**Porgies.**  
"Did you ever hear about the fish that was cut in two, away back, and has been cut in two ever since?" asked the hopeless etymologist, as he passed Fulton market one morning and saw the fishmonger pouring a barrelful of porgies into a tank of ice. "Those fish used to be called 'scuppaugs' by the Indians, and the natural human tendency to shorten things cut the word in two, and now the Jerseyman and the Rhode Islander call them 'scup,' while the New Yorkers and Connecticut folks call them 'porgies,' or porgies."—New York Post.

**Take the Postmaster's Word for It**  
Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. He says: "Chamberlain's Colic, Cholera and Diarrhoea Remedy is standard here in its line. It never fails to give satisfaction and we could hardly afford to be without it." For sale by S. R. Biggs.

Jolkley—I knew a young fellow who went to sleep one night and the next morning awoke a white haired paralytic. Jolkley—Oh, come now, I say! Jolkley—Fact! The young fellow was "boots" in a hotel, and the white haired paralytic that he waked up was a guest there.

**A Remarkable Day**  
One of the days we remember with pleasure, as well as with profit to our health, is the one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right, 25c. at S. R. Biggs, Drug Store.

The leader of fashion was stricken with pneumonia. "Madam," said the doctor, "your low necked dress is responsible for this." "I knew that costume would be effective," murmured the patient weakly, but with a satisfied smile.—Pittsburg Leader.

Talk about your breakfast foods. A thousand you can see. I would not have them as a gift. But would have Rocky Mountain Tea. J. M. Whitters Co. at Robertsonville N. C.

Toddling Tommy—Where is Slumberland, mamma? Wise Willie—I know. It's at the other end of Lapland.—Baltimore American.

**Long Live the King**  
Is the popular cry throughout European countries; while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Ryder Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by S. R. Biggs, Druggist, 50c and \$1.00 Trial bottle free.

**A Nautical Explanation.**  
In front of the Theater Royal at Oxford are, or were, some gigantic stone figures, the age and object of which are buried in oblivion. Two sailors were going by, and one of them asked, "Who are these fellows, Bill?" "The twelve apostles," was the reply, without a smile.

"Twelve apostles!" roared the incredulous Jack. "How can that be? There's only six of 'em." "Well, 'y' swab," replied the learned Bill, "yer wouldn't have 'em all on deck at once, would ye?"—Leads Mercury.

## The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**Nursing Her Wrath.**  
Billy ran from the head of the stairs, where he had taken in the gist of the talk at the dining table below. In the nursery he found his younger brother.

"Gee, Jimmy," he cried, "mother's gone to give it to daddy after the company's gone!" "How do you know?" demanded Jimmy.

"Why," answered Billy, "he's told her three times hand runnin' she was mistaken about somethin', and she only said, 'Why, darlin'!"—Cleveland Leader.

Nearly all old-fashioned Cough Syrups are constipating especially those that contain opiates. They do not act just right. Kennedy's Laxative Cough Syrup contains no opiates. It drives the cold out of the system by gently moving the bowels. Contains Honey and Tar and tastes nearly as good as maple syrup. Children like it. Sold by S. R. Biggs, Williamston, N. C., Slade, Jones & Co., Hamilton, N. C.

"Look here, Mr. Smith," said the clergyman sternly, "that was a counterfeit two dollar bill you put in the missionary collection this morning." "Yes," Mr. Smith answered calmly. "I owe the heathen a grudge. They fricussed a missionary uncle of mine some years ago."—New York Press.

**The Windows.**  
A young architect was puzzling over the plans of a building which he wished to make of distinctive appearance. "Just do something to the windows, and you'll be all right," advised an older architect. "It is the windows more than anything else that give a house a character of its own. Take a trip around New York and make a study of the houses that hit you square in the eye the minute you look at them, and you'll find in nine cases out of ten that it is some original feature about the windows that gives the place its note of distinction."—New York Sun.

**Best Medicine in the World for Colic and Diarrhoea**

Last spring it seemed as though I would die, and I think I would if I hadn't taken Chamberlain's Colic, Cholera and Diarrhoea Remedy. **The Doctor Away From Home When Most Needed**  
People are often very much disappointed to find that their family physician is away from home they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured, or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by S. R. Biggs.

**A Murderer in Serbia** was executed on the very spot where he committed his crime. There a pit is dug. He stands in it blindfold, and a firing party shoots him. If he is then still alive, a revolver is held to his head to finish him, and finally the earth is shoveled in upon his body.

**The Charming Woman** is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed at S. R. Biggs, Druggist, 50c.

**The Bottle Post.**

"Do you think you understand it?" "Oh, yes, sir," the parishioner answered, with the unexpected and disappointing addition, "and I hope before long to understand the notes."
