bottling Works.

Mr. C. Alexandre, proprietor of the Williamston Bottling Works, has recently installed a gasoline engine and otherwise increased the capacity of the enterprise. He tells us that he has more orders than he can conveniently handle, but that he hopes soon to so improve his plant as to be able to give his customers better accommodation and fill all orders more promptly.

## Jamesville's Pests

To the Editor:—I wish to ask your readers if they have ever been to a place as old as Jamesville and incorporated also and find as many different animals on the streets as they find in Jamesville. I beats all I have ever seen. I have seen people feeding their stock on the sidewalks of this place.  
I have heard the remark if any person ever got the first sip of Jamesville water they would come back. If a person will go down on the business street and look around the well, he never will want the first drink. It is a shame. I almost venture to say it is an unpardonable sin to allow a place to go so far behind. Other places are up and doing. Where old Jamesville is, where she was years and years ago.  
If nothing else a good idea would be to rent a sprinkler or not have any, and hire a few men and sweep the streets. That would help wonderfully. They beat all streets I have ever walked upon.  
K. HOAT.  
Jamesville, N. C., June 6.

## Following the Flag.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for colds, colds, bronchial troubles, and all lung diseases. Guaranteed at S. R. Biggs drugist. Price 50c and \$1.00 Trial bottle free."

## Best Time to Get Well.

## All Poisons Can Be Driven Out of the System Now.

Right now is the best season of the year to get rid of the blood, liver and kidney affections that have been troubling you. You need building up now in order to stand the strain of the hot weather of summer.

Let Rheumatism, Sciatica, Gout, Catarrh, Indigestion or Constipation run through these months and they become chronic and hang on for years.

A regular course of RHEUMACIDE taken at the present time will thoroughly cleanse the blood, tone up the stomach, set the liver and kidneys to doing their normal work again, and will build up the entire system.

While it is the most wonderful blood purifier in the world, yet RHEUMACIDE is a purely vegetable preparation that operates through entirely natural methods. It has been tested on the delicate stomach of a baby without the slightest harm.

Better get a bottle today and start to get well. RHEUMACIDE has cured hundreds of stubborn cases after all other remedies, noted physicians and even the great Johns Hopkins Hospital have failed. RHEUMACIDE has cured thousands of cases and we believe it will cure you. Your druggist sells it.  
RHEUMACIDE "gets at the joints from the inside" and "makes you well all over." Sold by S. R. Biggs.

## Fish Fry at Big Mill.

The gay throng of fishermen and fisherman, if we observed correctly, failed to take with them any fishing poles as they were about to be jolted into the country, down on the pond of the Big Mill, where Nature of her own accord helps the young fishermen and women out and adds luck to every "bite".

We think it bad policy to carry lunch to a fish-fry; you would not fish with the same force, because necessity would not compel you to do so. Having a supply, in case of an emergency, takes all the romance and novelty that the youthful mind is heir to out of an occasion of this kind.

But there is the sombre forest, the swiftly flowing brook, on whose banks they may sit and hear Nature's eloquent voice on all sides, to inspire even a fisherman and a fisherwoman—without a hook and line—to haul in a goodly supply of perch, if they had only thought to bring their pole.

When you go fishing fish with hook and line. Be prepared to catch other things on the side, boys; there's where the romantic will come in and lead you into beautiful "Castles in the Air".
