Indigestion

Stomach trouble is but a symptom of, and not a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop to the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, flatulence and mellow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Conundrums.
Why is a man who has nothing to boast of but his ancestors like a potato plant? The best thing belonging to him is under ground.
Why didn't the dog want to get into the ark? Because he has a bark of his own.

What was it that was only four weeks old when Adam was a boy and not five weeks old when he was a man? The moon.

What Sub Rosa Means.
From time immemorial the rose has been considered the symbol of silence; hence the phrase "sub rosa" (under the rose)—that is to say, between ourselves. Certain Italian writers claim that the expression arose from the circumstance of the pope's presenting consecrated roses, which were placed over the confessional to denote secrecy.

Antiquity of Horseshoes.
Horseshoeing is very ancient. It is represented on a coin of Tharuntum, south Italy, about 800 B. C. Iron and bronze horseshoes have been found in tumuli in France, Germany, Belgium and England. It is of course impossible to designate the first instance in which a bronze or iron horseshoe was used.

Little Foxes and Little Hunters.
First:
Among my tender vines I spy
A little fox named—B and by.

Answer:
Then set upon him, quick, I say,
The swift young hunter—Bight-away.

Second:
Around each tender vine I plant
I find the little fox—I can't.

Answer:
Then, fast as ever hunter ran,
Chase him with bold and brave—I can't.

Third:
No use in trying—lags and whines
This fox among my tender vines.

Answer:
Then drive him low and drive him high,
With this good hunter named—F-B try!

Fourth:
Among the vines to my small lot
Creeps in the young fox—I forgot.

Answer:
Then hunt him out to his den
With—I will not forget—again!

Fifth:
The little fox that, hidden there,
Among my vines is—I don't care.

Answer:
Then let I'm sorry—hunter true—
Chase him afar from vines and you.

The Five:
What mischief making foxes! Yet
Among our vines they often get.

In concert:
But, now their hunters' names you
Just drive them out and keep them so.
—Philadelphia Record.

HAD AN AWFUL TIME

But Chamberlain's Colic, Cholera and Diarrhoea Remedy Cured Him

It is with pleasure that I give you this unsolicited testimonial. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowels. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam. H. Gwin, Concord, Ga. For sale by S. R. Biggs.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.
All the blood in your body passes through your kidneys once every three minutes. If they are weak, the blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pain, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits.

By all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail.

Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

The God of Love.
"Almost as ancient as the earth herself was Eros, the personification of love. Hesiod related that he was among the first of existing things and that he assisted the earth in bringing forth from chaos the earliest forms of life and beauty. Aristophanes and others wrote of Eros as the son of night. Later poets sang of him as the son of Ares and Aphrodite and honored him as the sweet minded promoter of human affections. They represented him as a fair faced boy winged and carrying a bow with which to inflict sweet wounds upon those who came within range. Nor has Eros ceased to exist even in this practical age, for to this day the poets sing of this little winged god as skillful and as pitiless as in the days of old. The philosophic myth of Eros and Psyche is one of the most beautiful of the ancient allegories."—Pearson's Weekly.

ECZEMA

For the good of those suffering with eczema or other such trouble I wish to say, my wife had something of that kind and after using the doctor's remedies for some time concluded to try Chamberlain's Salve, and it proved to be better than anything she had tried. For sale by S. R. Biggs.

An Opportunity Slighted.
"Why don't you buy stock in that company?"

"It doesn't seem to me that the men running it have good business judgment. They say that in a month the price of the stock will be double what it is selling at now."

"Yes?"

"Well, then, why don't they wait a month before selling it to me?"—Washington Star.

John Riha, a prominent dealer of Vining, Ia., says: "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine result."

Sold by S. R. Biggs, Williamston, N. C.; Slade Jones, & Co., Hamilton, N. C.

