Hoyett, Henry, not found	1.80
McNeil, David, left county	1.90
Pugh, Peter, left county	1.80
Williams, Richmond, dead	1.19
Total for Martin County	\$55.44

Respectfully submitted,  
J. C. CRAWFORD, Sheriff Martin County  
May 28, 1907.

## "The Valuable Goober."

To the farmers of Martin County, the peanut crop is an item of vast importance. They have begun to realize that of all crops produced, it is the most valuable when considering it also as a forage plant and a producer of the farmers' "country home." But there are many farmers who raise it only in small quantities and in some sections the average is very small. This condition should not exist. It is well known that Martin County has the largest market in the world for the big peanut. With local facilities for handling the crop, the revenue will be greater to the people.

The following taken from the News & Observer of recent date, gives an interesting idea of the place the "goober" holds in the market of the world, and of North Carolina's supremacy in the production of it:

"North Carolina leads the States of the Union in the peanut output, producing one-third of the crop. Virginia is a close second, and is given credit for another third of production. The remainder of the crop is given in Georgia, Alabama and Florida. The cultivation of peanuts is considered very profitable, and by reason of the growing demand for the product the government is urging an increase of acreage in the peanut belt. In this connection the government publications say: 'The increase in the imports of peanuts which has taken place during the last year makes the conditions of the world production and trade of practical importance to the farmers of certain sections in this country.'"

America is one of the few countries that look upon the peanut as a luxury. The French who are the greatest promoters, employ the "goober" for the extraction of oil. In fact, several countries class peanuts in their trade statistics with seeds or raw products for use in manufactures. No man has done more to boom the peanut as a luxury than the late Bishop Lyman, of North Carolina, a distinguished Episcopal clergyman, who declared that the "goober" is good for insomnia. The cultivation and consumption of the peanut began to grow with that famous declaration some twenty years ago.

Prices of peanuts have also greatly advanced in the foreign markets, the average valuation of imported peanuts, based upon wholesale prices in the markets from which they are sent to the United States, having advanced from 1.1 cents per pound in 1898 to 3.4 cents per pound in 1907, for those in the natural state, and that of shelled peanuts imported in 1898 was 2.4 cents per pound, and in 1907 5.4 cents.

The striking feature of our own trade in peanuts is the rapid growth in importations. The quality imported a decade ago, in the fiscal year 1897 was less than 150,000 pounds; in 1902 over one million; in 1905 more than five millions; and in 1907 seems likely to be about twelve million pounds, of which about one-fourth represents shelled and three-fourths unshelled peanuts, the value being, as above stated, approximately a half million dollars for the present fiscal year, while that of exports will be over one-quarter of a million dollars."

## Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

S. R. Biggs Sells Longman & Martinez L. & M. Paints in pints and quarts at half-gallon prices.

Bellamy Storer is to summer at Black Bay. Quite appropriate for a back number.

The prosperity that simply ignores what is called panic, must be "the real thing."

Tetter Cured  
A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give splendid satisfaction in this community.—M. H. Rodney & Co., Almond, Ala. Chamberlain's medicines are for sale by S. R. Biggs, druggist.

San Francisco is rapidly rebuilding and hopes in time to have not only a first class set of city officials.

The medicine that sets the whole world thinking.  
The remedy on which all doctors agree. The prescription all your friends are taking is Hollister's Rocky Mountain Tea. J. M. Whittier & Co., at Robersonville, N. C.

And the funny feature of the discussion is that the first initiative and referendum law enacted in this country, was the work of a Republican Legislature.

A Fortunate Texan  
Mr. E. W. Goodloe, of 107 St. Louis St., Dallas, Tex. says: "In the past year I have become acquainted with Dr. King's New Life Pills, and no laxative I ever before tried so effectually disposes of malaria and biliousness." They don't grind nor gripe, 25c. at S. R. Biggs, drug store.

If you want to lighten your own load, take by a few of your neighbors burdens.

