

Thousands Have Kidney Trouble and Never Suspect It.

Prevalence of Kidney Disease.
Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who consent themselves with doctoring the effects, while the original disease undermines the system.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest of its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Pleasant Evening Reveries---A Column Dedicated to Tired Mothers as they Join the Home Circle at Evening Tide.

home ignorant of those principles that underlie good government. Will the boy who is taught the sweet law of obedience for love's sake, in the tender years of childhood, be likely to rebel when he is called upon to obey those laws that are made for the preservation of our country and good of the people? Will not the boy brought up to hold in respect all that goes to making up a noble man and womanhood abide by these teachings when he steps into the broader fields that lie before him? Will the girl brought up with such a brother give her future into the keeping of a young man who scoffs at religion, defies the law that makes all social life desirable, and lets his reason and judgment be led off by every will-o'-the-wisp that lurk at every morass and slough to lead weak men to destruction? Should we need to fear the future if we do our whole duty? Let us place our ambitions high, to make men, loyal men and true.

ADVICE 3,500 YEARS OLD

One of the oldest books in existence is a collection of proverbs by Ptahhotop, an Egyptian, who lived somewhere about the time of Abraham. Among his injunctions is the following, which we commend to the writers on woman's emancipation, domestic economy, and other popular topics, who may think that the subjects which they discuss are fresh and suggested by the increased intelligence of modern civilization: "If thou be wise, furnish thy house well; woo thy wife and do not quarrel with her; nourish her; deck her out, for fine dress is her greatest delight. Purpose to make her glad as long as thou livest. She is a blessing which her possessor should treat as becomes his own standing. Be not unkind to her."

IDEAL HUSBANDS AND WIVES

It may be truthfully said that less than one-fourth of the women who marry know what they are doing. They have no idea of what their duties are, much less their rights. About all they know is that they are getting married. Is there any wonder that so many are disappointed and wish themselves out of it?

It is perfectly right that a woman should have an ideal husband, but more important that she should have a distinct notion of what constitutes an ideal wife. There's where the trouble lies. They all want ideal husbands, but never seem to think that men may want ideal wives. Men imagine that a wife will make them happy, and women think that all they need to put an end to their troubles is to secure a husband. How sadly both are disappointed. The wife who expect her husband to make her happy is foredoomed to disappointment; so is the man who expects the same from his wife.

We make our own happiness, and in so doing we make others happy. Whenever young women begin trying to fit themselves for wives then a new social era will begin to dawn. There will be more happy homes, less poverty, fewer divorcees, and a better moral atmosphere. There is a great deal of room for men to improve in the same line. Comparatively few men have definite ideas in regard to the home life they expect to live. If they do picture such a thing they follow the outlines traced by some sentimental novelist. It is an impossible sort of place, in which he installs an angel. Nectar takes the place of coffee, and the bread plate is filled with lotus.

BUT ONE RULE

There is but one rule of strict morality that a man can adopt. That would be to live as pure and perfect a life as he would have his wife live, to avoid associations, habits and language that he would have her avoid. The old idea of one scale of morals for the man and another for the woman is very wrong, and until a young man is ostracised from society by the same act that would turn the young woman out in the cold world, social standing is a farce.

The life blood of the future is the bounding pulse of our little ones. No son or daughter should be allowed to leave the shelter of

WHO ARE DRUNKARDS?

Young men did you ever think who drunkards are? Drunkards are drinking young men grown up. If then, there were no drinking young men there would be no drunkards. But where do the drinking young men come from? Why, of course they come from the children. If all the children were pledged against the use of everything that can intoxicate, there would be no drinking young men and consequently no drunkards. Remember that drunkards are drinking young men grown up, and these drinking young men are unpledged children grown into young men. Let us look well after the children.

Where we see hundreds of people dritting hither and tither at the beck of every odd invitation, and reflect how few of them will ever lift themselves out of mediocrity, and achieve anything note-worthy, either within or without, we see plainly what is wanted. It is less subjection to fickle impulses and chance lures, more sensibility to great prizes, with a girded resolution to toil heroically for them in that solitude of the soul where the father of spirit seeth in secret without mistake, and rewardeth openly without fail.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee Imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert--were he to unknowingly drink it for Coffee. J. A. Mizell & Co.

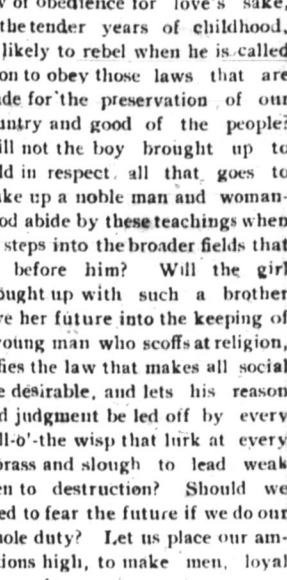

"Bilkus tells me he is getting awfully tired of living alone."
"I would think he'd marry and settle down."
"I was talking with him about it the other day, and he says he doesn't know whether to get married or buy a phonograph."--Milwaukee Sentinel.

