—Mr. John W. Bailey of Bear Grass Township, who was thrown from his wagon on the second Saturday in May while hauling fertilizer, and had three ribs broken, was in town Tuesday for the first time since the accident. Mr. Bailey was looking very feeble, but is improving. It is hoped that he will soon be entirely well.
—On the 19th of June there will be something doing on the race track. A free for all race will be trotted that day and it is expected that there will be a number of entries from Bertie County as well as one or two from Robersonville. It is stated that the track is in very good condition. The local horse owners are to be seen nearly every day working out their horses.
—Work on the artesian well has been suspended until an expert can be secured. The company has written for a man to advise as to the best steps to be taken at the present stage. It is thought by some that the three inch pipe will be taken out and a sand strainer put on the 4 1/2 inch pipe and that pulled back to the water struck about 300 feet below the surface.
—Mr. T. H. Debnam, vice-president of the Suffolk Feed and Fuel Co., of Suffolk Va., was in town yesterday going the rounds with their local representative, Mr. G. T. Brantley. He was taken out to the barbecue and enjoyed the occasion very much. Mr. Debnam is an old acquaintance of the editor's and we were very much pleased to see him. It has been more than ten years since we saw him, and the meeting recalled many pleasant recollections of a period in our life that has not been forgotten.

County Commissioners.

The regular monthly meeting of the County Commissioners was held Monday. In the absence of Mr. R. H. Salisbury, the chairman, Mr. W. A. Brown acted in his stead. There was nothing of importance before the board and the work was soon finished.

There was Something Doing

Last Tuesday Mr. Walter Dupree, who is employed by Daniels & Staton, was delivering some lumber at A. R. Mizell's farm, a few miles from town, and when he dropped the load of lumber on the ground near a tree a swarm of bees lighted on him and the mules in trying to get the mules unhitched from the wagon the bees stung him severely. The bees in the meantime had not been idle but had put in some pretty effective work on the mules. The mules got so fighting one another and in the fight one of them got an eyelid bitten nearly off by the other mule. After some time Mr. Dupree managed to get things straightened out and came to town to have himself and the team attended to. Dr. Rhodes attended the man and Mr. S. R. Biggs doctored the mules, taking a stitch or two in the bitten eyelid. Man and beasts were in a sad plight when they first got here but when they left late in the evening they were all doing very well.

For scratches, burns, cuts, insect bites and the many little hurts common to every family DeWitt's Carbolized Witch Hazel Salve is the best remedy. It is soothing, cooling, clean and healing. Be sure you get DeWitt's. Sold by S. R. Biggs, Williamston, N. C., Slade Jones & Co. Hamilton, N. C.

Hail Storm

There was quite a severe hail storm near Spring Green, about six miles from here. The storm did a great deal of damage to the crops as well as to the farm lands. Mr. J. N. Taylor was in town Monday buying tobacco flues and stated that his crop was damaged considerable, and that his land was damaged at least \$75. There was another hail storm in this county on Wednesday, seemingly starting about the farm of Mr. Eli Taylor, passing over the Leggett farm and also the farm of S. N. Yarrell going in the direction of Jamesville. While there was a large quantity of hail there was no serious damage. Reports from the rural carrier on number four route and several other gentlemen late yesterday afternoon information was gained of the destructiveness of this storm—as it neared Jamesville. In Gardner's Creek section a great deal of damage was done to crops of all kinds, and at Jamesville trees were dismembered and debris piled up in the street. Below Jamesville and in Lilles School House section crops were totally destroyed. One field of tobacco, and the plants were about knee high, was cut down as clean as if it had been done by a mowing machine. Cotton was totally destroyed, and the farmers were out yesterday hunting for cotton seed. This latter section was nearly cleaned of all growing crops.

Remarkable Rescue

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c and \$1.00, at S. R. Biggs, drug store, Trial bottle free.

Something New.

Something new in town—painted red—noisy—smokey—strong odor—frightful looking to every quadruped, whether country or city bred—just an automobile belonging to Mr. Harry Biggs, but an innovation and therefore curious eyes watched the "red devil" as it glided up and down the streets. A pair of long-eared Missouri mules took one glance and vamped into parts untraveled before, and in no graceful manner either. Their rude actions were imitated all the day and pedestrians were the safer and happier.
Monday afternoon Mr. Biggs with Mr. Clyde Tilghman started from Wilson enroute to Williamston, Tuesday p. m. they had reached Robersonville and took a much needed rest. By the pale gleam of the stars, they began the journey again—but no, the machine decided otherwise when about two miles out and allowed itself to be towed back to town. Early Wednesday morning they started forth once more and arrived here about 9 o'clock. Quite a number of Mr. Biggs friends were given an airing during the day. Later tho, like all of its kind, it just stopped and went in for repairs. No doubt, Mr. Biggs will become an expert chauffeur and get much pleasure seeing our beautiful county and drinking in the delights of both earth and sky in his attractive touring car.
When you feel the need of a pill take a DeWitt's Little Early Riser. Small pill, safe pill, sure pill. Easy to take—pleasant and effective. Drives away headaches. Sold by S. R. Biggs Williamston, N. C., Slade Jones, & Co. Hamilton, N. C.

Two Obituaries.

John Doe died last week after a short illness, leaving a widow and five small children. Mr. Doe was seemingly a prosperous merchant, but in settling his estate his stock of merchandise had to be sold at a discount of 50 per cent, and the entire income was absorbed in paying his debts. Nothing was left to his family. Mr. Doe had intended taking Life Insurance, but put it off until it was too late. It would grieve him now if he could know that his family is an object of charity.
Richard Roe died suddenly this morning while on the train enroute to New York. His remains will be brought home for interment. Mr. Roe was a man of large business capacity and foresight. Just one year ago he took a \$10,000 Life Insurance Policy for the benefit of his family. This amount well invested will bring an annual income to educate his children and support his family comfortably.
Moral Query—Would your name be John Doe or Richard Roe?