In the Days of the "Terror."
Some old French memoirs throw an interesting light on the manner in which the French republic came to bear the nickname "Marianne." During the days of the "white terror" there was an old woman called La Mere Marianne, whose duty it was to mop up the pavement after an execution. In this capacity she attended the decapitation of Louis XVI. and Marie Antoinette, as well as other distinguished victims. The gay hearted royalists jeered at her under her familiar name, which came to be applied to the revolutionary party. Later the secret societies adopted it as a watchword, and "Marianne" came to be used as a revolutionary symbol, even by the Italian carbonari.

For an Impaired Appetite
To improve the appetite and strengthen the digestion try a few doses of Chamberlain's Stomach and Liver Tablets. Mr. J. H. Seitz, of Detroit, Mich., says:

"They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." Price, 25 Cents. Sample free, S. R. Biggs.

They Shaved Browning.
Douglas Jerrold was convalescing from an illness when he read Browning's "Sordido." Not a consecutive idea could be got from that mystic production. It struck him that he had lost his reason during his illness. He thrust the volume into his wife's hand. After several attempts to make any sense out of the first page she returned it, saying: "Better the gibberish! I don't understand a word of it."

"Regular as the Sun"
Is an expression as old as the race. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by S. R. Biggs, druggist, 25.

The Missing Spoon.

Three couples, husbands and wives, of the highest repute dined at a New York City hotel a few evenings since, and the host and his wife directed that the coffee be sent to their rooms. This was done, and the waiter, calling later for the cups, saucers and spoons, found that three of the spoons were missing. He reported the matter to the manager, who quickly made a demand for the return of the three spoons. The host and hostess were greatly embarrassed, and you may imagine the feelings of their guests, but the manager was obdurate. A little search disclosed the missing spoons beneath the table. The host and hostess on the following day protested in vigorous terms to the owners of the hotel and got this reply:

"Sorry, indeed, very sorry you were embarrassed, but we stand by our manager. We don't dispute your word, but we would rather have you leave the hotel than criticize him. He knows that every year we are compelled to mark off in profit and loss fully \$25,000 which represents silver and almost every known article under the sun stolen by guests from this hotel."—New York Sun.

Chamberlain's Colic, Cholera and Diarrhoea Remedy. Better Than Three Doctors

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss. For sale by S. R. Biggs.

The Nerve of Him.
"Mr. Sloppy, I understood you have said that nothing could be more satisfactory than a meal at my table!"

"Oh, then you think there are more satisfactory things than a meal at my table?"

"Yes, ma'am; two meals."—Houston Post.

"We never repent of eating too little," was one of the ten rules of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during this hot weather, because it is hard for food even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol for Indigestion and Dyspepsia, which will rest the stomach by digesting the food itself. Sold by S. R. Biggs, Williamston, N. C.; Slade Jones, & Co., Hamilton, N. C.

The best special correspondents were sent by Montezuma to report on the Spaniards under Cortes when they first landed.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol for Indigestion and Dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by S. R. Biggs, Williamston, N. C.; Slade Jones, & Co., Hamilton, N. C.

The Oyster.
When an oyster has its shell closed it is alive. Trained "shuckers" say it is not difficult to open the shell of an oyster when you know how and that they can open from thirty to thirty-six in a minute. It is said that oysters in season may be eaten at all hours of either day or night without causing the least symptom of indigestion. When served raw the small varieties are considered best.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart and Kidneys as well have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by S. R. Biggs.

The Ticks of Jamaica.

There are few flies or mosquitoes in the island of Jamaica, but there are swarms of the most villainous ticks, which have to be guarded against continually. To walk across a pasture or, in fact, to step off a beaten path or roadway is regarded as a very foolish performance by a Jamaican. Strangers usually begin by running headlong into danger and then repenting in haste.

Remedy for Diarrhoea Never Known to Fail

"I want to say a few words for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used this preparation in my family for the past five years and have recommended it to a number of people in York county and have never known it to fail to effect a cure in any instance. I feel that I can not say too much for the best remedy of the kind in the world."

Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by clearing, purifying, sweetening, and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."