MAYOR OF SUNBURY Says Peru-na Is a Good Medicine.

Hon. C. C. Brooks, Mayor of Sunbury, Ohio, also Attorney for Farmers' Bank and Sunbury Building and Loan Co., writes:

"I have the utmost confidence in the virtue of Peru-na. It is a great medicine. I have used it and I have known many of my friends who have obtained beneficial results from its use. I cannot praise Peru-na too highly."

There are a host of petty ailments which are the direct result of the weather.

This is more true of the excessive heat of summer and the intense cold of winter, but is partly true of all seasons of the year.

Whether it be a cold or a cough, or a tickle in the throat, or a complaint of the liver, or a fever of the kidneys, the cause is very liable to be the same.

The weather slightly deranges the mucous membranes of the organs and the result is some functional disease.

Peru-na has become a standby in thousands of homes for minor ailments of this sort.

Esquimaux is the only place in the British empire that exceeds London in cloudiness. Esquimaux is also the dampest place in the empire, while Adelaide, in Australia, is the driest. Ceylon is the hottest and northwest Canada the coldest possession that the flag of England floats over.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babies. The wholesome green leaves and stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Always demand Dr. Shoop's Cough Cure. S. R. B. Biggs.

Mrs. Simdlet (noticing that the new boarder is lavish with the catchup.)
Dentists say that tomatoes have a tendency to loosen the gums so that the teeth come out. New Boarder--That so? Then I must work hard to drive 'em back again. I'll thank you for some more of the roast beef.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative--tablets or liquid--and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. S. R. B. Biggs.

Frequently a purling will bulge and be very unattractive unless remedied. An artist claims that such pieces can be remedied without danger of destroying the paint by dampening both the right and wrong side and keeping the canvas under very heavy pressure until thoroughly dried.

Muscular Pains Cured
"During the summer of 1903 I was troubled with muscular pain in the instep of my foot," says Mr. S. Pedlar, of Toronto, Ont. "At times it was so painful I could hardly walk. Chamberlain's Pain Balm was recommended to me, so I tried it and was completely cured by one small bottle. I have since recommended it to several of my friends, all of whom speak highly of it." For sale by All Druggists and Dealers in Patent Medicine.

The opinion, which was once quite prevalent, that originally all mankind had one and the same speech is no longer held by competent authorities. Language is a growth, and the various tongues have reached their present status through countless ages of development.

Hopeless.

"Jacob Smithers, criminal," said the retired lawyer, "sat in his cell making paper boxes when a dear old lady looked through the peephole in the door inquisitively.
"You poor man," said the old lady, "I guess you'll be glad when your time is up, won't you?"
"Waal, no'm, not particularly," Jacob Smithers answered. "I'm in fur life."--Cincinnati Enquirer.

Millions of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from it--use for coughs, colds and lung troubles. This is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by refusing any but the genuine. C. C. Chase and S. R. Biggs.

In France.
L'Amie--Oh, Gabrielle, is it true that you are to be married?
L'Inguine--Quite true.
L'Amie--And to whom? Tell me, is he rich, handsome and well born? What is his name? Who is he?
L'Inguine--I do not know, chérie; but I am to be married, for mamma says she is keeping her eyes open for a son-in-law, and, as thou knowest, I also am doing my very best.

Are you having trouble with your kidneys? There are lots of people today who wonder why they have pains across the back, why they are tired aching in energy and ambition. Your kidneys are wrong. They need relief without delay. Take DeWitt's Kidney & Bladder Pills; they are for weak back, inflammation of the bladder, back ache and weak kidneys. Sold by S. R. Biggs, Williamston, N. C., Slade Jones & Co., Hamilton, N. C.

His Taste.
"What business is paper in, man?"
"Why, he's a tea sampler. He samples the different kinds of teas."
"Mamma?"
"Yes, my boy."
"Do you know what I want to be when I grow up?"
"No, what, my boy?"
"A pie sampler."--Yonkers Statesman.

Beware of Frequent Colds

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by All Druggists and Dealers in Patent Medicine.

Boy Babies in Athens.
Among the poorer classes of Athens necessity has mothered the pretty invention of covering a new born boy with a dress made from an old shirt belonging to his father, while under the baby's tiny pillow were smuggled a black handled knife, a gold coin and a copy of the gospel--sign and symbol of the courage, wealth and piety that the hopes of fond hearts treasured for the little son and heir.

For Eczema, Tetter and Salt Rheum.
The intense itching characteristic of these ailments is almost instantly allayed by Chamberlain's Salve. Many severe cases have been cured by it. For sale by All Druggists and Dealers in Patent Medicine.
