

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-worked in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized.

It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home of Swamp-Root, Free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE HOME CIRCLE COLUMN

Pleasant Evening Reveries---A Column Dedicated to Tired Mothers as they Join the Home Circle at Evening Tide.

By J. KNOX HALL

FARM POETRY

MR. EDITOR: Will you kindly give space in your Home Circle department for a farmer's wife to "speak her piece." To begin with we all enjoy your Home Circle column and find much in it that is useful as well as interesting. Of late, however, while we fully agree with most that appears in this department, we have read a few items regarding the beauties of life on the farm with which we differ. Where is the poetry of farming? "Tell me, ye winged wings," or any one else who can, for we really lack for information on the subject. We have heard of a person living all his lifetime in sight of a most beautiful landscape, but he never saw the beauty nor dreamed of such a thing, till his attention was called to the fact by another. It may be so with us; we may be living in the very midst of the poetry and pleasure of rural life, and our dulled senses fail to realize the fact. Therefore please, who can, point us to the bright way. But please don't mention, among the attractions of country life the "woodland dells, where tiny leaflets clap their merry hands" and all nature smiles in serene happiness; nor say anything about the "pure, fresh country air." We have a nice grove on our farm, and often when we run out for an armful of wood or a pail of water, we look at the grove and think how pleasant it would be to sit there and rest; but the kettle waits for the water, the fire for the wood, and back we go. And when the work is done, there is the baby--she cannot be left alone, and we think we prefer rest indoors to an enjoyment of nature's beauties under such circumstances.

As to the "pure, fresh air," we have breathed quite as pure air in cities as that which is wafted from the neighboring pig-yard. And when the wind sweeps from our big marsh, it is most too fresh for comfort or the wellbeing of the clothes switching on the clothes-line.

We should never have thought so much about this were there not so much written about the beauty and poetry of farm life, by those who know least about it. There are charming rural retreats, we know, but charming rural life is another thing. A party may spend a hot summer day in the cool woods and be delighted; but let them pass the same day over the cook stove or ironing board, or in the hay field, they will find a difference. The former is the ideal rural life; the latter the real.

There are many pleasures in the farmer's life, but plenty of hard work to destroy all idea of poetry, and bring one down to very common prose. Is there poetry in butchering, sausage making, lard frying? Is there poetry in hauling manure? Is there, oh, is there, poetry in picking potato bugs?

A FARMER'S WIFE.

FLOWERS TEACH NEATNESS.

We hope all who read this column will endeavor to keep a few flowers in the home. In addition to their beauty and fragrance, they teach neatness and order. The wife and children like to have a clean room, so that the flower, in its purity and grace, may not shame them. And then, too, a poor man likes to feel that he has an ornament in his dwelling similar to that which a rich man chooses as the best embellishment of his drawing-room. The cottage and the mansion differ very much in structure and in furniture, but a pretty flower, carefully watered and tended, blooms as well in a cottage as in a palace window. Then the flower speaks to the inmates of the home and tells them of the wisdom and love of God, how He sent these beautiful flowers into the world to please the eye of man.

THREE IMPORTANT THINGS.

Three things to love: courage, gentleness, affection. Three things to admire: intellectual power, dignity and gracefulness. Three things to hate: cruelty, vengeance, ingratitude. Three things to delight in: beauty, frankness, freedom. Three things to wish for:

health, friends and a cheerful spirit. Three things to pray for: faith, peace, and purity of heart. Three things to like: good humor, mirthfulness and the Home Circle department. Three things to avoid: idleness, loquacity, flippant jesting. Three things to cultivate: good books, good friends, good humor. Three things to contend for: honor, country, friends. Three things to govern: temper, tongue conduct. Three things to think about: life, death, eternity.

MATRIMONIAL MANIA.

We have just been shown a matrimonial journal in which men advertise for wives the same as they would for a horse. The way in which the majority of men marry, is nothing short of a burlesque upon the "sacred institution." They set about looking for a wife as they would for a horse. They make an inventory of her "good points," as certain the quickness of her movements, the state of her digestion, her capacity for economy, the yielding quality of her disposition; if she "suits" they propose partnership, and women are such fools, if we must say it, fools from the force of circumstances and custom, as to say "yes," when with all the thunder of their souls they should say "no." Such offers of marriage are insults to the women who receive them, a shame and disgrace to the men who make them, and rank dishonor to the Lord who created them.

