CURES ALL SKIN TROUBLES

Sulphur the Accepted Remedy for a Hundred Years

Sulphur is one of the greatest remedies nature ever gave to man. Every physician knows it cures skin and blood troubles. HANCOCK'S LIQUID SULPHUR enables you to get the full benefit in most convenient form. Don't take sulphur "tablets" or "wafers," or powdered sulphur in molasses. HANCOCK'S LIQUID SULPHUR is pleasant to take and perfect in its action. Druggists sell it.
A well known citizen of Danville, Pa., writes: "I have had an aggravated case of Eczema for over twenty-five years. I have used seven 50 cent bottles of the LIQUID, and one jar of your HANCOCK'S SULPHUR OINTMENT, and now I feel as though I had a brand new pair of hands. It has cured me and I am sure it will cure anyone if they persist in using HANCOCK'S LIQUID SULPHUR according to directions."
"BUTLER EDGAR."

Anderson, Crawford & Co.

—Are you a Chuloo?
—This is fine weather for the farmer.
—Quite a difference in the weather now and last Sunday.
—Dr. James S. Rhodes has bought Dr. John D. Biggs' trotting horse.
—One of the post office inspectors was in town Wednesday checking up the new post-office. Everything was found to be in good shape.
—Farmer Graham claims to have as fine tobacco plants as any farmer in the county. If Mr. Graham can grow tobacco as well as he can sell it he is all right.
—Drilling the artesian well has been resumed. The stop was caused by a break in the machine. Work is now going on nicely under the supervision of Mr. Smythe Henderson.
—The cold weather of last week has not hurt the crops and fruit as much as was first thought. The fruit trees seem to be doing very well and the tobacco plants are growing nicely.
—Mr. Fred Robuck brought to this office last Saturday a tobacco plant large enough to set out. The plant had leaves on it two by three inches. Mr. Robuck is one of the most energetic farmers in Martin County and is especially fortunate with his tobacco crops.
—The Martin County Buggy Co.'s buildings are going up rapidly. The blacksmith shop is about finished and the main building will be closed in a few days. Some of the machinery has already arrived and more is expected daily. Everything will be in working shape by May 1st.
—The Combination offer that is now running in this paper will be withdrawn May 1. If you want to take advantage of this rare opportunity NOW is the time. No subscriptions to this combination taken after May 1. To every one sending in five subscriptions to this combination offer we will send The Enterprise and the other sixteen papers one year free. If you want a nice lot of reading matter get busy and send us the subscription. If you prefer you may retain 25 cents for every yearly subscription you send us.
—Mr. Eli Gurganus spent several hours in Dardens yesterday.
—Mr. W. T. Ward spent several hours in Plymouth yesterday.
—Mrs. B. C. Crawford and little Martha Cotton of Lexington arrived yesterday on the noon train.
—Mr. J. G. Godard Elected President.
At a meeting of the Board of Governors of the Lotus Club last Friday evening Mr. J. G. Godard was elected president to succeed the late D. S. Biggs, and Dr. John D. Biggs was elected vice-president to succeed Mr. Godard.
The club is in a flourishing condition and has as nicely appointed quarters as any club in any town of its size in the state.
—Prayer Meeting.
The nightly prayer meeting being held at the Methodist Church this week is being well attended and there is much interest manifested. The revival services will begin Sunday. There will be morning and night service each day next week.

ENGLAND SAYS
NO ALUM
IN FOOD

In England and France the Sale of Alum Baking Powder is prohibited by law because of the injurious effects that follow its use.

The law in the District of Columbia also prohibits Alum in food.

You may live where as yet you have no protection against Alum
The only sure protection against Alum in your Baking Powder is to

Say plainly—

ROYAL BAKING POWDER

ROYAL is made from Absolutely pure Cream of Tartar,—a pure Grape product. Aids digestion—adds to the healthfulness of food.

H. K. Brown Dead.

News was received here yesterday afternoon that Mr. H. K. Brown, a former County Commissioner, at his home near Oak City Wednesday afternoon of paralysis. He was sixty-five years old and leaves a wife and a number of children.

Mr. Brown served as County Commissioner during 1883 and 1884 and made a good record. The funeral will take place from his late residence this afternoon at two o'clock.

An Opportunity

Mr. W. T. Meadows has a letter from a Baltimore Manufacturer that wishes to retire from the manufacturing business and wishes to dispose of his plant. The plant will be sold for \$25,000 and the manufacturer will take \$15,000 stock in a company buying same. This is a business already built up and the moving of the plant would not necessarily mean a loss of any of the patronage now enjoyed by the company.

If a company could be formed here to purchase this plant it would mean a great deal for Williamston. Mr. Meadows has the catalogue of the articles manufactured as well the inventory of the plant and will be glad to show them to anyone interested.

Appreciation

(Reported)
The citizens of Williamston presented a very handsome case to Mr. Frank F. Fagan on Thursday last to assure him of their appreciation for his efforts in securing the new train which we happily style the "Fagan's Special". A committee of three being appointed to present same to Mr. Fagan, the chairman said:

Please allow us to present to you this souvenir as a token of our appreciation for your invaluable service rendered the town and community in securing the extra passenger train from which we derive so much pleasure and benefit on account of its convenient schedule. Your untiring energy and wise efforts proved a "Sine quo non" to what we now appreciate so much, namely, the "Fagan Special".

The Judge Uses Forceful Language

Judge W. B. Simmons of Fincastle, Va., told the reporter that L. & M. paint was used on his residence in 1882, and held its color for 21 years; he furthermore said that three years ago he was induced to use another paint and is sorry he did, because the other paint didn't make good. The Judge will now use L. & M. Paint, because he knows if any defect exists in L. & M. Paint the house will be repainted for nothing.

The L. & M. Zinc hardens the L. & M. White Lead and makes L. & M. Paint wear like iron for 10 to 15 years.

Actual cost of L. & M. about \$1.20 per gallon.
Donations of L. & M. made to churches. Sold by S. R. Biggs, Williamston, and R. W. Salisbury & Bro., Hamilton, N. C.