Rest Your Heart  
"Rest your heart now and then during the day," said an instructor in gymnastics.  
"But the heart can't be rested," a pupil objected. "It works incessantly from birth till death."  
"It rests the heart to lie down," said the instructor.  
"Every night's rest of nine hours saves the heart of the lifting of 32,400 ounces of blood. Considerable rest there, eh?"  
"When we lie down the hearts action becomes slower—slower by ten strokes a minute. Thus, in an hour 600 strokes are saved, and in nine hours 5,400 strokes. Each stroke pumps six ounces of blood, and therefore, in nine hours the heart is saved the labor of pumping 32,400 ounces."  
"The heart often requires a rest, and men generally would rest if they knew how. But most men think, like you, that such a thing is an impossibility. A great mistake."

Bill Nye's Cow Advertisement.  
Bill Nye, the humorist, once had a cow to sell, the story goes, and advertised her as follows: "Owing to my ill health, I will sell at my residence in township 19, range 18, according to the government survey, one plush raspberry cow, age 8 years. She is of undoubted courage and gives milk frequently. To a man who does not fear death in any form she would be a great boon. She is very much attached to her present home with a stay chain, but she will be sold to any one who will agree to treat her right. She is one-fourth Short-horn and three-fourths hyena. I will also throw in a double-barrel shot gun, which goes with her. In May she usually goes away for a week or two and returns with a tall red calf with wabby legs. Her name is Rose. I would rather sell her to a non-resident."

He Fired the Stick  
"I have fired the walking-stick I've carried over 40 years, on account of a sore that resisted every kind of treatment, until I tried Bucklen's Arnica Salve; that has healed the sore and made me a happy man," writes John Garrett, of North Mills, N. C. Guaranteed for Piles, Burns, etc. by S. R. Biggs, druggist, 25c.

## Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Kodol Digests What You Eat.  
Bottles only. Relieves indigestion, sour stomach, belching of gas, etc.  
Prepared by E. C. SWIFT & CO., CHICAGO.  
For Sale By: S. R. Biggs, Williamston Slade, Jones & Co., Hamilton.

## Cures Blood, Skin Diseases, Cancer, Greatest Blood Purifier Free.

If your blood is impure, thin, diseased, hot or full of humors, if you have blood poison, cancer, carbuncles, eating sores, scrofula, eczema, itching risings and bumps, scabby, pimply skin, bone pains, catarrh, rheumatism, or any blood or skin disease, take Botanic Blood-Balm (B. B. B.). Soon all sores heal, rashes and pains stop and the blood is made pure and rich. Druggists or by express \$1.00 per large bottle. Sample free by writing Blood-Balm Co., Atlanta, Ga. B. B. B. is especially advised for chronic deep-seated cases, as it cures after all else fails.

12:35 p.m.	at Kinston	" 3:15 p.m.

**Every Man His Own Doctor**  
The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailment. Success often depends upon prompt treatment which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.  
Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.  
Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.  
Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.  
Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.  
Chamberlain's Salve for diseases of the skin.  
One bottle of each of these five preparations costs but \$1.25. For sale by S. R. Biggs.

**Little Bobby on Bees.**  
Little Bobby wrote an essay on bees as follows:  
"The bee is a queer sort of an insect, that gives people a few points that they don't appreciate. The queen bee bosses the hive just like ma bosses our house. The drone bees is like pa. He don't care much about work. There are other kinds of bees, including p-tical bees, quilting bees and busking bees. But the best bees of all are the kissing bees. There is a kissing bee in our parlor every Sunday night, and I get a nickel not to tell about it. When it comes to a choice of bees give me a kissing bee every time."—Chicago News.  
"This little pig went to market," doesn't amuse tonight.  
Baby's not well; what's the matter, her dear little cheeks are so white;  
Poor little tummy is aching, naughty old pain go away;  
Cascasweet mother must give her then she'll be bright as the day.  
It is sold here by S. R. Biggs, Williamston, N. C., Slade Jones, & Co. Hamilton, N. C.

**Mr. Bryan's declaration that there should be no quarrel among people with a common purpose in life may encourage Mr. Carnegie a little in his peace ambition.**  
—Smoke El Coreso.

—Are you a Chulo?
