SPECIAL BARGAINS IN PIANOS

We frequently take other makes of pianos as part payment for a STEIFF. In such cases we have our expert factory men thoroughly overhaul and put them in fine condition. We then sell them at very low prices on easy payments. If you feel that you don't wish to pay the price for a new Steiff, let us tell you about what we have in those instruments. If later, you wish a new Steiff, we will take the old one back. Write us about it.