There is nothing in the moral, spiritual or physical universe that makes marriage respectable, but love. Without it there can be no marriage, only a wretched, miserable form, that rapidly degenerates into a loathsome, demoralizing burden. The time to marry is when love demands it, and not simply because the kitchen needs a cook, the dining table a figure-head in muslin or silk, or the cucumber vines somebody to kill the bugs on them. The one to marry is the woman you love, and no other one. That, and that alone should decide. Riches may take wings and flee away; beauty may fade; good health is excellent and desirable thing in a man or woman, but the circumstance of an hour or a moment may ruin the best of health. A man who marries from "married considerations," usually gets what he deserves--its full equivalent unhappiness. A man who marries for beauty, learns, as no other man can learn, how hideous and loathsome it may become. So, young men, take love for your guidance in this matter, remembering that it demands the best and noblest in you--that it is sacred and holy, and divine, for it is of God.

There is nothing better for stomach troubles than KODOL, which contain the same elements found in a healthy stomach. KODOL is offered on a guaranteed plan for the relief of heart burn, flatulence, sour stomach, belching of gas, nausea and all stomach troubles. So at time when you don't feel just right when you are drowsy after meals, and your head aches or when you have no ambition, and you are cross and irritable, take a little KODOL. It digests what you eat. It will make you healthy. Sold by S. R. Biggs, Williamston, N. C. Slade Jones & Co., Hamilton, N. C.

The Chattanooga Star thinks the "newspaper writers will keep on until they have made John Temple Graves' salary \$100,000 per annum." Well, you ought not to blame them; most folks get mixed up and fail to discriminate when salaries represented by five figures are under discussion. They are approximately incomprehensible.

A Hard Debt to Pay

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and for throat and lung complaints. Guaranteed by S. R. Biggs, druggist, 50c and \$1.00. Trial bottle free.

You can't be well if you have a weak, unhealthy, tired out stomach. Neither can you feel good if by some little irregularity in eating you have caused the stomach to get out of order. These little stomach troubles are signs of indigestion, which may and very often does turn into a very bad case of dyspepsia. Don't allow this to go on a single day without doing something to overcome it. Take some good reliable and safe digestant like KODOL For Dyspepsia. KODOL is the best remedy known today for heart burn, belching and all troubles arising from a disordered digestion. It is pleasant to take and affords relief promptly. Sold by S. R. Biggs, Williamston, Slade Jones & Co., Hamilton, N. C.

We hardly know what to think of the progress of civilization. One state is considering the question of abolishing capital punishment, while another is talking about installing phonographs in its jails.

The New Pure Food and Drug Law

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. C. C. Chase, and S. R. Biggs.

Dancing Proves Fatal

Many men and women catch colds at dances which terminate in pneumonia and consumption. After exposure, if Foley's Honey and Tar is taken it will break up a cold and no serious results need be feared. Refuse any but the genuine in a yellow package. C. C. Chase, S. R. Biggs.

We have secured the agency for Orino Laxative Fruit Syrup the laxative that makes the liver lively purifies the breath, cures headache and regulates the digestive organs. Cures chronic constipation. Ask us about it. C. C. Chase, and S. R. Biggs.

The only possible theory on which to account for Methuselah's long life, is that he lived before the first microbe, germ or bacillus was invented.

He Fought at Gettysburg

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weaknesses. Great alterative and body builder; sure cure for lame back and weak kidneys. Guaranteed by S. R. Biggs, druggist, 50c.

"Why" asks the N. V. Mail, "do women try to speak a paragraph or half column without taking breath?" Possibly because they are afraid some one will interrupt them.

It has taken a postal card seven years to go from Philadelphia to Brooklyn. The message on it, must have been of interest to every one getting hold of it.

How to Cures a Cold

Be as careful as you can you will occasionally take cold, and when you do get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by All Druggists & Dealers in Patent Medicines.

Weak Kidneys

Weak Kidneys, strictly point to weak kidney nerves. The kidneys, like the heart and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is acid, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month--Tablets or Liquid--and see what it can and will do for you. Druggist recommended and sell.
