Great Game of Ball

The game of base ball last Friday afternoon between the fats Leans was pulled off in good shape. Although the weather was threatening, and there had been several showers, the attendance was very good. Those who expected to see lots of runs made were disappointed. Both sides played good ball considering the fact that only four five of all the players had had any practice.

The Leans went to the bat first and the great McCraw, the pill roller, not the professional ball player, was the first man up. Mac han't quite lost his eye for the game, and the second ball over was sent to the field and Mac was thrown out at first. Manning, the staid and dignified register of deeds, was the next man to handle the stick. Although no ball player he put his seal on the sphere and went safely to the first bag. Liles, the educator, was the next man up, in a short time with a full head of steam he was making for first base. Lamb, not your little woolly lamb but the little Luke Lamb what plays ball, was the next to peck on the plate, and alas, the Lamb was slaughtered. Sister Gordon with the blue frock and bonnet all trimmed with fancy fabrics, a Varsity player of note, retired the side, one run made.

Joe Godard, the money lender and the man that is always looking for a good thing stepped to the plate and gave his old side partner, Willie Manning, the wink, Willie passed one up in a silver waiter knowing the banker would not let it pass, J. G. connected alright and the result was that Misses Noah Peel and Tommy Perry held another consultation. Will Mizell, the little country lad, followed and sent one to center where the representative of Graham High School ate it up. The wire puller and phone mender retired the side for the fats. Three runs made this inning.

The fats settled right down to business after this and did not let the "lean old maids" score any more till the eighth inning. It was seen that the "old maids" were getting rather hysterical, as the fats had been piling up runs every inning, so it was thought best to let up on them. The "old maids" had even changed their pitcher, Sister Gordon was put in the box in the sixth inning. Crawford having lost his spit ball, and a few errors, a half a dozen or more by the fat fielders, the old maids scored six runs in the eighth. Somebody found Crawford's spit ball playing around the bleachers, so in the ninth the "old maids" were fanned as fast as they faced the pitcher.

When the fats took stock of the runs when they went in for their ninth they found that the "old maids" were only two runs ahead. This is where that old time Southern chivalry was brought into play they lost all desire to win the game and walked to the slab and struck out like men. The score was 14 to 12.

Score by innings:
1 2 3 4 5 6 7 8 9—Total
Fats 13 11 12 12 20 12
"Old Maids" 13 4 0 0 0 6 0 14

Batteries: Crawford and Godard; Manning, Gordon and McCraw; Umpires, Cook and Hardison. Time of game two hours and twenty minutes.

—Smoke El Coreso.
—Taffy-Tolu, that's me.

High School Districts
The last Legislature made it possible for the County Board of Education to establish two County High Schools.
The Board has located one at Robersonville and at Williamston, as these were the only schools in the County that employed as many as three teachers.
The Board has divided the County into two High School districts, assigning the pupils of Poplar Point, Hamilton, Goose Nest, Robersonville, and Cross Roads Townships to the Robersonville school, and the pupils of Jamesville, William's, Griffins, Bear Grass, Williamston Townships to the Williamston school.
For good and sufficient reasons pupils will be transferred by the Board from one of the districts to the other.
Tuition is free in these schools to public school teachers and all pupils who have completed the seventh grade work in their schools.
Pupils desiring to attend either of these schools can confer with the County Supt. or the Principal of the school they desire to attend.

SPECIAL BARGAINS
IN PIANOS

We frequently take other makes of pianos as part payment for a STIEFF. In such cases we have our expert factory men thoroughly overhaul and put them in fine condition. We then sell them at very low prices on easy payments. If you feel that you don't wish to pay the price for a new Stieff, let us tell you about what we have in those instruments. If later, you wish a new Stieff, we will take the old one back. Write us about it.

Good Base Ball. Why not?

Why shouldn't Williamston have some good base ball for the next three weeks?
The two things necessary are:
1. A Good Team—a team which you would be willing to represent town and advertise it as a base ball team surely does—say what you will—

2. Good support, interest expressed in dollars and cents and in attendance and encouragement.
We have the chance of the team right now—or never. With following proposed lineup: catch Joe Godard, capt; pitch Ed Rogers, 1st Joe Taylor, 2nd Will Mizell, 3rd Gordon, ss Mirt Stubbs, Fielders Tell, Taylor, Martin, Watts.—McCraw, Julius Pell, Luke Lamb. (But it is duty of any one who can, to beat one of these men out for his position). We have good prospect for the first thing necessary.

What can you do about the second?

—Green Pettiford, colored, of Plymouth, was assaulted last Monday night while on his way to his sister's a short distance from town. Pettiford had just crossed the railroad at the Standard Oil tank when a negro overtook him and inquired where he was going, Pettiford told him, and asked him where he was going, the negro replied that he was going beyond Simmons', Pettiford's destination. After walking along for some distance the negro stepped back and struck Pettiford three or four times over the head. As Pettiford raised his hand to ward off another blow, he was struck on the hand and that was broken. The wounded negro fell as if dead, and then the strange negro relieved him of pocket book, watch and a pint of whiskey. The pocket book contained between \$7 and \$8. Ben Wilson, colored, was arrested and tried before Mayor Godwin Tuesday morning charged with the assault. He was bound over to the September Court.
