

Thousands Have Kidney Trouble and Never Suspect It.
Prevalence of Kidney Disease.
Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physician, who content themselves with doctoring the effects, while the original disease undermines the system.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest of its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. J. C. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

dinner is brought on the table. Fortunate is the home where grandfather and grandmother still occupy their old arm chairs.
Choose Well
The line of conduct chosen by a young man during the five years from fifteen to twenty, will, in almost every instance, determine his character for life. As he is then careful or careless, prudent or imprudent, industrious or indolent, truthful or dissimulating, intelligent or ignorant, temperate or dissolute, so will he be in after years, and it needs no prophet to cast his horoscope, or calculate his chances in life.

Starting In Life.
No young man who desires to succeed in business has any time to lose in shuffling about in experimental clerkship; and after finishing his school education the sooner he makes choice of his business for life, and sets himself at work to learn and become successfully established, the better. No young man can afford to make a mistake in his choice of occupation; the first choice should be the true one. For this reason we would say to a young man in regard to routine clerkship, by no means accept a place of that kind, not even if the salary is large it may seem large at first, but there can be no compensation to a young man for the loss of time. Indeed, we are of the opinion that a young man, at the start, had better work for nothing, or even pay for the privilege of going into an establishment where he can learn a good business, than to take an ordinary clerkship at any price.

One Swallow
One swallow doesn't make a summer, but some of our young men should remember that too many swallows are certain to make a fall.

A Word to Boys.
Show us a boy who obeys his parents, who has respect for age, who always has a friendly disposition, and who applies himself diligently to get wisdom and to do good toward others, and if he is not respected and beloved then there is no such thing as truth in the world. Remember this, boys, and you will be respected by others, and grow up and become useful men.

well known remedy for babies and children, will quiet the little one in a short time. The ingredients are printed plainly on the bottle. Contains no opiates. Sold by S. R. Biggs, Williamston, N. C. Slade Jones & Co., Hamilton, N. C.
"I suspect the playbills do not always tell the exact truth."
"And you are correct," responded Hamlet Fatt. "For instance, I am billed as being assisted by a large company when the fact is I am retarded by the few people I have."—Louisville Courier-Journal.

Old Folks
A homestead without a pair of old folks—Time's dotting chronicles—seated contentedly in the chimney corner, would hardly be a homestead at all. If they are in the picture, it is complete. There you may find them, day in and day out, in all sorts of weather, steadfast to their places and to one another. When the eaves drip, in the middle of the winter forenoons, the old man with head of silver abandons his post and newspaper to make the accustomed tour of the kitchen offices, the shed, or the barn, hugging by the way to throw down a handful of grain for the pinched poultry. With what minuteness he is cautioned by grandmother not to go out insufficiently clad, and with what a single hearted joy she welcomes him when he comes back to her again. He would hardly get a warmer reception if he was just returning from a genuine polar expedition with Walter Wellman. As soon as he has nestled down snugly in his cushioned chair once more, he will launch out such valuable details of the keen air outdoors suggestive of Arctic reminiscences which no listener could very well call in question—as will find the white-haired old couple topic of earnest talk till

A Hard Debt to Pay
"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous drag, hacking cough, quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and for throat and lung complaints. Guaranteed by S. R. Biggs, druggist, 50c and \$1.00. Trial bottle free.

You can't be well if you have a weak, unhealthy, tired out stomach. Neither can you feel good if by some little irregularity in eating you have caused the stomach to get out of order. These little stomach troubles are signs of indigestion, which may and very often does turn into a very bad case of dyspepsia. Don't allow this to go on a single day without doing something to overcome it. Take some good reliable and safe digestant like KODOL For Dyspepsia. KODOL is the best remedy known today for heart burn, belching and all troubles arising from a disordered digestion. It is pleasant to take and affords relief promptly. Sold by S. R. Biggs, Williamston Slade Jones & Co., Hamilton, N. C.

High School Teacher—Sometime you appear really manly and some times you are quite effeminate. How do you account for it? Student—It's hereditary. I suppose. One half of my ancestors were males and the other half females.—School Board Journal.

The New Pure Food and Drug Law
We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. C. C. Chase, and S. R. Biggs.

Mosquitoes prefer negroes to white men. They will sting a black dog in preference to a light colored one. They like a dark resting place.

Dancing Proves Fatal
Many men and women catch colds at dances which terminate in pneumonia and consumption. After exposure, if Foley's Honey and Tar is taken it will break up a cold and no serious results need be feared. Refuse any but the genuine in a yellow package. C. C. Chase, S. R. Biggs.

"Charles," said Coleridge one day to Lamb, "did you ever hear me preach?" "I never heard you do anything else," said Lamb.

We have secured the agency for Orino Laxative Fruit Syrup, the laxative that makes the liver lively, purifies the breath, cures headache and regulates the digestive organs. Cures chronic constipation. Ask us about it. C. C. Chase and S. R. Biggs.

Gold is nearly twice as heavy as silver. Thus a cubic foot of the former weighs 1,210 pounds and the same quantity of the latter 655 pounds.

He Fought at Gettysburg
David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weaknesses. Great alterative and body builder; sure cure for lame back and weak kidneys. Guaranteed by S. R. Biggs, druggist, 50c.
